COUNTY BOARD MEMBER: # 4 NAME: Jeffrey Thomas

DOCKET NUMBER: 2024-013

ADDRESS: 1455 New City Road, Pawnee IL 62558

PETITIONER: Shanta Thoele

PRESENT ZONING CLASSIFICATION: "A" Agricultural District

REQUESTED ZONING CLASSIFICATION: for Proposed Parcel 1: pursuant to Chapters 17.68 and 17.12, a rezoning from "A" Agricultural District to "R-1" Single-Family Residence District; and, pursuant to Chapter 17.66, a variance of Section 17.36.010(B) to allow an accessory structure to be approximately twenty-four (24) feet instead of the maximum height of eighteen (18) feet allowed in the "R-1" Single-Family Residence District; and, for Proposed Parcel 2: pursuant to Chapters 17.68 and 17.12, a rezoning from "A" Agricultural District to "R-1" Single-Family Residence District; and, pursuant to Chapter 17.66, a variance of Section 17.36.010(B) to allow an accessory structure to be approximately twenty-four (24) feet instead of the maximum height of eighteen (18) feet allowed in the "R-1" Single-Family Residence District.

AREA: 2.91 Acres

COMMENTS: None

OBJECTORS: None

PLANNING COMMISSION STAFF RECOMMENDATION: Recommend approval. The petitioner is proposing to divide the subject property in order to create an additional buildable lot. The LESA score of 168 indicates the property is marginal requiring mitigating factors for non-agricultural development. The relatively small size of the subject property, the location along a County Highway, and the rural residential trend make residential zoning appropriate. Allowing an accessory structure to be 24 feet instead of the 18 feet in the R-1 District would be consistent with the height of accessory structures located on properties in this area that are zoned Agricultural, which has no height restriction. The Standards for Variation are met.

SANGAMON COUNTY ZONING BOARD OF APPEALS RECOMMENDATION:
Approval of Staff Recommendation.

THIS MATTER, Coming on for a hearing before the Sangamon County Zoning Board of Appeals of Sangamon County, Illinois, and it appearing to said Board that a petition for a **rezoning and variances** of the Zoning Regulations of said County has been filed herein by the above captioned petitioner(s); that legal publication has been made pursuant to law; and that a public hearing was held on **May 16, 2024** pursuant to law; and that said Board took testimony of witnesses, examined the evidence, and otherwise being fully advised in the premises, therefore finds as follows:

1. That said Board has jurisdiction to consider the petition filed herein.
2. That the above-captioned petitioner(s) is the owner(s) and/or has a beneficial interest in, contract to purchase, or is the County Board Member representing the property commonly known as: **1455 New City Road, Pawnee, IL 62558** and more particularly described as:

See Exhibit A

3. That the present zoning of said property is **“A” Agricultural District.**
4. That the present land use of said property is **single-family residence with an accessory structure.**

**SANGAMON COUNTY
RECOMMENDED - FINDINGS OF FACT**

Case #: **2024-013**

Address: **1455 New City Road, Pawnee**

- (i) Existing uses of property within the general area of the property in question.

North, South, & West – Cropland. East – Residence.

- (ii) The zoning classification of property within the general area of the property in question.

North, East, South, & West – Agricultural.

- (iii) The suitability of the property in question to the uses permitted under the existing zoning classification.

The LESA score of 168 indicates the property is marginal requiring mitigating factors for non-agricultural development. The relatively small size of the subject property, the location along a County Highway, and the rural residential trend make residential zoning appropriate.

- (iv) The trend of development, within the vicinity since the property was originally classified.

The trend of development in the area is rural residential and agricultural. In 2008, a variance was granted for 2 parcels to be less than 40 acres and a lot-width-depth variance for property northwest of the subject property.

**SANGAMON COUNTY
RECOMMENDED - STANDARDS FOR VARIATIONS**

Case #: **2024-013**

Address: **1455 New City Road, Pawnee**

The Zoning Board of Appeals shall not recommend to the Sangamon County Board that the regulations of this ordinance be varied as authorized in F. (1) hereof, unless it shall make findings of fact based upon the evidence presented to it in each specified case:

- (i) that the property in question cannot be economically used or yield a reasonable return, if permitted to be used only for the conditions allowed by the regulations.

Allowing an accessory structure to be 24 feet instead of the 18 feet in the R-1 District would be consistent with the height of accessory structures located on properties in this area that are zoned Agricultural, which has no height restriction.

- (ii) that the plight of the owner is due to circumstances unique to the property and not generally applicable to other property in the area.

Other parcels in the area are zoned Agricultural, which has no height restrictions.

- (iii) that the variation, if granted, will not alter the essential character of the locality, impair an adequate supply of light and air to adjacent property, increase the congestion of traffic, or diminish or impair property values in the locality.

Negative impacts are not anticipated.
