Hi Dave:

In order to complete the eCitations integration with Brazos with the City of Springfield PD, there is one-time fee of $30,000. As a reminder, you already purchased The JANO eCitations software several years ago that includes integrations with several approved vendors (DigiTicket, Quicket, IL State Police, IUCS/LEADER). However because of unique idiosyncrasies with Brazos, there's an additional charge for us to integrate with them.

I will be sending out a quote/invoice for this from our accounting system that will immediately follow this email.

Thanks Dave and let me know if there are any questions,

-Nosa B.

Nosa,
Can you please send me an updated quote on this integration with the City?
If possible ASAP so that I can process a purchase order and requisition.

Thank you.
