

RESOLUTION NO. 11-1

WHEREAS, the Sangamon County Jail operates under a heavy demand for laundry services to comply with sanitary standards set by State and local law;

WHEREAS, the outdated nature of the current laundry equipment has resulted in complete system failure of the laundry services on sight at the Sangamon County Jail;

WHEREAS, a failure to purchase and promptly install adequate laundry equipment at the Sangamon County Jail will result in unsanitary conditions and incur undo cost and hardship to jail services;

WHEREAS, fully operational laundry equipment is necessary for the health, safety and welfare of Jail personnel and inmates as well as the citizens of Sangamon County;

NOW THEREFORE BE IT RESOLVED, the 11th day of May, 2010 that the Sangamon County Board finds that the purchase and installation of laundry equipment has reached a critical point and constitutes good cause for emergency passage of contract authorization under 5 S ILCS 5/5-1022(a)(2).

BE IT FURTHER RESOLVED, that the Chairman of the County Board is authorized to enter into an agreement for purchase of laundry equipment from Equipment International LTD., a copy of which is attached hereto and marked (Exhibit A”.
