

RESOLUTION NO. 8-1

A RESOLUTION AUTHORIZING PURCHASE OF RADIO EQUIPMENT FOR THE OFFICE OF EMERGENCY MANAGEMENT

WHEREAS, the population of Sangamon County continues to grow and the adequate provision of public safety through fire and emergency medical response requires greater communications capacity; and

WHEREAS, this greater communications capacity can be achieved by procuring and installing radio equipment for the Office of Emergency Management for integration with existing equipment owned by the Sangamon County 911 Board; and

WHEREAS, said equipment owned by the Sangamon County 911 Board was purchased from WirelessUSA of Springfield who continues to maintain this equipment and its associated programming to the extent that other vendors are restricted from having full access thereto; and

WHEREAS, WirelessUSA of Springfield has presented to the Sangamon County Board a proposal in the amount of \$21,917.69 for greater communications capacity for fire and emergency medical response;

NOW, THEREFORE, BE IT RESOLVED, by the Members of the Sangamon County Board, in session this 13th day of March, 2007, that the County Board Chairman be authorized to execute a purchase agreement, not to exceed \$21,917.69, with WirelessUSA of Springfield for the procurement and installation of radio equipment for the Office of Emergency Management for integration with existing equipment owned by the Sangamon County 911 Board.

Respectfully submitted,
OEM/911 Committee
