

Resolution # 10-1

WHEREAS, County policies and procedures require both the assigned oversight committee and the County Board to approve all requests to apply for grants from Federal and State agencies as well as grants from all other entities; and,

WHEREAS, County policies and procedures require that the acceptance of grants of \$30,000 or more must be approved by the full County Board; and,

WHEREAS, the Springfield-Sangamon County Regional Planning Commission wishes to apply for and accept a grant from the Illinois Department of Transportation, Statewide Planning & Research Funds in the amount of approximately \$240,000; and,

WHEREAS, this grant will allow the Springfield-Sangamon County Regional Planning Commission to retain a consultant to update the West Loop and South Growth Area transportation network studies; and,

WHEREAS, the updated studies will provide recommendations regarding the arterial roadway network plans for the City of Springfield and Sangamon County ensuring continued safety of the movement of people, goods and service; and,

WHEREAS, as documented by the approval of this resolution, the Finance Committee has approved the Springfield-Sangamon County Regional Planning Commission's request to apply for the Statewide Planning & Research Funds grant and the committee recommends that the County Board approve the acceptance of this grant, if awarded by the Illinois Department of Transportation.

NOW, THEREFORE, BE RESOLVED that the Sangamon County Board, in session this 14<sup>th</sup> day of May 2024, approved the acceptance of the Statewide Planning & Research Funds grant detailed above and authorizes the Executive Director of the Springfield-Sangamon County Regional Planning Commission to sign the required documents to execute the agreement for this grant.

### SANGAMON COUNTY - GRANT APPROVAL FORM

Requesting Department: Regional Planning Commission

Grant Program Title: SPR SFY25 West Loop/South Growth Area Study Updates

This request is for:  a new grant  renewal or extension of an existing grant

Grantor: IDOT

Brief description of the grant program and its benefits to Sangamon County:

SSCRPC will retain a consultant to update the 1999 West Loop and 2005 South Growth Area transportation network studies. Updated plans will provide a more comprehensive analysis of the region's transportation system and make recommendations on the current and modified future outlook of growth conditions and expansions. Updated studies will also provide Springfield and Sangamon County current data to evaluate their respective arterial roadway network plans to identify warranted adjustments, and provide a more accurate basis for the appropriate allocation of roadway improvement funds.

Anticipated Grant Revenue Amount: \$240,000.00

Are matching funds required?  Yes  No

If yes, please state the amount and the source of matching funds:

Requesting State Grant Match Assistance (\$40,000)

If this grant is approved, will any new personnel be hired:  Yes  No

If Yes, please indicate the number and cost of personnel:

N/A

Are there any indirect costs or legal requirements associated with this grant (i.e., increased workload on existing staff, requirements to continue specific programs after grant periods, etc.):  Yes  No

If Yes, please provide details. Include attachment if needed:
