**PROFESSIONAL SERVICES PRE-DEVELOPMENT AGREEMENT
CONVENTION CENTER HEADQUARTERS HOTEL AND BOS CENTER EXPANSION
Sangamon County**

This Professional Services Pre-Development Agreement (“Agreement”) dated as of April 7, 2026 (“Effective Date”), is entered into by and between Sangamon County, Illinois, a body corporate and politic organized pursuant to the Illinois Counties Code (“County”) and Garfield Public/Private Illinois LLC, an Illinois limited liability company (“GPP”), in connection with the planning, design, financing, and construction of a hotel, meeting space, and the potential added scope of the expansion to the BOS Center, to serve the citizens, businesses and visitors of the County. Each of County and GPP may be referred to in this Agreement as a “Party” or collectively as “Parties”.

WHEREAS, the County is considering the planning, design, financing, construction, commissioning, and operation of a nationally branded Upper-Upscale 300-key hotel, meeting space and the potential added scope of the expansion to the BOS Center on a site in Springfield, Illinois, to be approved and selected by the County (the “Project”);

WHEREAS, the County desires that GPP develop a strategic business plan that will include (i) a refreshed hotel market study, parking study and financial plan detailing the building program, conceptual design, estimated development cost, development schedule, and operating pro forma; (ii) recommended brand(s)/flag(s), operator(s), and operating structure(s); (iii) funding, financing, and ownership alternatives for the Project; and (iv) such other services incidental to the foregoing as the Parties may reasonably approve;

WHEREAS, GPP has agreed to perform such services, as more specifically detailed in this Agreement, and is duly qualified and experienced to perform such services subject to the disclosures contained in Exhibit A, attached hereto and incorporated herein;

AGREEMENT:

NOW, THEREFORE, in consideration of the mutual promises set forth in this Agreement, and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereto agree as follows:

Section 1. Pre-Development Scope of Services and Schedule.

(a) The “Pre-Development Period” is the time from the Effective Date to delivery of the Final Report described in Section 1(j). The County will provide to GPP any currently existing survey, studies, documents and agreements, plans and specifications and other documents pertaining to the Project, within 30 days of the Effective Date.

(b) During the Pre-Development Period, the Parties will negotiate in good faith a Professional Services Agreement ("PSA") on terms and conditions mutually acceptable to the Parties pursuant to which GPP would develop the Project, if, and as approved by the County.

(c) GPP will retain a parking study firm to analyze the parking demands and potential revenues of the parking facilities as well as re-engage the hotel market study firm to update the analysis of the competitive set of lodging properties and an estimated profit and loss statement for the Project for its first 10 years of operations including underlying assumptions of occupancy, average daily rates, operating revenue, operating expenses, and net operating income ("Preliminary Project Operating Pro Forma"). The refreshed market study will focus the recommendations for hotel brand(s)/flag(s) and operator(s) for the Project. The refreshed market study will also include any updates to the preliminary Project program recommendations, to include key count, mix of guestrooms and suites, amount and configuration of ballroom and meeting space with other facilities and amenities. These updated program recommendations will inform the Conceptual Design described in Section 1(d) below.

(d) GPP, with the advanced written consent of the County, will engage the services of an architect acceptable to the County ("Architect") to prepare a conceptual design package (coordinating with the conceptual masterplan of the hotel/convention district area) to include a building program, site plan, floor plans, elevations, section drawings, renderings, with architectural and engineering narratives for the Project ("Conceptual Design"). GPP will contractually obligate Architect to indemnify the County and GPP, as joint indemnitees, consistent with the laws of the State of Illinois, and to maintain insurance (including errors and omissions coverage) for the benefit of the County and GPP as additional insureds, in each case in form and substance not less than is customary for a County-operated design project with a similar scope.

The Conceptual Design will include the current key count and mix of guestrooms and suites, amount and configuration of ballroom and meeting space, pre-function area, back-of-house requirements, food and beverage outlets, parking, and other recommended amenities, which may include a swimming pool and pool deck, fitness center, and business center, among other facilities and amenities.

(e) GPP, with the advanced written consent of the County, will engage a general contractor or cost consultant acceptable to the County ("Contractor"), to aid in the preparation of a preliminary estimate of the total construction costs for the Project based on the Conceptual Design, in sufficient detail to show construction costs, FF&E, OS&E, IT, soft costs and professional fees ("Summary Development Budget"). GPP will also produce a Project development and construction schedule from completion of the pre-development assessment period through Project opening ("Preliminary Project Schedule") with input as appropriate from the County, GPP and other consultants. The form of construction contract will provide protections to the County that are not substantially less than the protections in the comparable documents typically used by the County for similar projects in terms of size, scope, and cost.

(f) If deemed necessary, at additional cost approved in advance by the County, GPP will engage third-party consultants, acceptable to the County, to provide a geotechnical report, an environmental report, and if appropriate, other civil engineering services, as approved by the County.

(g) As appropriate, GPP will use its in-house legal counsel to assist in the drafting, review, and negotiating of applicable agreements and documents. Any such fees to be charged by GPP for such services shall be approved in advance by the County.

(h) If deemed necessary, at additional cost approved in advance by the County, GPP will coordinate marketing and public relations services relating to the Project, if any.

(i) GPP will prepare public/private financing alternatives, working along with the County and their advisors, for the Project identifying anticipated sources of debt and equity and the anticipated amount and structure of County participation to complete the Project capitalization ("Preliminary Capital Plan of Finance"). GPP will also coordinate a valuation study of potential naming rights sponsorships and philanthropic donor contributions.

(j) GPP will use its good faith best efforts to deliver its final report on the Project ("Final Report") to the County within one hundred and eighty (180) days from the Effective Date. The Final Report will consist of the Conceptual Design, the Summary Development Budget, the Preliminary Project Schedule, the Preliminary Project Operating Pro Forma, and the Preliminary Capital Plan of Finance. Notwithstanding anything to the contrary in this Section 1(j), in the event that the Final Report has not been delivered to the County within three hundred thirty (330) days from the Effective Date, the County will have the right to terminate this Agreement and GPP will provide to the County all information it has developed to date in support of the Final Report.

(k) GPP will update the County on the status of its efforts relating to the Project on a monthly basis or more often upon request of the County. Meetings may be held by conference call or in person.

(l) Any and all concept drawings shared by and amongst the Parties prior to or contemporaneously with execution of this Agreement (collectively, the "Concept Drawings") are preliminary and illustrative in nature only. The Concept Drawings are intended solely to depict general ideas and potential configurations for the Project and shall not be interpreted as final designs, approved plans, commitments, or binding representations regarding the scope, layout, scale, components, program elements, or other particulars of the Project. The County expressly reserves the right, in its sole discretion, to revise, rearrange, reconfigure, expand, reduce, or otherwise modify any aspect of the Project or its program elements, notwithstanding the content of the Concept Drawings. GPP acknowledges and agrees that the County's exercise of this right shall not constitute a breach of this Agreement and shall not entitle GPP to any additional compensation, claim, or remedy.

Section 2. Development of the Project.

(a) Upon delivery of the Final Report, the Parties will endeavor to conclude the negotiations of the PSA.

(b) If within 330 days after the Effective Date, the Parties are unable to negotiate a satisfactory PSA, then on the 331st day after the Effective Date, this Agreement will automatically terminate and be of no further force and effect, and the County may formally end all negotiations with GPP.

(c) Prior to the execution of the PSA, the relationship between GPP and the County will be governed solely by the terms of this Agreement.

(d) The Parties acknowledge and agree that this Agreement is solely a pre-development agreement, limited to the provision of the services described herein. Nothing in this Agreement, nor in the performance of the services herein, shall obligate the County to enter into a PSA, incentive agreement, financing agreement, land transfer, construction contract, or any other binding commitment related to the Project. GPP further acknowledges and agrees that, as of the Effective Date of this Agreement: (i) no economic development incentives, tax incentives, abatements, reimbursements, or other financial benefits have been reviewed, approved, or committed by the County; (ii) no land conveyance, option, lease, easement, or property interest of any kind has been approved or committed by the County; and (iii) no funding, appropriation, bond issuance, or other financial commitment has been approved or authorized by the County. Any and all future actions or approvals related to the Project, including, without limitation, approval of any PSA, development agreement, incentives, land transfer, funding commitment, zoning action, or other governmental approval, shall remain wholly subject to: (i) formal action by the County Board; (ii) all required public hearings, notices, and comment periods; and (iii) all applicable statutory, regulatory, and procedural requirements under federal, State of Illinois, and local law. The County retains full discretion to approve, conditionally approve, or deny any such future actions. Nothing in this Agreement shall be construed as a promise, representation, or guarantee that any such future approvals will be granted.

Section 3. Fees and Costs.

(a) GPP will be paid a fee for its services under this Agreement as set forth in Exhibit B attached hereto and made a part hereof. Under no circumstance shall the total of all fees paid to GPP and all Consultant Costs exceed \$400,000.00 as indicated in Exhibit B. The fee will be paid monthly in accordance with the County's normal contract payment procedures.

(b) The County acknowledges that GPP will incur costs, as approved by the County, in connection with the services of GPP and the pre-development service providers as listed in Exhibit B ("Consultant Costs"). The County will pay such Consultant Costs in accordance with the County's normal contract payment procedures. In the event the Final Report were to be delivered prior to the end of the first six months of the Agreement, the unpaid balance of the GPP services fee will become due and payable upon delivery of the Final Report.

(c) The County will have the right to access and receive copies of any documents supporting the services provided by GPP, Architect, Contractor, and third-party consultants pursuant to this Agreement at no additional cost or expense to the County. GPP will retain for review by the County, for a period of twenty-four (24) months following the termination of this Agreement, the financial records and reports regarding the work performed by GPP and the Architect, Contractor, and third-party consultants under this Agreement. All the aforesaid costs and fees will be included in the final budget for the Project, subject to approval by the County.

(d) In addition to the costs and fee billings described in Section 3(a) and 3(b) above, GPP will invoice County monthly at cost for all reimbursable expenses GPP incurs in connection with its services, including third-party reproduction, data purchase, delivery services, and travel (if any) outside of the DFW Metroplex ("Expenses"), such Expenses to be supported by appropriate documentation. Travel expenses, if any, other than the monthly trips to Springfield will be subject to advance written approval of the County.

Section 4. Term, Termination.

(a) This Agreement will be effective as of the Effective Date and expire upon the earlier of the execution of the PSA or 330 days from the Effective Date. This Agreement may be terminated by the County without cause, provided that GPP is given not less than fifteen (15) calendar days' written notice of intent to terminate. In the event of a termination under this Section 4(a) by the County, the County will pay GPP fee compensation owed, if any, through the end of the month in which termination occurs plus the following month of GPP Fees, the current Consultant Costs and Expenses incurred, but not yet paid, through the date of such termination. Notwithstanding the foregoing, if the County terminates this Agreement due to the failure of the General Assembly to enact legislation necessary for the completion of the Project, the County shall not be obligated to pay the following month of GPP Fees.

(b) The County may temporarily suspend this Agreement, at no additional cost to the County, provided that GPP is given advance written notice of such temporary suspension. If the County gives such notice of temporary suspension, GPP will immediately suspend its activities under this Agreement. Compensation owed by County to GPP will be based upon the actual service time expended by GPP, plus Consultant Costs and Expenses incurred, but not yet paid, through the date the work is temporarily suspended.

(c) Notwithstanding any provisions of this Agreement to the contrary, GPP will not be relieved of liability to the County for damages sustained by the County by virtue of any breach of this Agreement by GPP, and the County may withhold any payments due to GPP until such time as the exact amount of damages, if any, due the County from GPP is determined.

(d) In the event of termination, GPP will be compensated as provided for in this Agreement. Upon termination, the County will be entitled to all work product and all other such

materials as may have been prepared or accumulated by GPP in performing this Agreement, which are not GPP's privileged information, performed up to the date of termination.

Section 5. Amendments, Changes, or Modifications.

Amendments, changes or modifications in the terms of this Agreement may be made at any time but only by mutual written agreement between the Parties and will be signed by individuals authorized to bind the Parties.

Section 6. Extensions of Time.

GPP may, for good cause, request extensions of time to perform the services required under this Agreement. Such extensions are subject to advance authorization by the County in its sole discretion in writing and will be incorporated in written amendments to this Agreement, in the manner provided in Section 5.

Section 7. Property of the County.

It is agreed that the Parties intend this to be an Agreement for services and each considers the products and results of the services included in the work to be rendered by GPP under this Agreement to be a work made for hire. It is further mutually agreed that such products and results will become the property of the County only upon full payment to GPP for services as provided in this Agreement. Immediately upon termination and receipt of all amounts due and payable, the County will be entitled to, and the GPP will deliver to the County, the work product and all other such materials as may have been prepared or accumulated to date by GPP in performing this Agreement, which are not GPP's privileged information, as defined by law, along with any other property belonging exclusively to the County which may be in GPP's possession.

Section 8. Compliance with Public Information Laws.

GPP acknowledges that the County is a governmental entity subject to the Illinois Freedom of Information Act, and other applicable Law.

Section 9. Warranties and Responsibilities - GPP.

(a) GPP agrees and represents that it is qualified to provide the services set forth herein in a manner which is consistent with the generally accepted standards of GPP's profession.

(b) GPP agrees and represents that the work performed under this Agreement will be in accordance with applicable federal, state and local law in accordance with Section 14(a) of this Agreement.

(c) GPP will designate a project manager who at all times will represent GPP before the County on all matters relating to this Agreement. The project manager will continue in such

capacity unless and until he or she is removed at the request of the County, is no longer employed by GPP, or is replaced with the written approval of the County, which approval will not be unreasonably withheld.

(d) Any exclusivity, none hereby being implied, granted to GPP under this Agreement shall be strictly limited to the performance of the services expressly described herein. Exclusivity shall not apply to any activities, negotiations, planning efforts, procurement processes, or due-diligence activities of the County that fall outside the scope of the services to be performed by GPP hereunder. The County shall remain free at all times to undertake or commission parallel evaluations, planning studies, financial analyses, or other assessments related to the Project. The County expressly reserves the right, in its sole discretion, to (i) explore, solicit, or evaluate alternative development concepts, delivery methods, or potential development partners for the Project; and (ii) commission independent third-party reviews, audits, or assessments of any deliverables, cost estimates, feasibility analyses, financial models, or other materials prepared or provided by GPP and all Contractors, Architects, and Consultants engaged by GPP pursuant to this Agreement. GPP acknowledges and agrees that the County's exercise of the rights set forth in this Section shall not constitute a breach of this Agreement, shall not give rise to any claim for damages or additional compensation by GPP, and shall not limit or impair any other rights or remedies available to the County under this Agreement or at law. Notwithstanding the foregoing, and subject to Section 7 above, to the extent allowable by law, all work product prepared by GPP or Developer Parties (as defined below) shall remain confidential and property of GPP until full payment for work performed has been received.

(e) GPP represents and warrants that all reports, studies, documents, drawings, models, concepts, designs, data, analyses, specifications, software, and other materials of any kind ("Pre-Development Materials") prepared for, delivered to, or otherwise provided to the County by GPP or any of its Contractors, Architects, or other Consultants engaged pursuant to this Agreement shall not infringe upon or violate any patent, copyright, trademark, trade secret, or other intellectual property right of any third party. GPP shall, at its sole cost and expense, defend, indemnify, and hold harmless the County, its officers, employees, agents, and representatives from and against any and all claims, demands, suits, liabilities, damages, judgments, settlements, costs, and expenses (including reasonable attorneys' fees and expert fees) arising out of or related to any allegation that any Pre-Development Materials prepared by or on behalf of GPP or any of its Contractors, Architects, or other Consultants engaged pursuant to this Agreement infringe or violate any intellectual property right of any third party. If any Pre-Development Materials are alleged or found to infringe upon any such rights, GPP shall, at its sole expense and without delay, (i) secure for the County the right to continue using the Pre-Development Materials; (ii) replace or modify the Pre-Development Materials with non-infringing materials acceptable to the County; or (iii) provide the County with a refund of all amounts paid for such Pre-Development Materials, without limiting GPP's indemnification obligations hereunder. The obligations in this Section shall survive the expiration or termination of this Agreement and shall not be limited by any other provision of this Agreement.

(f) GPP represents, warrants, and covenants that neither it nor any of its members, managers, officers, directors, employees, agents, Contractors, Architects, engineers, Consultants, or subconsultants (collectively, "Developer Parties") has any financial, ownership, contractual, or personal interest that would constitute a conflict of interest under applicable law or under the County's conflict of interest, ethics, procurement, or lobbying ordinances (collectively, the "County Ethics Rules"). GPP shall promptly disclose to the County, in writing, any actual, potential, or perceived conflict of interest that arises at any time during the term of this Agreement. GPP further represents and warrants that GPP Parties: (i) have not provided, offered, or arranged for any illegal or improper gift, payment, gratuity, or thing of value to the County or to any current or former County officer, official, director, member, employee, agent, representative, or their respective relatives or affiliated business entities; (ii) have not retained, and will not retain, any person or entity to solicit or secure this Agreement upon an agreement or understanding for a commission, percentage, brokerage fee, or contingent fee of any kind; and (iii) have not knowingly breached, and will not knowingly breach or cause any person to breach, any ethical standards set forth in the County Ethics Rules. GPP also represents and warrants that neither it nor any Developer Party is currently representing, advising, consulting for, or otherwise acting on behalf of any person or entity whose interests are or may become adverse to the County in connection with the Project, the Pre-Development Services, or any matter reasonably related thereto. GPP shall ensure that no Developer Party undertakes such representation or engagement during the term of this Agreement. GPP shall cause all Developer Parties to comply fully with the County Ethics Rules, and shall take all steps necessary to prevent conflicts of interest from arising in the performance of this Agreement. Any violation of this Section shall constitute a material breach of this Agreement and shall entitle the County to exercise any and all remedies available at law or in equity, including immediate termination of this Agreement. The foregoing obligations shall survive the expiration or termination of this Agreement.

Section 10. Assignability.

GPP will not assign or transfer any interest in this Agreement whether by assignment or novation, without the prior written consent of the County. The County may assign this Agreement, in whole or in part, without restriction, and upon any such assignment the County shall be fully and irrevocably released from all obligations and liabilities arising under this Agreement, whether accrued or future.

Section 11. Liability.

GPP will be responsible for performing the services under this Agreement in a manner consistent with the generally accepted standards of GPP's profession and will be liable for its own negligence and the negligent acts of its employees, agents, contractors and subcontractors. The County will not be charged with the responsibility of preventing risk to GPP or its employees, agents, contractors, or subcontractors. Approval by the County of any service performed or product supplied by GPP hereunder shall not in any way relieve GPP of responsibility for any technical accuracy or quality of GPP's work. The County's review, approval, acceptance of, or

payment for any of GPP's goods or services shall not be construed to operate as a waiver of any of County's rights under this Agreement or of any cause of action by County against GPP arising from or related to GPP's performance or lack of performance under this Agreement.

Section 12. Indemnification of the County.

GPP SHALL INDEMNIFY, SAVE, AND HOLD HARMLESS COUNTY, ITS OFFICIALS, OFFICERS, AGENTS, EMPLOYEES, BOARDS AND COMMISSIONS WITH RESPECT TO ANY CLAIMS OR DEMANDS, ACTIONS, DAMAGES, COSTS AND EXPENSES, INCLUDING, WITHOUT LIMITATION, ATTORNEY'S FEES AND COSTS OF LITIGATION, ARISING FROM THE DEATH OR INJURY OF ANY PERSON WHOMSOEVER, RESULTING DIRECTLY OR INDIRECTLY FROM ANY INTENTIONAL, NEGLIGENT OR GROSSLY NEGLIGENT ACT, ERROR OR OMISSION OF GPP, ITS AGENTS, SERVANTS, EMPLOYEES OR OTHER PERSONS ACTING ON GPP'S BEHALF AND ARISING FROM OR RELATED TO GPP'S PERFORMANCE UNDER THIS AGREEMENT.

Section 13. Insurance.

GPP will at all times maintain or cause to be maintained such insurance as will protect GPP from any of the risks of liability imposed on it by this Agreement. GPP shall maintain, and shall cause all Contractors, Architects, and Consultants engaged by GPP to maintain, insurance customary for professional services of this nature, including at minimum: (i) Commercial General Liability with limits not less than \$1,000,000 per occurrence; (ii) Automobile Liability with limits not less than \$1,000,000 combined single limit; (iii) Workers' Compensation as required by Illinois law; and (iv) Professional Liability (Errors & Omissions) with limits not less than \$1,000,000 per claim. The County shall be named as an additional insured on all liability policies other than professional liability. All policies shall be primary and non-contributory with any coverage maintained by the County. Certificates of insurance evidencing compliance with this Section shall be provided to the County upon request.

Section 14. Additional Provisions.

(a) GPP will keep itself, and all Contractors, Architects, and Consultants engaged by GPP pursuant to this Agreement, fully informed of, will observe and comply with, and will cause any and all persons, firms or corporations employed by it or under its control to observe and comply with, applicable federal, state, County and municipal laws, ordinances, regulations, orders and decrees which in any manner affect those engaged or employed on the work described by this Agreement or the materials used or which in any way affect the conduct of the work. GPP shall promptly notify the County in writing upon becoming aware of any actual or potential violation of any applicable law related to the Project or the services provided hereunder by GPP and all Contractors, Architects, and Consultants engaged by GPP pursuant to this Agreement.

(b) GPP will not engage in unlawful employment discrimination. Such unlawful employment discrimination includes, but is not limited to, employment discrimination based

upon a person's race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status, gender, citizenship, or sexual orientation.

(c) GPP represents and warrants that neither it nor any of its members, managers, employees or officers has: (1) provided an illegal gift or payoff to the County or any current or former officer, official, director, member, agent, representative or employee of the County, or his or her relative or business entity; or (2) retained any person to solicit or secure this contract upon an agreement or understanding for a commission, percentage, brokerage or contingent fee; (3) knowingly breached any of the ethical standards set forth in the County's conflict of interest ordinance; or (4) knowingly influenced, and hereby promises that it will not knowingly influence, an County officer, official, director, member, agent, representative or employee or any former County officer, official, director, member, agent, representative or employee to breach any of the ethical standards set forth in the County's conflict of interest ordinance.

(d) This Agreement constitutes the entire agreement between the Parties relative to the services specified in this Agreement and no modification of this Agreement will be effective unless and until such modification is evidenced by a writing signed by both Parties to this Agreement. There are no understandings, agreements, conditions, representations, warranties or promises, with respect to this Agreement, except those contained in or referred to in this Agreement.

(e) All notices that are required to be given by one Party to the other under this Agreement will be in writing and will be deemed to have been given if delivered personally or enclosed in a properly addressed envelope and deposited in a United States Post Office for delivery by registered or certified mail addressed to the Parties at the following addresses:

(f) Amendment and Waiver. A provision of this Agreement may be amended or waived if such amendment or waiver is in writing and is approved by GPP and the County. No course of dealing on the part of GPP or the County, nor any failure or delay by GPP or the County with respect to exercising any right, power or privilege pursuant to this Agreement, will operate as a waiver thereof, except as otherwise provided herein.

(g) Independent Parties. GPP enters into this Agreement as an independent contractor and not as an employee of the County.
