

RESOLUTION 10-1

WHEREAS, Sangamon County has committed to utilizing financial, personnel, and payroll software products licensed by New World Systems; and,

WHEREAS, selected software product modules have already been acquired from New World Systems and are currently installed and in use; and,

WHEREAS, additional software product modules are available for purchase from New World Systems to address specific operating needs of Sangamon County; and,

WHEREAS, it has been determined that Sangamon County could benefit from acquiring a software product module to effectively and efficiently track employment positions established, filled, and vacated within the County and to accurately budget for said positions ; and,

WHEREAS, Sangamon County has received a purchase price quotation of \$10,800 for a Position Control Module available from New World Systems which can be integrated with existing modules;

NOW THEREFORE BE IT RESOLVED, by the County Board of Sangamon County in session this 4th day of April, 2006, that the Sangamon County Information Systems Division is hereby authorized to purchase the New World Systems Position Control Module at a price of \$10,800 utilizing funds from Capital Expenditure account # 001.008 600.000.
