**NOW, THEREFORE BE IT RESOLVED** by this County Board of Sangamon County, Illinois that the schedules, hereinafter specified as the Annual Budget and Appropriation Ordinance for FY 2026, be and are the same hereby appropriated for the purposes detailed in the Sangamon County Annual Budget for Fiscal Year 2026 and summarized herein for the fiscal period December 1, 2025 through November 30, 2026 said schedules attached herewith and made part hereof; and

As part of the request, individuals are also required to agree to adhere to the County Board's Code of Conduct and decorum policies **(Link to TBD policies)**. Failure to complete the required elements of the sign-up process will result in the individual not being permitted to speak. It is also requested, but not required, that the applicant provide a home address, phone number and email address of the person addressing the Board, any County employment relationship or representative capacity. This information may assist County staff in conducting any necessary follow-up or gathering additional information related to the comment.

Individuals who have properly provided notice of their intent to speak will be allowed four minutes. There are no substitutions, transfers, or division of time allowed between speakers. Speakers will generally be called in the order in which they signed up, unless, at the discretion of the Chairman, the Board would benefit from a rearranged presentation or a signed-up speaker has a scheduling conflict.

Unless waived by a majority vote of the Board members present, total public comment time for non-zoning items will be limited to one hour. In the event the allotted time for public comment will be exceeded, based on the number of individuals who provided proper notice of their intent to speak on non-zoning items, the Chairman shall have the right to allow a reasonable additional time period for public comment on any single non-zoning issue and to alter the order of the speakers in order to ensure that all viewpoints are heard.

Visual or audio presentation aids are not permitted during public comment. However, written materials or handouts, including photos, may be distributed to Board members prior to the meeting or placed on the desk of members before the meeting to support a speaker's remarks. If a speaker chooses to distribute materials during their public comment time, the time used to do so will be counted toward their allotted speaking time.

All speakers will be required to address the Board from the designated locations in the County Board Chambers, using the microphone provided. County Board

meetings are streamed live and recorded. Individuals speaking before the Board do so with the understanding that the meeting is publicly broadcast and archived.

Speakers desiring to influence specific County Board actions are encouraged, but not required, to make an initial presentation at the appropriate County Board standing committee.

Speakers shall refrain from statements or remarks that concern the private activities or lifestyles of individual County employees, Board members, or other County elected officials that are wholly unrelated to the business of the county.

Individuals addressing the Board shall refrain from statements, remarks or conduct that is uncivil, rude, profane or otherwise disruptive to the conduct of the County Board or which causes a disturbance. Those who violate the County Board's Code of Conduct or decorum policy during public comment are subject to a 30-day ban from participation in public comment for a first offense and a 90-day ban for each subsequent offense. **(Link to TBD policies).**

The chairman may act to prevent repetition or digression, to maintain decorum, to exclude discussion of matters which have had a previous public hearing, to exclude discussion of matters over which the board has no authority, and to exclude discussion of matters where public comment would interfere with due process.

**(2.04.240 Privilege Of The Floor Granted To Nonmembers When) -  
2.04.240 (C) (NEW)**

Members of the public who wish to address a County Board committee may do so during the public comment portion of the meeting. Advance registration is not required, though members of the public may submit a request to speak ahead of time using an online form at (TBD.Sangamon.Gov) or by contacting the Sangamon County Board Office.

All individuals addressing a committee must comply with the County Board's Code of Conduct and Decorum Policy (**Link to TBD policies**).

Each speaker will be allowed up to four minutes. There are no substitutions, transfers, or division of time allowed between speakers. Speakers will generally be called in the order in which they signed up, unless, at the discretion of the Committee Chair, the committee would benefit from a rearranged presentation or a signed-up speaker has a scheduling conflict.

Unless waived by a majority vote of the committee members present, total public comment time will be limited to one hour. In the event the allotted time for public comment will be exceeded, based on the number of individuals wishing to speak, the Committee Chair shall have the right to allow a reasonable additional time period for public comment on any single issue and to alter the order of the speakers in order to ensure that all viewpoints are heard.

Visual or audio presentation aids are not permitted during public comment. However, written materials or handouts, including photos, may be distributed to committee members prior to the meeting or placed at their seats before the meeting to support a speaker's remarks. If a speaker chooses to distribute materials during their public comment time, the time used to do so will be counted toward their allotted speaking time.

All speakers will be required to address the committee from the designated location, using the microphone provided.

Speakers shall refrain from statements or remarks that concern the private activities or lifestyles of individual County employees, Board members, or other County elected officials that are wholly unrelated to the business of the County.

Individuals addressing a committee shall refrain from statements, remarks, or conduct that is uncivil, rude, profane, or otherwise disruptive to the conduct of the meeting or which causes a disturbance. 30-day ban from participation in public comment for a first offense and a 90-day ban for each subsequent offense. **(Link to TBD policies).**

The Committee Chair may act to prevent repetition or digression, to maintain decorum, to exclude discussion of matters which have had a previous public hearing, to exclude discussion of matters over which the committee has no authority, and to exclude discussion of matters where public comment would interfere with due process.

**(Board Member Interaction with Public Commenters) – 2.04.240 (D)****(NEW)**

In general, County Board members shall refrain from direct interaction with individuals participating in public comment during County Board and committee meetings. Public comment is intended to provide members of the public an opportunity to address the Board, not to serve as a forum for debate, extended discussion, or real-time deliberation.

This policy is intended to maintain order, fairness, and decorum in the public comment process, protect public commenters from debate with Board members, and respect the one-hour time limit for public comment.

**Limited exceptions to this policy include:**

- A Board member may request permission, through the Chairman, to ask a clarifying question of professional County staff when necessary to correct a factual record or gain technical understanding relevant to the public comment presented.
- A Board member may request permission, through the Chairman, to briefly respond when personally named or referenced in a public comment.

All questions or responses must be directed through the Chairman, who shall determine whether to recognize the request and permit the interaction. No more than two total questions or responses may be permitted per Board member per public comment session.

**(Code of Conduct and Decorum Policy) - 2.04.245****(NEW)**

To ensure efficient and respectful proceedings of the Sangamon County Board and its committees, all persons present at County meetings, including members of the public, invited guests, County staff, and elected officials, must adhere to the following Code of Conduct and decorum standards.

**A. Purpose**

This policy is intended to preserve order, minimize distractions, and promote a safe and inclusive environment where County business may be conducted without disruption or interference. All participants must act professionally, respectfully, and in accordance with these rules.

**B. Applicability**

This Code of Conduct applies to all meetings of the Sangamon County Board and its committees held in the County Board Chambers, committee rooms, or any other meeting conducted under the authority of Sangamon County.

**C. General Conduct Expectations**

1. All attendees shall refrain from behavior that is disruptive, disrespectful, or distracting to the conduct of the meeting. This includes, but is not limited to:
  - Interrupting speakers or Board members;
  - Loud or prolonged conversations, laughter, or other disturbances;
  - Use of offensive, threatening, or profane language; and
  - Any gestures, signage, or conduct intended to intimidate, distract, or provoke others.
2. Electronic devices must be silenced or turned off. Attendees shall not engage in phone or video calls during the meeting.
3. No individual shall attend a meeting while under the influence of alcohol, cannabis, or any controlled substance. No individual shall attend a meeting with the smell of alcohol or cannabis on their person. Any attendee who appears impaired or poses a risk of disruption may be removed.

4. Face coverings, including masks, costume masks, or hoods that obscure the face, are not permitted, except as required for medical or religious reasons.
5. Members of the public and other non-Board attendees must remain seated in designated areas and must not obstruct aisles, exits, or walkways.
6. Only individuals formally recognized by the Chairman or presiding officer may speak during the meeting.

#### **D. Enforcement Authority**

1. The County Board Chairman, or the Chair of the meeting, shall have full authority to:
  - Maintain order and decorum;
  - Issue verbal warnings to individuals who violate this policy;
  - Recess the meeting to reestablish order, if necessary;
  - Direct any disruptive individual to leave the meeting room; and
  - Request assistance from Court Security or law enforcement to remove any individual who refuses to comply.
2. Those who violate the County Board's Code of Conduct or decorum policy are subject to a 30-day ban from participation and physical attendance for a first offense and a 90-day ban for each subsequent offense.

#### **E. Remote Participation**

All provisions of this policy apply equally to individuals participating by electronic means, including videoconferencing or teleconferencing. Remote participants who violate the standards of decorum may be muted, removed from the session, or barred from future participation in the same manner as those attending meetings in person.

**Attendance; Absence Deemed Cause For Removal When - 2.04.330****(Amendment to existing code section)**

Each member shall regularly and promptly attend all of the duly called meetings of their committee(s) and of the board.

In order to obtain an excused absence, a member must contact the county board coordinator not less than two hours before the scheduled committee or board meeting.

A member who fails to provide at least two hours' notice prior to a scheduled meeting shall be deemed unexcused, unless the failure to provide the two hours' notice was not due to the member's willful neglect, as determined and approved by the chair of the meeting.

Any member who arrives seven minutes or more after the scheduled start of a meeting due to the member's willful neglect, as determined by the chair of the meeting, shall be considered tardy. Three instances of tardiness shall count as one unexcused absence.

Each member is allowed one unexcused absence per fiscal year without penalty. Each additional unexcused absence from committee or board meetings in the same fiscal year shall result in the member forfeiting \$200 to Sangamon County, payable within 30 days of each such unexcused absence.

Special rules regarding the conduct of committee meetings, such as starting time, use of cell phones, etc., shall be determined by the committee chairman.

Three unexcused absences from duly called meetings of a committee to which a member has been assigned or appointed shall be cause for the removal of such member from such committee, at the discretion of the County Board Chairman.

If a quorum of the members of the County Board or any of its committees is physically present, a majority of the Board or committee may allow a member of that body to attend the meeting by other means (audio or video conferencing) if the member is prevented from physically attending because of:

- Personal illness or disability;
- Employment purposes or the business of the County Board;
- A family or other emergency; or

- Unexpected childcare obligations

The member must notify the recording secretary or Sangamon County Clerk before the meeting unless advance notice is impractical.

**Board Member Email Use – 2.78.080****(NEW)**

All County Board members conducting official County business by email are required to use the email address provided by Sangamon County. Use of the official County email ensures proper record keeping in accordance with public records laws.

The Sangamon County Information Systems Department will not configure or forward official County email to personal or non-County email addresses.

For any County communications, public notices, or public distribution lists involving Board members, only official County-provided email addresses shall be used or shared. Personal or non-County email addresses will not be published, distributed, or released by the County.

A 60-day transition period from the effective date of this policy will allow Board members to adjust their email settings and receive any necessary training or assistance from the Sangamon County Information Systems Department.

RESOLUTION 39

NOV 07 2025

AN ORDINANCE AMENDING THE SANGAMON COUNTY  
COMPREHENSIVE FIRE PROTECTION PLAN

*Don J. [Signature]*  
Sangamon County, Illinois

WHEREAS, Section 3.1 of the Illinois Fire Protection District (70 ILCS 705/3.1) authorizes counties to adopt a comprehensive fire protection plan for unincorporated areas in their county which are not part of a fire protection district and which do not have available a source of fire protection on a voluntary or contractual basis; and

WHEREAS, Section 5-1056.1 of the Counties Code (55 ILCS 5/5-1056.1) authorizes county boards to exercise the powers granted under Section 3.1 of the Fire Protection District Act; and

WHEREAS, pursuant to Section 3.1 of the Fire Protection District Act, Sangamon County, following a public hearing and approval by referendum held on April 5, 2005, adopted a comprehensive fire protection plan designating specific areas of eligible unincorporated areas of Sangamon County to be annexed to certain fire protection districts; and

WHEREAS, the plan further provided that other areas of unincorporated territory were designated to be annexed to a fire protection district upon becoming eligible for inclusion in a fire protection district; and

WHEREAS, on May 9, 2006, Resolution 15-1 was adopted by the County Board, in part, to amend the comprehensive fire protection plan, and certain properties identified by Parcel Number therein were designated to be eligible for annexation to the "Proposed Waverly FPD;" and

WHEREAS, at both the time the plan was adopted and the time Resolution 15-1 was adopted, there was no Waverly Fire Protection District in existence to which the properties set out in Resolution 15-1 by Parcel Number could be annexed; and

WHEREAS, the preamble to Resolution 15-1 expressly states that amendments to the comprehensive fire protection plan could be made as properties "from time to time" become eligible for inclusion in a fire protection district; and

WHEREAS, Section 3.1(e) of the Fire Protection Act provides, in part: "If, after adoption of a comprehensive county fire protection plan, the county board determines to add any territory to a fire protection district, it shall do so by ordinance."

WHEREAS, the Waverly Fire Protection District was formed by the Order of the Circuit County for the Seventh Judicial Circuit, Morgan County, Illinois on May 3, 2024, following a referendum held on March 19, 2024, approving the formation of the Waverly Fire Protection District; and

WHEREAS, upon the formation of the Waverly Fire Protection District, the properties designated for inclusion in the "Proposed Waverly FPD" became eligible to be made part of and included in the Waverly Fire Protection District under the terms of the plan itself and because these properties no longer had a source of fire protection, as the Waverly Fire Department, which had provided such services, dissolved upon the formation of the Waverly Fire Protection District; and

WHEREAS, the County Board of Sangamon County has determined that pursuant to the comprehensive fire protection plan of Sangamon County and the Act, the eligible properties, all identified by Property Number in Exhibit A hereto, should now be made part of and be annexed to the Waverly Fire Protection District; and

WHEREAS, the properties set out on Exhibit A will, upon annexation, be contiguous to the Waverly Fire Protection District; and

WHEREAS, upon their annexation to the Waverly Fire Protection District, the properties set out on Exhibit A will constitute annexed property for purposes of the Property Tax Extension Limitation Law as applied to the Waverly Fire Protection District;

NOW, THEREFORE, THE PREMISES CONSIDERED, BE IT ORDAINED BY THE SANGAMON COUNTY BOARD AS FOLLOWS:

Section 1. That the above and foregoing preamble along with its findings and determinations is incorporated in this Ordinance.

Section 2. That the properties set out on Exhibit A attached hereto be and hereby are annexed to and made part of the Waverly Fire Protection District by amendment to the comprehensive fire protection plan of Sangamon County, Illinois.

Section 3. That this Ordinance shall take effect upon the date of its adoption.

Section 4. That should any section, subdivision, or sentence of this Ordinance be held or determined to be invalid or unenforceable, that holding or determination shall not affect the validity of the remainder of this Ordinance.

(Illinois). In her Renew Moline role, Mathis was responsible for working with the City of Moline and its development partners and allies to provide assistance in the planning, coordination and supervision of catalytic economic development projects and programs impacting Moline's Riverfront.

No stranger to public policy and economic development, Mathis' career spans more than 25 years and encompasses work in the private, public, and not-for-profit sectors. She has a proven track record in financial packaging, incentive negotiations, site selection, policy advocacy, public relations, marketing, international trade, and workforce development. Through her work at TDC, the State of Illinois Department of Commerce and Renew Moline, Mathis has managed economic development projects in multiple industry sectors which resulted in the creation or retention of more than 4,200 jobs and more than \$1.2 billion in capital investment.

She is a past Chairman of the Board of Directors for the Illinois Economic Development Association (previously known as the Illinois Development Council or IDC), the state association of economic development professionals and has served as Chairman of most of the organization's standing committees, including the Marketing, Conference Planning, Communications, Governmental Affairs and Executive committees.

She was the 2013 recipient of the Illinois Economic Development Association's Distinguished Developer of the Year Award.

Mathis was a founding board member of the Iowa New Ventures Center and the Northwest Entrepreneurship Center and has served on Black Hawk College's Small Business Development Center Board and the Northwest International Trade Center Board. In addition to her other work at TDC, she currently serves as Executive Director of the Edgar Fellows Program. Founded by former Illinois Governor Jim Edgar, the Edgar Fellows initiative focuses on the requirements and responsibilities of leadership and governing. It emphasizes the need to forthrightly address major policy issues without permitting partisan, ethnic and regional rivalries to trump statesmanship and is designed to influence attitudes and foster mutual understanding. It holds the promise of facilitating bipartisan and cross- regional cooperation as participants – diverse in race, gender, political persuasion, and geography – assume more influential roles.

In addition to providing leadership for the nomination and selection of each Edgar Fellows class and developing the agenda and contacting speakers for the August Leadership Training Week, in her role as Executive Director, she has raised more than \$1.5 million in recent years, keeping the program alive and viable. Mathis has also helped secure the organization's future, both creating an Edgar Fellows nonprofit to provide executive leadership and funding and receiving trademark designation for the organization and its efforts. In addition, she has begun new efforts to expand the reach and impact of the program throughout Illinois, with college students and others. Mathis was a member of the 2014 class of the Edgar Fellows Initiative.

Over the last 20 years, Mathis has been an advisor for multiple gubernatorial transition teams.

Mathis has a Bachelor of Science degree in agricultural industries from the University of Illinois at Urbana-Champaign with continuing studies in economic development from Southern Illinois University at Edwardsville and brownfields redevelopment from the U.S. Environmental Protection Agency. She was a 2021 recipient of the University of Illinois College of Agriculture, Consumer and Economic Sciences highest alumni award – the Award of Merit.

Mathis resides in Geneseo, Illinois, a suburb of the Quad Cities Metro region.

**PROJECT SUMMARY**

For this study, TDC will review the 2016 Sangamon County Economic Development report and strategy; create a checklist of items which were to be accomplished; and directly interview a select group of stakeholders who were either involved in interviews during the original report or who are integral to various aspects of current economic development efforts to learn what progress has been made and where efforts may have fallen short.

Concurrently, TDC will update economic and performance indicators and compare those to the same information gathered in 2016/2017.

**FEE FOR SERVICES STRUCTURE**

Under TDC's typical payment schedule, one half (\$10,000) is due within 20 days of contract execution from the contracting entity, with the balance (\$10,000) to be paid upon completion of the report.
