

Resolution # 10-1

WHEREAS, County policies and procedures require both the assigned oversight committee and the Finance Committee to approve all requests to apply for grants from Federal and State agencies, as well as grants from all other entities; and,

WHEREAS, County policies and procedures require that the acceptance of grants of \$30,000 or more must be approved by the full County Board;

WHEREAS, the Department of Public Health wishes to apply for and accept an grant from the National Association of County and City Health Officials (NACCHO) for the BLOC COVID-19 program in the amount of approximately \$50,000; and

WHEREAS, this grant will allow Public Health to provide enhancements to local capacity to prevent and respond to COVID-19 in various healthcare facilities; and

WHEREAS, as documented by the approval of this resolution, Public Health, Solid Waste and Zoning Committee and the Finance Committee have approved the Public Health Department's request to apply for the NACCHO BLOC COVID-19 grant and the committees recommend that the County Board approve the acceptance of this grant, if awarded by the National Association of County and City Health Officials (NACCHO).

NOW, THEREFORE, BE IT RESOLVED that the Sangamon County Board, in session this 13th day of October, 2020, approves the acceptance of the NACCHO BLOC COVID-19 grant, which is detailed above, if the grant is awarded to the County by the National Association of County and City Health Officials (NACCHO). The County Administrator is authorized to sign required grant documents to execute the agreement for this grant.

SANGAMON COUNTY - GRANT APPROVAL FORM

Requesting Department: Public Health

Grant Program Title: BLOC COVID-19

This request is for: a new grant renewal or extension of an existing grant

Grantor: National Association of County and City Health Officials

Brief description of the grant program and its benefits to Sangamon County:

With this grant funding, the SCDPH strengthen relationships with healthcare facilities, build on infection control activities and communications, and look to distribute, in concert with partners, materials developed and lessons learned widely in the region and state. The goal of the project is to enhance local capacity to prevent and respond to COVID-19 infections through infection preventions and control assessments as wells as expended networking between the SCDP and community infections prevention partners.

Anticipated Grant Revenue Amount: \$50,000

Are matching funds required? Yes No

If yes, please state the amount and the source of matching funds:

If this grant is approved, will any new personnel be hired: Yes No

If Yes, please indicate the number and cost of personnel:

Are there any *indirect* costs or *legal* requirements associated with this grant (i.e., increased workload on existing staff, requirements to continue specific programs after grant periods, etc.): Yes No

If Yes, please provide details. Include attachment if needed:
