SANGAMON COUNTY MENTAL HEALTH BOARD
RESOLUTION NO. 2026-010

A RESOLUTION REGARDING AN INTERGOVERNMENTAL AGREEMENT BETWEEN THE COUNTY OF SANGAMON, ILLINOIS AND THE COMMUNITY MENTAL HEALTH BOARD OF SANGAMON COUNTY

This **INTERGOVERNMENTAL AGREEMENT** ("Agreement") is entered into by and between the **COUNTY OF SANGAMON, ILLINOIS** ("County"), a body politic and corporate of the State of Illinois, and the **COMMUNITY MENTAL HEALTH BOARD OF SANGAMON COUNTY** ("CMHB"), a community mental health board established pursuant to the Community Mental Health Act, 405 ILCS 20/0.1 *et seq.* (the "Act"). The County and CMHB are each referred to individually as a "Party" and collectively as the "Parties."

WHEREAS, the Parties desire to enter into this Agreement pursuant to authority granted by the Illinois Constitution of 1970, Article VII, Section 10, and the Intergovernmental Cooperation Act, 5 ILCS 220/1 *et seq.*;

WHEREAS, CMHB is a public agency vested with the powers and duties set forth in the Act, including the power to formulate and administer a program of community mental health services, to prepare and submit an annual budget, and to direct the use of proceeds of the Special Retailers' Occupation Tax for Mental Health (the "Tax") for purposes authorized by the Act; and

WHEREAS, the Parties anticipate that departments, offices, or other elements of County government may, from time to time, apply to CMHB for grants or other funding in accordance with CMHB's statutory powers, and any such application shall be evaluated by CMHB on the same basis as any other applicant for such grants or funding; and

WHEREAS, proceeds of the Tax are, by operation of the Act, to be collected by the Illinois Department of Revenue, remitted to the County, and held by the County in a special fund for disbursement for purposes authorized by the Act upon the order or approval of CMHB; and

WHEREAS, CMHB requires administrative, human resources, information technology, procurement, office space and furnishings, telephone and computer equipment, website creation and maintenance, posting of public meeting agendas, minutes, and related public information, and other operational support in order to carry out its statutory duties and Program of Work (as defined below); and

WHEREAS, the County has experience, infrastructure, and staff capacity to provide such administrative and operational support services, and currently provides similar services and staffing to other affiliated boards and agencies; and

WHEREAS, County may not be the exclusive source of goods or services available to CMHB, and CMHB may, in its discretion, contract with other individuals or entities for goods or services it determines necessary to carry out its Program of Work, subject to CMHB's compliance with applicable law; and

WHEREAS, the County and CMHB are each "public agencies" within the meaning of the Intergovernmental Cooperation Act, 5 ILCS 220/2, and are authorized under Article VII, Section 10 of the Illinois Constitution of 1970 and the Intergovernmental Cooperation Act to contract with one another for

the performance of governmental functions and the provision of services, and to exercise jointly, or by one in behalf of the other, any power, privilege, or authority which each might exercise separately; and

WHEREAS, CMHB, by vote of its members at a meeting held in accordance with the Open Meetings Act, 5 ILCS 120/1 *et seq.*, has authorized the execution of this Agreement by the undersigned; and

WHEREAS, the County by vote of its members at a meeting held in accordance with the Open Meetings Act, 5 ILCS 120/1 *et seq.*, has authorized the execution of this Agreement by the undersigned.

NOW, THEREFORE, in consideration of the promises, covenants, terms, and conditions set forth in this Agreement, the Parties agree as follows:

1. Duties And Responsibilities of County.

a. General. County shall provide general administrative support to CMHB.

b. Human Resources. County shall provide human resources services for CMHB Personnel, including recruitment assistance, payroll administration, benefits administration, and application of County personnel policies, in accordance with the terms and conditions of this Agreement.

c. Information Technology. County shall provide information technology services to CMHB, including hardware and software procurement, installation, and maintenance; network access and cybersecurity services; help desk support; and technical planning assistance for CMHB's future technology needs, on terms comparable to those the County provides to its own departments and other affiliated agencies.

d. Procurement. County shall assist CMHB with the procurement of goods and services in accordance with applicable County purchasing policies and applicable law.

e. Office Space and Furnishings. County shall provide CMHB and CMHB Personnel with office space and furnishings reasonably necessary to carry out the Program of Work.

f. Telephones and Computers. County shall provide telephone service, computers, and related equipment to CMHB Personnel.

g. Website. County shall create and maintain a website, or a dedicated portion of an existing County website, for CMHB.

h. Public Notices. County shall assist CMHB with the posting of public meeting notices, agendas, minutes, and related public information in accordance with applicable law.

i. Other Operational Support. County shall provide such other operational support as the Parties may mutually agree in writing from time to time.

j. Availability of Staff. County shall make appropriate County staff available to CMHB as reasonably necessary to fulfill the services provided hereunder by County to CMHB.

k. Financial Reports. County shall provide CMHB with financial reports reflecting the revenues, expenditures, and balance of the Fund not less than monthly. Upon CMHB's request, made not less than two (2) business days in advance of a CMHB meeting, a representative of the County Treasurer's office shall attend such meeting to present the financial reports required under this Section 1(k).

l. Compliance. County shall comply with the obligations of this Agreement.

2. Duties And Responsibilities of CMHB.

a. General. CMHB shall direct and be responsible for the community mental health programs, services, planning, and other activities that CMHB is authorized and directed to carry out under the Act and Chapter 2.42 of the Sangamon County Code, including, without limitation, needs assessment and community planning for mental health, developmental disability, and substance use services; the award and administration of grants and contracts for the prevention, treatment, and rehabilitation services described in the Act; and coordination with local, state, and federal agencies and service providers in furtherance of the foregoing; and for the substantive, programmatic decisions of CMHB, including the award of grants or contracts for mental health, developmental disability, and substance use services within its statutory authority ("Program of Work").

b. Non-Exclusivity of County Services; Procurement. County is not the exclusive source of goods or services available to CMHB. CMHB may, from time to time and in its discretion, contract directly with individuals or entities other than County for goods or services CMHB determines necessary to carry out its Program of Work. In connection with any such contract, CMHB shall comply with applicable law.

c. Personnel. CMHB shall submit its staffing needs and proposed staff compensation to County for County's review for compliance with County policies and procedures, sufficiently in advance of the County's annual budget process to permit inclusion of associated costs in that process.

d. Information Technology. CMHB and all employees hired to work under the direction of CMHB pursuant to this Agreement ("CMHB Personnel") shall comply with all County Information Systems Department policies, standards, and requirements applicable to County departments generally, including those governing acceptable use, data security, password and access management, software and hardware procurement and installation, use of County networks and email systems, and cybersecurity incident reporting. CMHB shall not install or authorize the installation of any hardware, software, or network-connected device, and shall not procure or contract for any information technology product or service, without the prior review and approval of County Information Systems, so as to ensure compatibility with County systems and compliance with County security requirements.

e. Annual Budget Process. CMHB shall participate in the County's annual budget process, in the manner and on the schedule generally applicable to County departments, solely with respect to the costs and expenditures associated with the administrative and operational support services provided under this Agreement, including the Annual Compensation Amount described in Section 5, for the purpose of ensuring that such costs are identified and accounted for. CMHB's participation in the County's annual budget process shall not extend to, and County shall have no role in reviewing or approving, any grant, contract, or other award issued or to be issued by CMHB in the exercise of its statutory powers and obligations under the Act. CMHB's proposed budget for the costs and expenditures described in this Section 2(e) shall be submitted to County for inclusion in the County's overall annual budget, subject to the County Board's authority over the County budget and CMHB's appropriation of the Fund consistent with the Act.

f. Compliance. CMHB shall comply with the obligations of this Agreement, and shall cooperate with County in County's provision of related administrative support.

3. Personnel.

a. Employment Status. The chief executive officer of CMHB, however titled from time to time, who is responsible for the day-to-day administration of CMHB's Program of Work (the "Executive Director") and all other CMHB Personnel shall be employees of the County. CMHB Personnel shall be entitled to the rights, protections, and benefits available to other County employees, including participation in the Illinois Municipal Retirement Fund ("IMRF"), vacation and other paid leave, health and other insurance benefits, and any other benefits generally available to County employees, and shall be subject to all County rules, policies, and procedures governing County employees, including those governing hiring, discipline, compensation, and termination, except as expressly modified in this Agreement. CMHB Personnel shall be paid in accordance with the County's pay schedules based on position classification.

b. Hiring, Discipline, and Termination - CMHB Personnel Other Than the Executive Director. CMHB shall be responsible for recruiting candidates for CMHB staff positions other than the Executive Director. All hiring, discipline, and termination of such CMHB Personnel shall require County approval, applying County personnel policy, but shall be based on the recommendation of the CMHB. CMHB must approve all such staff assignments made by County.

c. Supervision and Direction. CMHB Personnel shall perform the Program of Work under the direction of CMHB and the Executive Director. County retains responsibility for administering CMHB Personnel's compensation, benefits, and compliance with County personnel policy as the same may be amended from time to time. If CMHB is dissatisfied with the performance of CMHB Personnel, other than the Executive Director, CMHB shall communicate its concerns to the County Administrator, and County and CMHB shall work together toward a mutually agreeable resolution.

d. Hiring, Discipline, and Termination - CMHB Executive Director. Notwithstanding any other provision of this Agreement or County policy to the contrary, the Executive Director shall be subject to discipline, suspension, demotion, or termination only by action of CMHB, and not unilaterally by County, except as follows:

i. Emergency Action by County. The County Administrator (or designee) may immediately suspend the Executive Director, with or without pay in accordance with County policy applicable to suspensions pending investigation, upon a good-faith determination that the Executive Director has: (a) engaged in conduct that violates federal, state, or local law; (b) engaged in conduct that poses an immediate threat to the health, safety, or welfare of County or CMHB Personnel, or the public; or (c) engaged in conduct that exposes County to significant legal, financial, or reputational risk. County shall provide written notice of any such suspension to the President of CMHB (or, if the President is unavailable, the Vice President) within twenty-four (24) hours or as soon as reasonably practicable, together with a summary of the basis for the suspension. Within ten (10) business days after such notice, CMHB shall convene to determine whether to ratify, modify, or reverse the suspension and to take such further action, if any, including termination, as CMHB deems appropriate. A suspension by County under this provision shall not, by itself, constitute a termination of the Executive Director's employment.

4. Fund and Disbursements. As used herein, "Fund" means the special fund maintained by the County Treasurer into which proceeds of the Tax are deposited, to be used exclusively for purposes authorized by the Act, and which may be referred to in County financial records as the "Community Mental

Health Tax Fund" or other similar designation. Revenues generated by the Tax remitted to County by the Illinois Department of Revenue shall be deposited by the County Treasurer into the Fund and held separately from the County's general corporate funds, to be used exclusively for the purposes authorized by the Act. County shall disburse monies from the Fund only upon submission of a payment voucher approved by CMHB, in accordance with County's standard policies and procedures for processing and approving payments, consistent with the Act and other applicable law.

5. Compensation to County.

a. Annual Compensation Amount. In consideration of the administrative and operational support services described in this Agreement, CMHB shall pay to County, or shall direct payment from the Fund to County, an amount established annually through the budget process described in Section 2(e) (the "Annual Compensation Amount"). The Annual Compensation Amount for the period from December 1, 2026 through November 30, 2027 shall be $ 25,975 , and the Annual Compensation Amount for each subsequent fiscal year of the County (December 1 through November 30) shall be established through the budget process described in Section 2(e), finalized by mutual acceptance of the applicable amount in the final CMHB annual budget and the County's annual budget, and may be further modified by written agreement. The Annual Compensation Amount shall include, without duplication, the estimated cost of hardware, software, furnishings, office space usage, and other routine items budgeted to be provided by County on CMHB's behalf during that fiscal year. CMHB authorizes the County to automatically withdraw from the Fund one-twelfth (1/12) of the Annual Compensation Amount on a monthly basis. The cost of CMHB Personnel's salary and benefits is excluded from the Annual Compensation Amount and is addressed in Section 5(b) below.

b. CMHB Personnel Costs. Notwithstanding Section 5(a), the Annual Compensation Amount shall not include the cost of CMHB Personnel's salary and benefits. County is authorized to withdraw from the Fund, without invoice or further authorization from CMHB, the actual cost of CMHB Personnel's salary and benefits as and when such costs are incurred by County.

c. Unemployment Costs. County is authorized to withdraw from the Fund, without invoice or further authorization from CMHB, the actual cost of any unemployment insurance contributions, charges, or claims arising from the termination, resignation, or other separation of employment of any CMHB Personnel.

d. Additional Expenditures. To the extent CMHB requests that County procure or provide any good, service, hardware, software, or other item not contemplated by the Annual Compensation Amount for the applicable fiscal year, CMHB shall specify, at the time of such request, whether County shall: (i) pay the applicable vendor and withdraw the actual cost thereof directly from the Fund, or (ii) direct the applicable vendor to invoice CMHB directly for payment. Amounts withdrawn from the Fund, or invoiced to CMHB, pursuant to this Section are in addition to, and not a duplication of, the Annual Compensation Amount described in Section 5(a).

6. Annual Audit. CMHB, the Fund, and CMHB Personnel shall be included within the scope of the County's annual audit conducted in accordance with applicable law. CMHB shall participate in the audit process, including by providing the County's auditors with such books, records, and supporting documentation, and such responses to auditor inquiries, as may be reasonably requested to complete the audit in a timely manner, and shall cooperate in the resolution of any findings, management letter comments, or corrective actions applicable to CMHB or the Fund arising from such audit. CMHB may, at the time of the County's annual audit, request that the County's independent auditors perform a standalone audit of CMHB and the Fund in conjunction with the County's annual audit. Upon such request, County shall

arrange for such standalone audit to be conducted, and County is authorized to withdraw the cost of such standalone audit directly from the Fund.

7. Term And Termination.

a. Term. The term of this Agreement shall begin on October 13, 2026, and end on November 30, 2026, unless earlier terminated as provided herein, and may be renewed for additional periods by mutual written consent of the Parties.

b. Termination or Suspension for Convenience. Notwithstanding the foregoing, either Party in its sole may suspend or terminate this Agreement, upon ninety (90) days' written notice to the other Party.

c. Termination for Cause. Either Party may, by written notice of default to the other Party, terminate this Agreement for cause, including failure to perform any provision of this Agreement, and the breaching Party shall have an opportunity to cure such failure within thirty (30) days of notice, or such longer period as the non-breaching Party specifies.

d. Effect of Termination. Upon termination of this Agreement, the Parties shall cooperate in good faith to develop a transition plan addressing, at a minimum: (i) the status and reassignment or transfer of CMHB Personnel; (ii) the disposition of equipment, furnishings, and other property acquired for CMHB's use; (iii) the transfer of records, files, and the CMHB website and any associated domain name and content, to CMHB or its successor; and (iv) the disposition of any remaining balance in the Fund, consistent with the Act.

e. Contingent on Appropriation. This Agreement is contingent upon and subject to the availability of sufficient appropriated funds. Either Party may terminate or suspend this Agreement, without penalty or further payment obligation, if sufficient funds have not been appropriated or are not otherwise available, upon written notice to the other Party as soon as the affected Party becomes aware of such unavailability.

8. Indemnification; Liability; Insurance.

a. Allocation of Responsibility Between the Parties. CMHB Personnel, while employed by and administratively housed within County for purposes of payroll, benefits, and personnel administration, perform their day-to-day duties on the Program of Work under the programmatic direction and control of CMHB and the Executive Director. As between the Parties only, and not as to any third party, CMHB is responsible for the direction, supervision, and control of CMHB Personnel's performance of the Program of Work.

b. CMHB Indemnification of County. To the fullest extent permitted by law, CMHB shall indemnify, defend, and hold harmless County, its officials, and its employees (other than CMHB Personnel acting in that capacity) from and against any and all claims, demands, losses, liabilities, judgments, settlements, fines, penalties, and reasonable expenses, including reasonable attorneys' fees, arising out of or resulting from: (i) any act or omission of CMHB Personnel, including the Executive Director, that is outside the scope of that person's employment or authorized duties; (ii) any act or omission of CMHB Personnel in violation of federal, state, or local law, or that constitutes willful misconduct, fraud, or a criminal act; or (iii) any direction given by CMHB, its members, or the Executive Director to CMHB Personnel in furtherance of the Program of Work that itself violates law or exceeds CMHB's lawful authority; provided, that CMHB's indemnification obligation hereunder shall not extend to any claim

arising from County's own negligence or willful misconduct, County's failure to perform its administrative, payroll, benefits, or personnel-policy obligations under this Agreement, or a hiring, retention, or supervisory decision made unilaterally by County without CMHB's concurrence as provided for herein.

c. Limitations. Section 8 of this Agreement allocates risk and responsibility solely as between County and CMHB. It confers no rights on, and does not affect the rights or remedies of, any third party, including any person injured or damaged by the acts of CMHB Personnel. CMHB Personnel are County employees for purposes of the Illinois Pension Code, the Workers' Compensation Act, 820 ILCS 305/1 *et seq.*, and the Local Governmental and Governmental Employees Tort Immunity Act, 745 ILCS 10/1-101 *et seq.* ("Tort Immunity Act"), making the County the employer of record responsible, as a matter of law, for certain statutory obligations (including workers' compensation coverage). For clarity, this Section 8 reallocates the ultimate financial responsibility for such obligations as between the Parties to the extent permitted by law, but does not eliminate County's status as employer of record for purposes of such statutes. CMHB's indemnification obligations are limited to funds lawfully available to CMHB in the Fund and any insurance proceeds available to CMHB, and nothing in this Agreement shall be construed as a pledge of County's general corporate revenues to satisfy CMHB's indemnification obligation.

d. No Waiver. Nothing in this Agreement waives, or shall be construed to waive, any immunity, defense, or damages limitation available to County or CMHB under the Tort Immunity Act or other applicable law.

e. Insurance. County shall maintain, or self-insure, general liability, public officials' liability, workers' compensation, and cyber liability coverage applicable to CMHB Personnel and CMHB's operations on the same basis as for other County departments. CMHB shall cooperate with County Administrator and insurance carriers or self-insurance administrator in the investigation and defense of any claim arising out of this Agreement and conduct operation in accordance with the requirements of such policies. The cost of insurance coverage attributable to CMHB and CMHB Personnel shall be withdrawn directly from the Fund by County.

f. No Personal Liability. No member, official, employee, or agent of CMHB or County shall be individually or personally liable in connection with this Agreement. This Agreement shall not be construed to enlarge or diminish any obligation or duty owed by either Party with respect to third parties, or to increase the liability of either Party beyond that imposed by law.

9. Records; Public Access. County shall maintain records applicable to the services provided hereunder to the CMHB, subject to applicable retention schedules under the Local Records Act, 50 ILCS 205/1 *et seq.*, and shall make such records available to CMHB upon request. CMHB shall designate a Freedom of Information Act officer, or officers, responsible for responding to requests for CMHB records, and the County shall cooperate in timely responding to such requests in accordance with the Illinois Freedom of Information Act, 5 ILCS 140/1 *et seq.*

10. Dispute Resolution. In the event of a dispute between County and CMHB concerning this Agreement, each Party shall designate a representative who shall meet to resolve the dispute. If the designated representatives fail to resolve the dispute, the County Administrator and the Chairman of CMHB shall be responsible for promptly resolving the dispute in good faith and in a cooperative manner. If the dispute remains unresolved, either Party may pursue any remedy available at law or in equity.

11. Notice. Unless otherwise specified, any notice, demand, or request required hereunder shall be given in writing at the addresses set forth below, by any of the following means: (a) personal service during regular business hours; (b) electronic mail with confirmation of receipt; (c) overnight courier; or (d)

first class mail properly addressed with postage prepaid and deposited in the U.S. mail. Any notice, demand, or request served personally or electronically as aforesaid shall be effective upon receipt. Any notice, demand, or request served by overnight courier shall be deemed received on the business day immediately following deposit with the overnight courier. Any notice, demand, or request served by U.S. mail shall be deemed received two (2) business days following deposit in the mail. Notices shall be served at the following addresses, or at such other place as the Parties may from time to time designate in writing by notice given hereunder

12. Non-Discrimination. CMHB agrees to adhere to the provisions in the County's collective administrative rules relating to non-discrimination in any program or activity it conducts.

13. Compliance with Laws. The Parties shall at all times observe and comply with all applicable federal, state, and local laws, statutes, ordinances, rules, regulations, codes, and executive orders, now existing or hereinafter in effect, which may in any manner affect the performance of this Agreement

14. Certification. CMHB certifies that it is not barred from bidding on any contract offered for bid by the State of Illinois or any unit of local government as a result of a conviction for violating Sections 33E-3 or 33E-4 of the Illinois Criminal Code. CMHB certifies that it is not delinquent in the payment of any tax administered by the Illinois Department of Revenue. If CMHB has entered into an agreement with the Department of Revenue for the payment of any taxes that are past due and is in compliance with that Agreement, it shall so state.

15. Terms of Art; Recitals. Terms of art shall have the meaning so ascribed herein. The recitals set forth above are incorporated herein as though fully set forth herein.

16. No Third-Party Beneficiary. This Agreement is intended solely for the benefit of the Parties hereto, and it is not the intention of the Parties to confer third-party beneficiary rights upon employees, officers, directors or policyholders of any other person, firm, or corporation.

17. Assignment. Neither Party may assign this Agreement without the prior written consent of the other Party.

18. Entire Agreement; Construction. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes any prior agreements, negotiations, and discussions. This Agreement may not be modified or amended in any manner other than a writing signed by the Parties. No term of this Agreement may be waived or discharged orally or by any course of dealing, but only by an instrument in writing signed by the Parties. The Parties have participated jointly in the negotiation and drafting of this Agreement. In the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden

of proof shall arise favoring or disfavoring any Party by virtue of the authorship of any of the provisions of this Agreement. The headings contained in this Agreement are for convenience of reference only and are in no way intended to describe, interpret, define, or limit the scope, extent, or intent of this Agreement or any provision hereof.

19. Days. The term "day" shall mean a calendar day unless otherwise provided. The term "business day" means any day except any Saturday, any Sunday, any day which is a federal legal holiday in the United States or any day on which banking institutions in the State of Illinois are authorized or required by law or other governmental action to close. If any of the dates or time periods in this Agreement fall or end on a Saturday, Sunday, or United States bank holiday, then such date or time period shall be extended until the next business day other than a Saturday, Sunday, or United States bank holiday.

20. Further Assurances. Each Party hereto agrees: (a) to furnish upon request to each other Party such further information as reasonably requested; (b) to execute and deliver to each other Party such other documents reasonably requested; and (c) to do such other acts and things, as the other Party may reasonably request for the purposes of carrying out the intent and purposes of this Agreement.

21. Severability. If any term of this Agreement or any application thereof is held invalid or unenforceable, the remainder of this Agreement shall be construed as if such invalid part were never included herein, and this Agreement shall be and remain valid and enforceable to the fullest extent permitted by law.

22. Governing Law. This Agreement shall be governed by and construed in accordance with the laws of the State of Illinois, without regard to conflict of law principles. Each Party agrees to the original and exclusive jurisdiction of those courts located within the County of Sangamon, State of Illinois, with regard to any controversy arising out of, relating to, or in any way concerning the execution or performance of this Agreement.

23. Attorney Fees. In the event of any litigation between the Parties relative to this Agreement, the prevailing Party shall be entitled to recover reasonable attorneys' fees and expenses in addition to all legal and equitable remedies and damages.

24. Counterparts. This Agreement and any amendment hereto may be executed in any number of counterparts by each Party, each of which when so executed and delivered shall be an original, and all of which together shall constitute one document. This Agreement and any amendment hereto or other document executed pursuant to the authority granted hereby may be executed by facsimile, scanned Portable Document Format ("PDF"), DocuSign, or other electronically transmitted document, including the signatures thereon, shall be treated in all respects as an original instrument bearing an original signature.

RESOLUTION # 12

WHEREAS, Sangamon County, is desirous of constructing a new operations and administrative building for SMART; and,

WHEREAS, Sangamon County believes the overall size, scope, sequencing, logistics or other aspects of the Project make it particularly challenging to manage, and use of a PLA is expected to help assure that the construction work is performed properly and efficiently under the circumstances; and,

WHEREAS, the duration of construction activity on the Project is expected to exceed one construction season (i.e., 110 or more working days), or the nature of the Project results in a heightened need for labor force continuity and stability over a substantial period of time; and,

WHEREAS, the time required to complete the Project is expected to extend beyond the expiration date of one or more existing collective bargaining agreements covering trades likely to be involved in the Project, thereby increasing the likelihood of work stoppage(s) or other labor disruption(s) during construction of the Project; and,

WHEREAS, the absence of a PLA, there is an increased likelihood of jurisdictional disputes among unions or of conflict between unionized and non-unionized workers on the Project that could have a potentially material adverse effect on the time, cost, or quality of work performed on the Project.

NOW THEREFORE BE IT RESOLVED, by the County Board of Sangamon County at its **Regular Reconvened Adjourned September Session**, assembled this 10th day of November, A.D. 2026 that the Project Labor Agreement between The Central Illinois Building & Construction Trades Council and Sangamon County be approved.

ARTICLE I - PURPOSE

This Agreement is entered into this ____ day of _____, by and between the Sangamon County ("County"), its successors or assignees and the Springfield Building & Construction Trades Council acting on behalf of their respective affiliates and members whose names are subscribed hereto and who have, through their duly authorized officers, executed this Agreement, hereinafter collectively called the "Union or Unions," with respect to the construction of the Sangamon-Menard Area Rural Transit Operations Building in Springfield, Illinois, hereinafter referred to as "Project."

The term "Contractor" shall include all construction contractors and subcontractors of whatever tier engaged in onsite construction work within the scope of this Agreement, including the County when it performs construction work within the scope of this Agreement.

The Parties to this Project Labor Agreement acknowledge that the construction of the Sangamon-Menard Area Rural Transit Operations Building in Springfield, Illinois, is important to the development of Sangamon County and its long-term goal to meet the needs and safety of the citizens of Sangamon County. The Parties recognize the need for the timely completion of the Project without interruption or delay. This Agreement is intended to enhance this cooperative effort through the establishment of a framework for labor management cooperation and stability.

The Contractor(s) and the Unions agree that the timely construction of this Project will require substantial numbers of employees from construction and supporting crafts possessing skills and qualifications that are vital to its completion. They will work together to furnish skilled, efficient craft workers for the construction of the Project.

Further, the parties desire to mutually establish and stabilize wages, hours and working conditions for the craft workers on this construction project, and to encourage cooperation between the Contractor(s) and Unions to the end that a satisfactory, continuous and harmonious relationship will exist between the parties of this Agreement.

Therefore, in recognition of the special needs of this Project and to maintain a spirit of harmony, labor-management peace, and stability during the term of this Agreement, the parties agree to abide by the terms and conditions in this Agreement, and to establish effective and binding methods for the settlement of all misunderstandings, disputes or grievances which may arise. Further, the Contractor(s) and all contractors of whatever tier, agree not to engage in any lockout, and the Unions agree not to engage in any strike, slow-down, interruption or other disruption of or interference with the work covered by this Agreement.

ARTICLE II - SCOPE OF AGREEMENT

Section 1. This Project Labor Agreement shall apply and is limited to the recognized and accepted historical definition of any and all publicly bid work under the direction of and performed by the Contractor(s), of whatever tier, who have contracts awarded for such work on the Project. Such work shall include on site work and fabrication work offsite by the trade who will install that fabricated product. This excludes products or materials manufactured by an established manufacturer or fabricator for the project.

The Project is defined as the scope of work on site for the Sangamon-Menard Area Rural Transit Operations Building in Springfield, Illinois.

It is agreed that the County shall require all Contractors of whatever tier, who have been awarded contracts for publicly bid work covered by this Agreement, to accept and be bound by the terms and conditions of this Project Labor Agreement by executing the Letter of Assent (Attachment A) prior to commencing work. ***The County shall, in its bid documents, require compliance with this Agreement by the Contractors. It is further agreed that, where there is a conflict, County policy, state statutes and federal laws will take precedent followed then by the terms and conditions of this Project Labor Agreement which shall supersede and override terms and conditions of any and all other national, area, or local collective bargaining agreements.***

Section 2. Nothing contained herein shall be construed to prohibit, restrict, or interfere with the performance of any other operation, work, or function which may occur at the Project site or be associated with the development of the Project.

Section 3. This Agreement shall be binding only on the Local Union signatories, the County, and the Project's contractors and subcontractors who provide work on the Project, and, except for the third paragraph of Article II, Section 1 hereof, this Agreement shall not apply to their parents, affiliates, subsidiaries, owners or partners.

Section 4.The Contractors agree to be bound by the terms of the Collective Bargaining Agreements and amendments thereto of the affiliates of the Springfield Building and Construction Trades Council and the applicable employers association, if any. Such agreements are incorporated herein by reference. In order to comply with the requirements of the various fringe benefit funds to which the Contractor is to contribute, the Contractor shall sign such participation agreements as are necessary. Upon written notice from any fringe benefit fund, the County, and/or the General Contractor will withhold payment of delinquencies occurring on this project from the involved Contractor except as required by law.

Section 5. The County will follow state statute on the awarding of contracts to the lowest responsible bid for these projects without reference to the existence or nonexistence of any agreements between such bidder and any party to this Agreement, provided that such bidder, as a condition of such selection, accedes to become a party and to be bound to this Project Labor Agreement in the event of a successful bid. Nothing herein shall require said bidder to adhere to the terms of this Project Labor Agreement beyond the term, or mutually agreed upon extension(s), thereof. ***It is understood that where there is a conflict, County policy, state statutes and federal laws will take precedent followed then by the terms and conditions of this Project Labor Agreement which shall supersede and override terms and conditions of any and all other national, area, or local collective bargaining agreements.***

Section 6. Items specifically excluded from the scope of this Agreement include, but are not limited to, furnishing and/or delivery of materials, supplies or equipment, and installation of specialty systems, materials, equipment and product. Specialty work is work that a trade has not historically performed or established a precedent of skill and/or supplying employees to perform such work. The County and Contractors may make a determination in the consideration of warranty and exceptional items.

Section 7. Nothing contained herein shall be construed to prohibit or restrict the County and/or its employees from performing work not covered by this Project Labor Agreement on the Project

site. As areas and systems of the Project are inspected and construction tested by the Contractors and accepted by the County, the Project Labor Agreement will not have further force or effect on such items or areas, except when the Contractors are directed by the County to engage in repairs, modifications, check-out, and warranty functions required by its contract with the County during the term of this Agreement.

Section 8. It is understood that the County, at its sole option, may terminate, delay and/or suspend any or all portions of the Project at any time.

Section.9. It is understood that the liability of any employer and the liability of the separate unions under this Agreement shall be several and not joint. The unions agree that this Agreement does not have the effect of creating any joint employer status between or among the County, the Contractor(s) or any other employer.

Section 10. Authorized representative(s) of the Springfield building and Construction Trades Council and the applicable employers association, if any, and their affiliated unions, shall have access to the Project consistent with applicable Collective Bargaining Agreements, Sangamon County policies regarding visitors and safety.

ARTICLE III - UNION RECOGNITION

Section 1. The Contractors recognize the signatory Unions as the sole and exclusive bargaining representatives of all craft employees within their respective jurisdiction working on the Project within the scope of this Agreement. ***It is further agreed that, where there is a conflict, County policy, state statutes and federal laws will take precedent followed then by the terms and conditions of this Project Labor Agreement which shall supersede and override terms and conditions of any and all other national, area, or local collective bargaining agreements.***

Section 2. All employees covered by this Agreement who are members of the union on the effective date of this Agreement shall, as a condition of employment, maintain their membership in the Union during the term of this Agreement from and after the seventh (7^{th}) day following their employment or the effective date of this Agreement, whichever is later.

No request for discharge of any employee will be requested of any Employer pursuant to a union security clause as long as the employee timely offers to pay uniformly required dues and initiation fees.

Section 3. Authorized representatives of the union and their Local Union shall have access to the Project, provided they do not interfere with the work of the employees and, further provided, that such representatives fully comply with the visitor, safety and security rules established for the Project.

Section 4. Each Union, which is a party to this Agreement, or its applicable Local Union, shall have the right to designate a working journeyman as a Steward. Such designated Steward shall be a qualified worker performing the work of the craft and shall not exercise any supervisory functions. Each Steward shall be concerned with the employees of his or her own employer and not with the employees of any other employer. Stewards shall not be subject to layoff if qualified to perform the work and there is adequate work available for the craft.

ARTICLE IV - MANAGEMENT' S RIGHTS

Section 1. The County and Contractors of whatever tier retain full and exclusive authority for the management of their operations. Except as otherwise limited by the terms of this Agreement, County policy, and/or state/federal law, the Contractors shall direct their working forces at their prerogative, including, but not limited to, hiring, promotion, transfer, lay-off or discharge for just cause. No rules, customs, or practices shall be permitted or observed which limit or restrict production, or limit or restrict the working efforts of employees. The Contractors shall utilize the most efficient method or techniques of construction, tolls, or other labor saving devices. Unless specified in the Project, there shall be no limitations upon the choice of materials or design, nor shall there be any limit on production by workers or restrictions on the full use of tools or equipment. There shall be no restriction, other than may be required by safety regulations, on the number of employees assigned to any crew or to any service.

Section 2. The Project Contractor and Contractors of whatever tier retain full and exclusive authority for the management of their operations. Except as otherwise limited by the terms of this Agreement, County policy, and/or state/federal law, the Contractors shall direct their working forces at their prerogative, including, but not limited to hiring, promotion, transfer, lay-off or discharge for just cause. No rules, customs, or practices shall be permitted or observed which limit or restrict production, or limit or restrict the working efforts of employees. The Contractors shall utilize the most efficient method or techniques of construction, tools, or other labor saving devices. Unless specified in the Project, there shall be no limitations upon the choice of materials or design, nor shall there be any limit on production by workers or restrictions on the full use of tools or equipment. There shall be no restriction, other than may be required by safety regulations, on the number of employees assigned to any crew or to any service.

ARTICLE V - WORK STOPPAGES AND LOCKOUTS

Section 1. During the term of this Agreement, there shall be no strikes, picketing, work stoppages, slowdowns or other disruptive activity for any reason by the Union, its applicable Local Union or by any employee at any County site, and there shall be no lockout by the Contractor or the County. Failure of any Union, Local Union or employee to cross any picket line established at the Project site is a violation of this Article.

Section 2. The Union and its applicable Local Union shall not sanction, aid or abet, encourage or continue any work stoppage, strike, sympathy strike, picketing or other disruptive activity at the project site or any other site, and shall undertake all reasonable means to prevent or to terminate any such activity. No employee shall engage in activities which violate this Article. Any employee who participates in or encourages any activities which interfere with the normal operation of the Project shall be subject to disciplinary action, including discharge, and if justifiably discharged for the above reasons, shall not be eligible for rehire on the Project for a period of not less than ninety (90) days.

Section 3. Neither the Union nor its applicable Local Union shall be liable for acts of employees for whom it has no responsibility. The International Union General President or Presidents will immediately instruct, order and use the best efforts of his office to cause the Local Union or Unions to cease any violations of this Article. An International Union complying with this obligation shall not be liable for unauthorized acts of its Local Union. The principal officer or

officers of a Local Union will immediately instruct, order and use the best efforts of his/her office to cause the employees of the Local Union to cease any violations of this Article. A Local Union complying with this obligation shall not be liable for unauthorized acts of employees it represents. The failure of the Contractor to exercise its right in any instance shall not be deemed a waiver of its right in any other instance.

ARTICLE VI - DISPUTES AND GRIEVANCES

Section 1. This Agreement is intended to provide close cooperation between management and labor. Each of the Unions will assign a representative to this Project for the purpose of completing the construction of the Project economically, efficiently, continuously, and without interruptions, delays, sympathy strikes or work stoppages.

Section 2. The County, Unions, and the employees, collectively and individually, realize the importance to all parties to maintain continuous and uninterrupted performance of the work of the Project, and agree to resolve disputes in accordance with the grievance-arbitration provisions set forth in this Article.

Section 3. Any unresolved questions or disputes arising out of and during the term of this Project Labor Agreement (other than trade jurisdictional disputes) shall be considered a grievance and subject to resolution under the following procedures:

Step 1. If Local Unions have an established grievance procedure in their collective bargaining agreement, grievances shall be referred to the Local Union's grievance procedures for resolution. If no Local Union procedure exists, proceed to Step 2.

Step 2. a) When any employee subject to the provisions of the Agreement feels he or she is aggrieved by a violation of this Agreement, he or she, through his or her local union business representative or job steward, shall, within five (5) working days after having knowledge of the occurrence of the violation, give notice to the work-site representative of the involved Contractor stating the provision(s) alleged to have been violated. The business representative of the local union or the job steward and the work-site representative of the involved Contractor and the County shall meet and endeavor to adjust the matter within three (3) working days after timely notice has been given. The representative of the Contractor shall keep the meeting minutes and shall respond to the Union representative in writing (copying the Project Contractor) at the conclusion of the meeting but not later than twenty-four (24) hours thereafter. If they fail to resolve the matter within the prescribed period, the grieving party may, within forty-eight (48) hours thereafter, pursue Step 3 of the Grievance Procedure, provided the grievance is reduced to writing, setting forth the relevant information concerning the alleged grievance, including a short description thereof, the date on which the grievance occurred, and the provision(s) of the Agreement alleged to have been violated.

b) Should the Local Union(s) or the County or any Contractor have a dispute with the other party and, if after conferring, a settlement is not reached within three (3) working days, the dispute may be reduced to writing and proceed to

Step 3 in the same manner as outlined herein for the adjustment of an employee complaint.

c) Notify the County's Director of Operations and Maintenance within 48 hours if grievance has reached Step 2.

Step 3. The International Union Representative and the involved contractor shall meet within seven (7) working days of the referral of a dispute to this third step to arrive at a satisfactory settlement thereof. Meeting minutes shall be kept by the Contractor. If the parties fail to reach an agreement, the dispute may be appealed in writing in accordance with the provisions of Step 4 within seven (7) calendar days thereafter.

Step 4. a) If the grievance has been submitted but not adjusted under Step 3, either party may request in writing, within seven (7) calendar days thereafter, that the grievance be submitted to an Arbitrator mutually agreed upon by them. The Contractor and the involved Union shall attempt mutually to select an arbitrator, but if they are unable to do so, they shall request the American Arbitration Association to provide them with a list of arbitrators from which the Arbitrator shall be selected. The rules of the American Arbitration Association shall govern the conduct of the arbitration hearing.

The decision of the Arbitrator shall be final and binding on all parties. The fee and expenses of such Arbitration shall be borne equally by the Contractor and the involved Local Union(s).

b) Failure of the grieving party to adhere to the time limits established herein shall render the grievance null and void. The time limits established herein may be extended only by written consent of the parties involved at the particular step where the extension is agreed upon. The Arbitrator shall have the authority to make decisions only on issues presented to him or her, and he or she shall not have authority to change, amend, add to or detract from any of the provisions of this Agreement.

No action under this Section shall become a basis for a work stoppage under this Agreement.

ARTICLE VII - JURISDICTIONAL DISPUTES

Section 1. As used in this Agreement, the term "jurisdiction dispute" shall be defined as any dispute, difference or disagreement involving the assignment of particular work to one class or craft of employees rather than to any other employer, contractor, or organization on the site.

Section 2. The assignment of work will be solely the responsibility of the Contractor performing the work involved; and such work assignments will be in accordance with traditionally recognized craft trade jurisdiction and the Plan for the Settlement of Jurisdictional Disputes in the Construction Industry (the "Plan") or any successor Plan.

a) All jurisdictional disputes on this Project, between or among Building and Construction Trades Unions and employers, parties to this Agreement, shall be settled and adjusted according to the present Plan established by the Building and Construction Trades Department. Decisions rendered shall be final, binding and conclusive on the Contractors and Unions parties to this Agreement.

Section 3. The signatory parties to this Agreement agree that jurisdictional disputes cannot and shall not interfere with the efficient and continuous operations required for the successful application of this Agreement. All jurisdictional disputes shall be resolved without occurrence of any strike, sympathy strike, work stoppage, or slow-down of any nature, and the Contractor's assignment shall be adhered to until the dispute is resolved. Individuals violating this section shall be subject to immediate discharge.

Section 4. Equipment or material delivered to the job site will be unloaded promptly without regard to jurisdictional disputes which will be handled as per the provisions of this Agreement. The Contractor will supply the union with delivery schedules, allowing as much time as possible to verify the appropriate crafts will be available to unload the materials or equipment.

Section 5. Each Contractor will conduct a pre-job conference with the appropriate Building and Construction Trades Council prior to commencing work. The County will be advised in advance of all such conferences and may participate if they wish.

ARTICLE VIII - SUBCONTRACTING

The County agrees that neither it nor any of its contractors or subcontractors will subcontract any work to be done on the Project except to a person, firm or corporation who is or agrees to become party to this Agreement. Any contractor or subcontractor working on the Project shall, as a condition to working on said Project, become signatory to and perform all work under the terms of this Agreement. **Attachment A requires a signature before work may commence.** Excluding specialty type contractors or subcontractors and those described in Article II Section 6.

ARTICLE IX - APPRENTICES/TRAINEES/HELPERS/SUBJOURNEYMEN

ARTICLE XII - WORK RULES

Section 1. The Project contractor may establish reasonable project rules, as it deems appropriate. These project rules shall be discussed with the Union in advance of implementation at the pre-job or Labor/Management meeting.

Section 3. In order to protect the safety and health of employees, all parties agree to comply with the applicable provisions of state and federal laws and regulations relating to job safety, health and safe work practices.

The parties recognize the employer's right to adopt and implement a drug and alcohol policy subject to all

applicable laws and regulations, procedural safeguards, scientific principles, and legitimate interest of privacy and confidentiality. However, the Union reserves the right to negotiate regarding the terms of the employer's policy before the policy is implemented by the Employer. When drug and alcohol testing is performed, all testing shall be conducted in accordance with the procedures outlines in the Union's applicable local Agreement.

Section 5. It shall be the exclusive responsibility of each Contractor to assure conditions for its employees and compliance by them with any safety rules established for the Project. A special meeting may be called at any time, by either the Contractors or Labor whenever an issue(s) of significant importance arises.

WHEREAS, almost every order of takeout food comes with single-use plastics and each fork, knife, spoon, straw and condiment packet--whether the customer wanted or not or used it—ends up in the trash; and

WHEREAS, 139 million metric tons of single-use plastic waste was generated in 2021, up from 6 million tons in 2019; and

WHEREAS, orders for take-out food have grown astronomically since the pandemic, with an estimated 60 percent of Americans now ordering takeout or delivery at least once a week and online ordering is growing 300 percent faster than in-house dining; and

WHEREAS, 40 million plastic utensils are sent to the landfill each year; and

WHEREAS, plastic cutlery is rarely recycled and takes 200 to 1,000 years to break down in standard landfills; and

WHEREAS; many customers take their take-out food home or to the office, where they use their own utensils; and discard the plastic cutlery unused; and

WHEREAS; the National Reuse Network, part of the environmental nonprofit, Upstream, launched a ***Skip The Stuff*** campaign to enact policies that require food establishments to include single-use plastic utensils, straws, condiments and napkins only when customers request them; and

WHEREAS; such legislation has been enacted in several cities, including Denver, Washington, D.C. and Chicago, and in Washington State and California; and

WHEREAS, such legislation also saves money for food establishments by cutting down the amount of plasticware and other unwanted items they must purchase; and

WHEREAS; the citizens of Sangamon County wish to protect our environment and reduce the amount of unnecessary waste going into the landfill;

CONSENT ORDER

This matter coming before the Court on Plaintiffs' and Defendant's joint request for entry of a consent order, all parties having notice and the Court being fully advised in the premises, IT IS HEREBY ORDERED:

FINDINGS OF FACT

1. Plaintiffs Whisper Walk Dr, LLC (the "Developer") and Standard Investment Co. ("Standard Investment," and together with Developer, "Plaintiffs") filed a Complaint in this action seeking to compel Defendant County of Sangamon, Illinois ("Sangamon County," and together with Plaintiffs, the "Parties") to (a) approve Plaintiff's Siting Approval Permit Application for a Siting Approval Permit ("Application," attached as Exhibit C to the Complaint) and (b) issue a Siting Approval Permit ("Permit") to Plaintiffs for the construction and operation of the commercial solar energy facility described in the Application.

3. On March 13, 2026, Developer submitted its Application. Developer proposes to construct and operate a ground-installed commercial solar energy facility with a nameplate generating capacity of up to approximately 1.5 megawatts-alternating current (the "Project") on a portion of property located in unincorporated Sangamon County and identified by Parcel ID 21-03.0-100-007, as more fully described in the Application.

4. Sangamon County Regional Planning Commission Staff reviewed the Application and recommended approval, finding that the proposed Project complies with the County's applicable commercial solar energy facility siting regulations.

6. On June 9, 2026, the Sangamon County Board considered the Application and voted to deny granting the Permit.

7. The Court finds, and the Parties agree, that the Application and the Project as presented to the ZBA comply with the applicable requirements of 55 ILCS 5/5-12020 and the Solar Siting Ordinance, and that approval of the Application is appropriate.

8. The entry of a Consent Order in supported by the County's findings of the Planning Commission Staff and ZBA that the Project complies with the Solar Siting Ordinance and other applicable laws and planning criteria.

9. The Parties do not object to entry of this Consent Order, subject to the mutually agreed provisions set forth in the Court's Order below.

10. On November 10, 2026, in anticipation of this Consent Order being entered, the County approved the Resolution attached as Exhibit A to this Consent Order.

ORDER

In light of the above, and based on agreement of the Parties, IT IS HEREBY ORDERED that:

11. Plaintiffs' request for relief in Count I of the Complaint is GRANTED only to the extent that Sangamon County is ORDERED to adopt the resolution attached as Exhibit A to this Order, authorizing execution of this Consent Order, approving the Application, and granting a Siting Approval Permit to Developer for construction and operation of the Project. The Court finds that the County has approved the resolution attached as Exhibit A to this Order on November 10, 2026 and thus the County has complied with the relief ordered in this Consent Order.

12. All other requests for relief are DENIED as moot and are further DISMISSED without prejudice.
