

RESOLUTION 13-1

WHEREAS, the Sangamon County Emergency Telephone System Department has approved the emergency procurement of a new computer aided dispatch system;

WHEREAS, the Computer Aided Dispatch System currently in place for dispatch in Sangamon County is built with now outdated computer architecture;

WHEREAS, the outdated nature of the current Computer Aided Dispatch system will soon result in a lack of capacity for the data storage and is increasingly subject to repair, maintenance and system failure;

WHEREAS, implementation of an integrated Computer Aided Dispatch System within the Sangamon County Sheriff's Department will take a period of at least six (6) months;

WHEREAS, the new Computer Aided Dispatch System approved by the Sangamon County Emergency System Department cannot be integrated with the current software/hardware solutions used by the Sangamon County Sheriff's Department;

WHEREAS, a failure to fully integrate computer dispatch with the Sangamon County Sheriff's Department will result in an inability to properly communicate critical data to the Mobile Data Computers in Sangamon County Sheriff's Department squad cars;

WHEREAS, a fully integrated system is necessary for the health, safety, and welfare of the citizens of Sangamon County and the Sangamon County Deputies that protect them;

NOW THEREFORE BE IT RESOLVED, this 9th day of May 2006 that the Sangamon County Board finds that the procurement of an integrated criminal justice
