A FFATA sub-award report must be filed by the end of the month following the month in which the grant was awarded.

### ARTICLE III DEFINITIONS

3.1. Definitions. Capitalized words and phrases used in this Agreement have the following meanings:

"Administrative Costs" means those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective, *i.e.*, a particular Award, Program, Program, service, or other direct activity of an organization. A cost may not be allocated to an Award as an Indirect Cost if any other cost incurred for the same purpose, in like circumstances, has been assigned to an award as a Direct Cost. Provider is responsible for presenting costs consistently and must not include costs associated with its Indirect Cost Rate as Direct Costs. The term "Administrative Costs" is synonymous with the term "Indirect Costs." *See, e.g.*, U.S. Department of Health and Human Services Grants Policy Statement, January 1, 2007, at II-26.

"2 CFR Part 200" means the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards published in Title 2, Part 200 of the Code of Federal Regulations.

"Agreement" means this Agreement, and any addendum, schedules and exhibits thereto, all as amended from time to time. Words such as "herein," "hereinafter," "hereof," "hereto," and "hereunder" refer to this Agreement as a whole, unless the context otherwise requires.

"Allocable Costs" means costs allocable to a particular cost objective if the goods or services involved are chargeable or assignable to such cost objective in accordance with relative benefits received or other equitable relationship. Costs allocable to a specific Program may not be shifted to other Programs in order to meet deficiencies caused by overruns or other fund considerations, to avoid restrictions imposed by law or by the terms of this Agreement, or for other reasons of convenience.

"Allowable Costs" means costs associated with DHS Programs which are reimbursable from DHS funds. Allowable Costs include expenses that are (1) necessary and related to the provision of Program services, (2) reasonable to the extent that a given cost is consistent with the amount paid by similar agencies for similar services, (3) not specified as unallowable, and (4) not illegal. Research expenses may be considered Allowable Costs if Prior Approval is received from DHS. (89 Ill. Adm. Code §509.20(a))

"ARRA" means the American Recovery and Reinvestment Act of 2009 (P.L. 111-5).

"Award" means financial assistance that provides support to accomplish the purpose of this Agreement. Awards include grants and other agreements in the form of money by DHS to Provider.

"Budget" means the financial plan for the Program submitted by Provider and approved by DHS.

"CFDA" means the Catalog of Federal Domestic Assistance, a government-wide compendium of Federal programs, projects, services and activities that provide assistance or benefits to the American public.

"Consolidated Financial Report" means a financial information presentation in which the assets, equity, liabilities, and operating accounts of an entity and its subsidiaries are combined (after eliminating all inter-entity transactions) and shown as belonging to a single reporting entity.

"Cost Allocation Plan" means a document that identifies, accumulates and distributes allowable direct and

indirect costs under subgrants and contract and identifies the allocation methods used for distributing the costs. A plan for allocating joint costs is required to support the distribution of those costs to the grant program. All costs included in the plan must be supported by formal accounting records to substantiate the propriety of the eventual charges. Providers are required to maintain a Cost Allocation Plan, in accordance with Ill. Adm. Code §509.40(c), if they receive more than one source of funding or operate more than one Program. (89 Ill. Adm. Code §509.20(a)(2)).

“Direct Costs” means those costs that can be identified specifically with a particular final cost objective, *i.e.*, a particular Award, Program, service, or other direct activity of an organization, or that can be directly assigned to such an activity with a high degree of accuracy. Direct costs may be charged based on a full-time equivalent or pro-rated basis. A cost may not be assigned to an Award as a Direct Cost if any other cost incurred for the same purpose, in like circumstance, has been allocated to an Award as an Indirect Cost. Provider is responsible for presenting costs consistently and must not include costs associated with its Indirect Cost Rate as Direct Costs.

“Disallowed Costs” means those charges to an award that DHS determines to be Unallowable Costs.

“DUNS Number” means a unique nine digit identification number provided by Dun & Bradstreet for each physical location of Provider’s organization. Assignment of a DUNS Number is mandatory for all organizations required to register with the Federal government for contracts or grants.

“Fee-for-Service” means a Program for which the payments are made on the basis of a rate, unit cost or allowable cost incurred and are based on a statement or bill as required by DHS. (89 Ill. Adm. Code §509.15). Services provided on a Fee-for-Service basis are Medicaid-related.

“FFATA” means Federal Funding Accountability and Transparency Act of 2006 (P. L. 109-282).

“Fixed-Rate” means a Program for which the payments for non-Medicaid services are made on the basis of a rate, unit cost or allowable cost incurred and the payments are based on a statement or bill as required by DHS. Fixed-Rate payments are subject to all Federal administrative regulations and requirements, including, but not limited to, those set forth at OMB Circular A-102, OMB Circular A-100, OMB Circular A-133, and are subject to all applicable cost principles, including OMB Circular A-21, OMB Circular A-87 OMB Circular A-122 and 2 CFR Part 200, as applicable. Fixed-Rate services are non-Medicaid services. A Fixed-Rate agreement, in common terminology, is a non-Medicaid fee-for-service agreement. Fixed-Rate grants are exempt from cost principles but are subject to audit requirements set forth in the applicable OMB Circular.

“GAAP” means Generally Accepted Accounting Principles.

“Grant” means any assistance, whether financial or otherwise, furnished by DHS to a person or entity for obligation, expenditure, or use by Provider for a specific purpose(s) as authorized by law. This does not include advance payments made under the authority of Paragraph 9.05 of the State Finance Act, 30 ILCS 105/9.05.

“Indirect Costs” means those costs that have been incurred for common or joint objectives and cannot be readily identified with a particular final cost objective, *i.e.*, a particular Award, Program, service, or other direct activity of an organization. A cost may not be allocated to an award as an Indirect Cost if any other cost incurred for the same purpose, in like circumstances, has been assigned to an award as a Direct Cost. Provider is responsible for presenting costs consistently and must not include costs associated with its Indirect Cost Rate as Direct Costs. The term “Indirect Costs” is synonymous with the term “Administrative Costs.” *See, e.g.*, U.S. Department of Health and Human Services Grants Policy Statement, January 1, 2007, at II-26.

"Indirect Cost Rate" means is a device for determining in a reasonable manner the proportion of indirect costs each Program should bear. It is a ratio (expressed as a percentage) of the Indirect Costs to a Direct Cost base. If reimbursement of Indirect Costs is allowable under an Award, DHS will not reimburse those Indirect Costs unless Provider has established an Indirect Cost Rate covering the applicable activities and period of time, unless Indirect Costs are reimbursed at a fixed rate. If Provider has a current, applicable rate negotiated by a cognizant Federal agency, Provider shall provide to DHS a copy of its Indirect Cost Rate proposal and the acceptance letter from the Federal government. If Provider does not have a current, applicable rate negotiated by a cognizant Federal agency, DHS shall be responsible for establishing an Indirect Cost Rate for Provider.

"Indirect Cost Rate Proposal" means the documentation prepared by Provider to substantiate its request for the establishment of an Indirect Cost Rate.

"Net Revenue" means an entity's total revenue less its operating expenses, interest paid, depreciation, and taxes. "Net Revenue" is synonymous with "Profit."

"OMB" means the Executive Office of the President of the United States, Office of Management and Budget.

"OMB Circular" means instructions or information issued by the President's Office of Management and Budget ("OMB") to Federal agencies.

"Prior Approval" means written approval by an authorized member of DHS management evidencing prior consent.

"Profit" means an entity's total revenue less its operating expenses, interest paid, depreciation, and taxes. "Profit" is synonymous with "Net Revenue."

"Program" means the services to be provided pursuant to this Agreement.

"Program Costs" means all Allowable Costs incurred by Provider and the value of the contributions made by third parties in accomplishing the objectives of the Award during the Term of this Agreement.

"Program Income" means gross income earned by the recipient that is directly generated by a supported activity or earned as a result of the Award. Interest earned on advances of Federal funds under this Agreement is not Program Income.

"Related Parties" has the meaning set forth in Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 850-10-50.

"State" means the State of Illinois.

"Term" has the meaning set forth in Paragraph 1.3.

"Unallowable Costs" means expenses which, pursuant to DHS rules or policies or Federal regulations, are not reimbursable from DHS funds, unless Prior Approval is received from DHS. Specific Unallowable Costs are set forth in 89 Ill. Adm. Code §509.20(b).

**ARTICLE IV  
PAYMENT**

4.1. Availability of Appropriation; Sufficiency of Funds. This Agreement is contingent upon and subject to the availability of sufficient funds. DHS may terminate or suspend this Agreement, in whole or in part, without penalty or further payment being required, if (i) sufficient funds for this Agreement have not been appropriated or otherwise made available to the Department by the State or the Federal funding source, (ii) the Governor or DHS reserves funds, or (iii) the Governor or DHS determines that funds will not or may not be available for payment. DHS shall provide notice, in writing, to Provider of any such funding failure and its election to terminate or suspend this Agreement as soon as practicable. Any suspension or termination pursuant to this Section will be effective upon the date of the written notice unless otherwise indicated.

4.2. Illinois Grant Funds Recovery Act. If the funds awarded are subject to the provisions of the Illinois Grant Funds Recovery Act (30 ILCS 705/1 *et seq.*), any funds remaining at the end of the Agreement period which are not expended or legally obligated by Provider shall be returned to DHS within forty-five (45) days after the expiration of this Agreement. The provisions of 89 Ill. Adm. Code §511 shall apply to any funds awarded that are subject to the Illinois Grant Funds Recovery Act.

4.3. Cash Management Improvement Act of 1990. If applicable, Federal funds received under this Agreement shall be managed in accordance with the Cash Management Improvement Act of 1990 (31 U.S.C. §6501 *et seq.*) and any other applicable Federal laws or regulations. Programs to which this applies will be listed in the applicable Program Manual and on DHS' website.

4.4. Payments to Third Parties. Provider agrees to hold harmless DHS when DHS acts in good faith to redirect all or a portion of any Provider payment to a third party. DHS will be deemed to have acted in good faith if it is in possession of information that indicates Provider authorized DHS to intercept or redirect payments to a third party or when so ordered by a court of competent jurisdiction.

4.5. Modifications to Estimated Amount. The Agreement amount is established on an estimated basis and may be increased at any time during the term. DHS may decrease the estimated amount of this Agreement at any time during the term if (i) DHS believes Provider will not use the funds during the term, (ii) DHS believes Provider has used funds in a manner that was not authorized by this Agreement, (iii) sufficient funds for this Agreement have not been appropriated or otherwise made available to the Department by the State or the Federal funding source, (iv) the Governor or DHS reserves funds, or (v) the Governor or DHS determines that funds will or may not be available for payment. Provider will be notified, in writing, of any adjustment of the estimated amount of this Agreement. In the event of such reduction, services provided by Provider under **Exhibit A** may be reduced accordingly. Provider shall be paid for work satisfactorily performed prior to the date of the notice regarding adjustment.

4.6. Interest.

(a) This Paragraph 4.6 does not apply to Fee-for-Service payments or to providers who are not subject to the terms of the Cash Management Improvement Act (31 U.S.C. §6501 *et seq.*).

(b) Federal pass-through grant funds disbursed under this Agreement and held for over five (5) days by Provider shall be placed, when possible, in an interest-bearing account. All interest earned shall be considered grant funds and are subject to the same restrictions. A Provider, which receives such funds, is subject to the requirements of the Cash Management Improvement Act (31 CFR 205 Subpart B)

and shall meet all record-keeping requirements. If Provider does not comply with these requirements, Provider will be subject to the interest penalties described in Subpart A of the Cash Management Improvement Act. Any exceptions to this requirement must be approved, in writing, by DHS.

(c) The provisions of the Illinois Grant Funds Recovery Act, 30 ILCS 705/1 *et seq.*, shall apply to any grant funds, except Fixed Rate, received by Provider under this Agreement. The period of time during which grant funds may be expended by Provider is the Term of this Agreement as set forth in Paragraph 1.3.

4.7. Timely Billing Required. This Paragraph 4.7 does not apply to Fee-for-Service payments. For all non-recurring Federal funding, such as one-time grants and ARRA funding, Provider must submit any bills to DHS within thirty (30) days of the end of the quarter. Failure to submit such bills within thirty (30) days will render the amounts billed an unallowable cost which DHS cannot reimburse. In the event that Provider is unable, for good cause, to submit its bills within thirty (30) days of the end of the quarter, Provider shall so notify DHS within that thirty (30) day period and may request an extension of time to submit the bills. DHS' approval of Provider's request for an extension shall not be unreasonably withheld.

4.8. Certification. Each invoice submitted by Provider must contain the following certification:

Provider certifies that the amounts shown on this invoice (1) are true and correct, (2) have not been falsified, inflated or otherwise improperly represented, (3) have been used only for the purposes set forth in the Community Services Agreement between Provider and DHS, (4) are allowable in accordance with State and Federal laws and regulations, and (5) have not been submitted for payment to any other State agency or entity.

#### ARTICLE V SCOPE OF SERVICES/PURPOSE OF GRANT

5.1. Services to be Provided/Purpose of Grant. Provider will provide the services as described in the applicable Program Manual and Exhibits, including Exhibit A (Scope of Services) and Exhibit B (Deliverables), incorporated herein and in accordance with all terms and conditions set forth herein and all applicable administrative rules. All programmatic reporting required under this Agreement is described in the attached Exhibits and applicable Program Manual.

5.2. Special Provisions. None.

#### ARTICLE VI BUDGET

6.1. Exemptions. Fee-for-Service payments are exempt from the Budget provisions of this ARTICLE VI. Unless notified in the Exhibits or the Program Attachment to this Agreement, Fixed-Rate payments are exempt from the Budget provisions of this ARTICLE VI.

6.2. Submission of Proposed Budget. Within thirty (30) days of execution of this Agreement, Provider must submit to DHS, via DHS' Community Services Agreement (CSA) Tracking System portal, available on the Internet at <https://grants.dhs.illinois.gov/gpsecure/gtp>, a detailed Budget prepared in accordance with the template provided by DHS.

6.3. Payment Contingency. Payment to Provider is contingent upon DHS' receipt and approval of Provider's proposed Budget. Provider will be paid for reasonable services provided prior to DHS' approval of Provider's Budget.

6.4. Budget Approval. A decision indicating approval or disapproval of the proposed Budget shall be made by DHS within sixty (60) business days after submission by Provider. The CSA Tracking System portal shall provide access to the status, including acceptance, of any approved Budget.

6.5. Preparation of Budget. Provider's Budget must be prepared in accordance with the template provided by DHS, which follows and adheres to all applicable Federal guidelines. DHS' policy requires that all Providers follow Federal regulations for Federal funding as set forth in Paragraph 7.11

6.6. Budget Revisions. The Budget is a schedule of anticipated grant expenditures that is approved by DHS for carrying out the purposes of the Grant. When Provider or third parties support a portion of expenses associated with the Award, the Budget includes the non-Federal as well as the Federal share of grant expenses. Provider shall obtain Prior Approval from DHS whenever a Budget revision is necessary because of:

(a) the transfer to a third party (by subgranting, contracting or other means) of any work under the Grant;

(b) the transfer of funds from other Budget detail line items greater than ten percent (10%) of the line item; or

(c) changes in the scope of services or objectives of the Grant.

6.7. Revision Approvals. All requests for Budget revisions shall be signed by Provider's grant administrator and submitted to DHS' Office of Contract Administration for approval by DHS management.

6.8. Notification. Within thirty (30) calendar days from the date of receipt of the request for Budget revisions, DHS will review the request and notify Provider whether or not the Budget revision has been approved.

## **ARTICLE VII ALLOWABLE COSTS**

7.1. Allowability of Costs; Cost Allocation Methods. The allowability of costs and cost allocation methods for work performed under Grants, Fee-for-Service and Fixed-Rate shall be determined in accordance with the applicable Federal cost principles and the terms and conditions of the award. However, DHS delegates to Provider the authority to approve costs that the applicable cost principles state are allowable only with the prior approval of the funding agency, unless specifically prohibited by other articles in these general provisions, or by the terms and conditions of the Award. Examples of such costs are foreign travel; equipment purchases; and publication and printing costs. This delegation does not relieve Provider of the responsibility to document that such charges are reasonable, necessary and allocable to the Program.

7.2. Indirect Cost Rate Proposal Submission.

(a) This Paragraph 7.2 applies only to:

- (i) Providers who charge, or expect to charge, any indirect costs; and
- (ii) Providers who are allowed to charge indirect costs under federal or state

statutes, state administrative rules, and agency or program rules, regulations and policies.

(b) Providers who receive \$250,000 or more in funding from the State of Illinois, including

all Departments or Agencies thereof, and whether state or federal funds, must submit an Indirect Cost Rate Proposal in accordance with federal regulations for approval no later than 60 days after their submission of audited financial statements, in a format prescribed by DHS (for example, if audited financial statements are submitted August 2016, then the Indirect Cost Rate Proposal must be submitted in October 2016).

(c) Providers who have had an Indirect Cost Rate Proposal approved by a cognizant Federal agency must submit an Indirect Cost Rate Proposal, but DHS will accept that Indirect Cost Rate, up to any statutory, rule-based or programmatic limit.

7.3. Transfer of Costs. Cost transfers between Grants, whether as a means to compensate for cost overruns or for other reasons, are unallowable. See U.S. Department of Health and Human Services Grants Policy Statement, January 1, 2007, at II-43; OMB Circular A-122, 2 CFR Part 230, Appendix A at A.4.b, 2 CFR Part 200.

7.4. OMB Circular A-21. The Federal cost principles that apply to public and private institutions of higher education are set forth in OMB Circular A-21 (relocated to 2 CFR Part 220), unless notified in an Exhibit or Attachment hereto (see Paragraph 2.6 hereof).

7.5. OMB Circular A-122. The Federal cost principles that apply to nonprofit organizations that are not institutions of higher education are set forth in OMB Circular A-122 (relocated to 2 CFR Part 230), unless notified in an Exhibit or Attachment hereto (see Paragraph 2.6 hereof).

7.6. OMB Circular A-87. The Federal cost principles that apply to State, local and Federally-recognized Indian tribal governments are set forth in OMB Circular A-87 (relocated to 2 CFR Part 225), unless notified in an Exhibit or Attachment hereto (see Paragraph 2.6 hereof).

7.7. 48 CFR Part 31. The Federal cost principles and procedures for cost analysis and the determination, negotiation and allowance of costs that apply to commercial organizations are set forth in 48 CFR Part 31.

7.8. Changes in Scope of Services. Any Program that is carried out must be consistent with the scope of services. No changes may be made to the scope of services without Prior Approval from DHS. All requests for a change in the scope of services shall be signed by Provider's grant administrator and submitted to DHS' Office of Contract Administration for approval by DHS management.

7.9. Changes in Key Grant Personnel. When it is specifically required as a condition of a Grant, the replacement of the Program director or the co-director or a substantial reduction in the level of their effort *e.g.*, their unanticipated absence for more than three (3) months, or a twenty-five percent (25%) reduction in the time devoted to the Program, requires Prior Approval from DHS. When it is specifically required as a condition of a Grant, Prior Approval will be required for the replacement or the substantial reduction in the level of effort of other personnel whose work is deemed by DHS to be critical to the Program's successful completion. All requests for approval of changes in key Program personnel shall be signed by Provider's grant administrator and submitted to the appropriate DHS program officer. Evidence of the qualifications for replacement personnel (such as a *résumé*) shall be included.

7.10. Financial Management Standards. The financial management systems of Provider must meet the

following standards:

(a) **Accounting System.** Provider organizations must have an accounting system that provides accurate, current, and complete disclosure of all financial transactions related to each State- and Federally-sponsored Program. Accounting records must contain information pertaining to State and Federal pass-through awards, authorizations, obligations, unobligated balances, assets, outlays, and income. These records must be maintained on a current basis and balanced at least quarterly. Cash contributions to the Program from third parties must be accounted for in the general ledger with other grant funds. Third party in-kind (non-cash) contributions are not required to be recorded in the general ledger, but must be under accounting control, possibly through the use of a memorandum ledger.

(b) **Source Documentation.** Accounting records must be supported by such source documentation as canceled checks, bank statements, invoices, paid bills, donor letters, time and attendance records, activity reports, travel reports, contractual and consultant agreements, and subaward documentation. All supporting documentation should be clearly identified with the grant and general ledger accounts which are to be charged or credited.

(1) The documentation required for salary charges to grants is prescribed by the cost principles applicable to the entity's organization (see Title XX Social Services).

(2) For Providers subject to OMB Circular A-21 (educational institutions), documentation for salary charges shall either (i) use a payroll distribution based on one of the three methods listed in Section J(10)(c) of OMB Circular A-21 or, alternatively, (ii) with DHS Prior Approval, use a payroll distribution that meets the criteria specified in Section J(10)(b)(2) of OMB Circular A-21.

(3) For Providers subject to OMB Circular A-122 (nonprofit organizations), documentation for all salary charges shall be based on a system of personnel activity reports.

(4) For Providers subject to OMB Circular A-87 (State and local governments), documentation for salary charges shall be based on a system of personnel activity reports unless an employee is working solely on a single Federal award. In such case, the charge for salary will be supported by a certification signed by the employee or the employee's supervisor.

(5) Personnel activity reports shall account on an after-the-fact basis for one hundred percent (100%) of the employee's actual time, separately indicating the time spent on the grant, other grants or projects, vacation or sick leave, and administrative time, if applicable. In the event that DHS terminates this Agreement as a result of the breach of the Agreement by Provider, Provider shall be paid for work satisfactorily performed prior to the date of termination.

22.3. Suspension. If the Provider fails to comply with terms and/or conditions of this Agreement or any other state-issued Grant, DHS may suspend this Agreement, withhold further payment and prohibit Provider from incurring additional obligations pending corrective action by Provider or a decision to terminate this Agreement by DHS. DHS may determine to allow necessary and proper costs that Provider could not reasonably avoid during the period of suspension.

**ARTICLE XXIII  
POST-TERMINATION/NON-RENEWAL**

23.1. Duties. Upon notice by DHS to Provider of the termination of this Agreement or notice that DHS will not renew, extend or exercise any options to extend the term of this Agreement, or that DHS will not be contracting with Provider beyond the term of this Agreement, Provider shall, upon demand:

(a) Cooperate with DHS in assuring the transition of recipients of services hereunder for whom Provider will no longer be providing the same or similar services or who choose to receive services through another provider.

(b) To the extent permitted by law, provide copies of all records related to recipient services funded by DHS under this Agreement.

(c) Grant reasonable access to DHS to any and all Program sites serving recipients hereunder to facilitate interviews of recipients to assure a choice process by which recipients may indicate provider preference.

23.2. Survival. The promises and covenants of this ARTICLE XXIII shall survive the Term of this Agreement for the purposes of the necessary transition of recipients of services hereunder.

**ARTICLE XXIV  
SUBCONTRACTS**

24.1. Subcontracting/Delegation. Provider may not subcontract nor subgrant any portion of this Agreement nor delegate any duties hereunder without Prior Approval of DHS.

(a) The requirement for Prior Approval is satisfied if the subcontractor or subgrantee has been identified in a DHS-approved grant application, such as, without limitation, a Program Plan or a Work Plan.

(b) In emergencies, Provider will request approval in writing within seven (7) days of the use of a subcontractor or subgrantee to fulfill any obligations of this Agreement. Approved subcontractors or subgrantees shall adhere to all provisions of this Agreement.

24.2. Application of Terms. Provider shall advise any subgrantee of funds awarded through this Agreement of the requirements imposed on them by Federal and State laws and regulations, and the provisions of this Agreement.

#### **ARTICLE XXV INTERNET ACCESS**

25.1. Access to Internet. Provider must have Internet access. Internet access may be either dial-up or high-speed/DSL. Provider must maintain, at a minimum, one business e-mail address that will be the primary receiving point for all e-mail correspondence from DHS. Provider may list additional e-mail addresses at contract execution. The additional addresses may be for a specific department/division of Provider or for specific employees of Provider. Provider may list additional e-mail points of contact in the same manner as listed above. Provider must notify DHS of any e-mail address changes within five (5) business days from the effective date of the change.

#### **ARTICLE XXVI NOTICE OF CHANGE**

26.1. Notice of Change. Provider shall give thirty (30) days' prior written notice to DHS if there is a change in Provider's legal status, Federal employer identification number (FEIN), DUNS number, or address. DHS reserves the right to take any and all appropriate action as a result of such change(s).

26.2. Failure to Provide Notification. Provider agrees to hold harmless DHS for any acts or omissions of DHS resulting from Provider's failure to notify DHS of these changes.

26.3. Circumstances Affecting Performance; Notice. In the event Provider becomes a party to any litigation, investigation or transaction that may reasonably be considered to have a material impact on Provider's ability to perform under this Agreement, Provider shall notify DHS, in writing, within five (5) calendar days of determining such litigation or transaction may reasonably be considered to have a material impact on the Provider's ability to perform under this Agreement. Such notice must be sent to the Secretary of DHS with a copy to DHS' General Counsel and DHS' Chief Financial Officer at the following postal or electronic addresses (or successor):

To the Secretary:

#### ARTICLE XXVII ASSIGNMENT

27.1. Assignment Prohibited. Provider understands and agrees that this Agreement may not be sold, assigned, or transferred in any manner, to include an assignment of Provider's rights to receive payment hereunder, and that any actual or attempted sale, assignment, or transfer without the Prior Approval of DHS shall render this Agreement null, void, and of no further effect.

#### ARTICLE XXVIII MERGERS/ACQUISITIONS

28.1. Effect of Reorganization. Provider acknowledges that this Agreement is made by and between DHS and Provider, as Provider is currently organized and constituted. No promise or undertaking made hereunder is an assurance that DHS agrees to continue this Agreement, or any license related thereto, should Provider reorganize or otherwise substantially change the character of its corporate or other business structure. Provider agrees that it will give DHS prior notice of any such action and will provide any and all reasonable documentation necessary for DHS to review the proposed transaction including financial records and corporate and shareholder minutes of any corporation which may be involved. Failure to comply with this ARTICLE XXVIII shall constitute a material breach of this Agreement.

#### ARTICLE XXIX CONTRACTS WITH OTHER STATE AGENCIES; OTHER REQUIRED DISCLOSURES

29.1. Disclosure. Provider shall fully disclose, in **Exhibit G**, all contracts and other agreements to which it is a party with any other State agency. For each contract or agreement, Provider shall indicate:

Providers with multiple Agreements with DHS for the same fiscal year need to submit Exhibit G only once.

29.3. Related Parties. Within 30 days of execution of this Agreement, Provider shall disclose all Related Parties.

Provider agrees that payments made by DHS under this Agreement will not be used to compensate, directly or indirectly, any person: (1) currently holding an elective office in this State including, but not limited to, a seat in the General Assembly, or (2) employed by an office or agency of the State of Illinois whose annual compensation is in excess of sixty percent (60%) of the Governor's annual salary, or \$106,447.20 (30 ILCS 500/50-13).

30.2. Request for Exemption. Provider may request written approval from DHS for an exemption from Paragraph 30.1. Provider acknowledges that DHS is under no obligation to provide such exemption and that DHS may, if an exemption is granted, grant such exemption subject to such additional terms and conditions as DHS may require.

#### ARTICLE XXXI TRANSFER OF EQUIPMENT

31.1. Transfer of Equipment. DHS shall have the right to require that Provider transfer to DHS any equipment, including title thereto, purchased in whole with DHS funds. DHS shall notify Provider in writing should DHS require the transfer of such equipment. Upon such notification by DHS, and upon receipt or delivery of such equipment by DHS, Provider will be deemed to have transferred the equipment to DHS as if Provider had executed a bill of sale therefor.

31.2. Meaning of "Equipment". For purposes of this ARTICLE XXXI, equipment means any equipment used in the administration and/or operation of the Program having a useful life of two (2) years or more and an acquisition cost of at least \$500.

#### ARTICLE XXXII WORK PRODUCT

32.1. Definition of Work Product. "Work Product" means all the tangible materials, regardless of format, delivered by Provider to DHS under this Agreement. However, nothing in this Agreement shall be interpreted to grant DHS any right, title or interest in Provider's intellectual property that has been or will later be developed outside the scope of services provided hereunder.

32.2. License to DHS. To the extent Provider-owned works are incorporated into Work Product,

Provider grants to DHS a perpetual, non-exclusive, paid-up, world-wide license in the use, reproduction, publication and distribution of such Provider-owned works when included within the Work Product. Provider shall not copyright Work Product without DHS' prior written consent.

32.3. License to Provider; Objections. DHS grants to Provider a perpetual, non-exclusive, paid-up license to publish academic and scholarly articles based upon the services rendered under this Agreement. All materials to be published shall first be submitted to DHS at least forty-five (45) days prior to publication or other disclosure. Upon written objection from DHS, Provider shall excise any confidential information, as that term is defined in applicable State and Federal statutes, federal regulations and DHS administrative rules, from materials before publication. DHS may also object to the publication on grounds other than confidentiality. As to the latter objections, Provider and DHS will attempt to resolve DHS' concerns within the forty-five (45) day review period, or as otherwise agreed between the Parties. DHS waives any objections not made to Provider in writing before expiration of the review period.

32.4. Unresolved Objections; Disclaimer. If DHS' objections on grounds other than confidentiality are not resolved within the review period or other such time as agreed by the Parties, then Provider may publish the materials but shall include therein the following disclaimer: "Although the research or services underlying this article were funded in whole or in part by the Illinois Department of Human Services, the Illinois Department of Human Services does not endorse or adopt the opinions or conclusions presented in the article." Notwithstanding the above, DHS shall not have the right to control or censor the contents of Provider publications.

#### **ARTICLE XXXIII PROMOTIONAL MATERIALS; PRIOR NOTIFICATION**

33.1. Publications, Announcements, etc. In the event that DHS funds are used in whole or in part to produce any written publications, announcements, reports, flyers, brochures or other written materials, Provider agrees to include in these publications, announcements, reports, flyers, brochures and all other such material, the phrase "Funding provided in whole or in part by the Illinois Department of Human Services." Exceptions to this requirement must be requested, in writing, from DHS and will be considered authorized only upon written notice thereof to Provider.

33.2. Prior Notification/Release of Information. Provider agrees to notify DHS prior to issuing public announcements or press releases concerning work performed pursuant to this Agreement, or funded in whole or in part by this Agreement, and to cooperate with DHS in joint or coordinated releases of information.

#### **ARTICLE XXXIV INSURANCE**

34.1. Purchase and Maintenance of Insurance. Provider shall purchase and maintain in full force and effect during the term of this Agreement casualty and bodily injury insurance, as well as insurance sufficient to cover the replacement cost of any and all real and/or personal property purchased or otherwise acquired, in whole or in part, with funds disbursed pursuant to this Agreement.

34.2. Cost of Insurance. If, during the term of this Agreement, Provider's cost of property and casualty insurance increases by twenty-five percent (25%) or more, or if new State regulations impose additional costs on Provider, Provider may request that DHS review this Agreement and adjust the compensation or reimbursement provisions hereof in accordance with any agreement reached, all of which shall be at the sole discretion of DHS and subject to the limitations of DHS' appropriated funds.

34.3. Claims. If a claim is submitted for real and/or personal property purchased in whole with funds from this Agreement and such claim results in the recovery of money, such money recovered shall be surrendered to DHS.

**ARTICLE XXXV  
LAWSUITS**

35.1. Indemnification. Indemnification will be governed by the State Employee Indemnification Act (5 ILCS 350/1 *et seq.*) as interpreted by the Illinois Attorney General. DHS makes no representation that Provider, an independent contractor, will qualify or be eligible for indemnification under said Act.

**ARTICLE XXXVI  
GIFTS AND INCENTIVES PROVISION**

36.1. Gift Ban. Provider is prohibited from giving gifts to DHS employees (5 ILCS 430/10-10). 38.3. Severability. If any provision of this Agreement is declared invalid, its other provisions shall not be affected thereby.

38.4. No Waiver. No failure of DHS to assert any right or remedy hereunder will act as a waiver of its right to assert such right or remedy at a later time or constitute a course of business upon which Provider may rely for the purpose of denial of such a right or remedy to DHS.

38.5. Applicable Law; Claims. This Agreement and all subsequent amendments thereto, if any, shall be governed and construed in accordance with the laws of the State of Illinois. Exhibit A Purpose of Grant/Scope of Services

Redeploy Illinois Purpose:  
The intent of the Redeploy Illinois program is to grant funds to counties or groups of counties that will establish a continuum of local, community-based sanctions and treatment alternatives for juvenile offenders who would otherwise be incarcerated if those local services and sanctions were not available, as required by 730 ILCS 110/16.1.

Redeploy Eligible youth include any youth under the jurisdiction of the juvenile court, not currently in IDJJ, that is facing a possible commitment to IDJJ for a charge other than murder or a Class X forcible felony. Redeploy eligible commitments exclude minors sentenced based upon a finding of guilt of first degree murder or an offense which is a Class X forcible felony as defined in the Criminal Code of 1961.

In exchange for these program funds, the provider agrees to reduce the number of Redeploy Illinois eligible commitments from that county (ies) by a minimum of 25% compared to the agreed upon baseline. Individual Baselines and exceptions to the 25% requirement are reflected in Exhibits A; E and F herein.

The RI sites will assist the Department in identifying effective models to reduce commitments and guide replication efforts in other parts of the state. These funds will be used to help sites fill the gaps in the existing continuum of programs and services for delinquent youth, allowing counties to cost effectively serve youth locally and reduce their reliance on IDJJ.

Prior research provides solid evidence that community-based services for delinquent youth are more effective and less expensive than a sentence to secure confinement for a certain profile of youth offenders who are deemed likely to benefit from such services, since the cost of community-based programs is lower than the cost of incarceration.

EXHIBIT A

**SCOPE OF SERVICES**

Through Redeploy Illinois, counties will link each youth to a wide array of needed services and supports within his or her home community, as indicated through an individualized needs assessment. Services will be provided in the least restrictive manner possible, and include, but are not limited to, case management, court advocacy, education assistance, individual, family and/or group counseling, and crisis intervention.

----- END OF PROGRAM: REDEPLOY ILLINOIS -----

**EXHIBIT B  
DELIVERABLES**

Exhibit B Deliverables

- A.Counties will establish a continuum of local, community-based sanctions and treatment alternatives for juvenile offenders who would otherwise be incarcerated if those local services and sanctions were not available, as required by 730 ILCS 110/16.1. Minors determined guilty of murder or a Class X forcible felony are excluded from eligibility.
- B.Counties will commit to reducing the number of Redeploy Illinois eligible commitments from that county (ies) by a minimum of 25% compared to the agreed upon baseline. Individual Baselines and exceptions to the 25% requirement will be reflected in Exhibits A; E and F herein.
- C.The funds shall be used by the county for purposes of serving, in community-based settings, youth involved in the juvenile justice system through the creation of evidence based community programs that maintain public safety and promote positive outcomes for youth. The RI sites will assist the Department in identifying effective models to reduce commitments and guide replication efforts in other parts of the state.
- D.Counties will implement policies that will include: 1) treating juveniles in the least restrictive manner while maintaining safety; 2) affirming local responsibility for services in the community; and 3) defining the role of the state and local jurisdictions in the care of youth in the justice system.
- E.The County (s) will develop and manage a continuum of services and sanctions from least restrictive to most restrictive designed to intervene with youth involved with the juvenile justice system. The services may be provided directly by the provider or subcontracted out to other community organizations. Redeploy Illinois projects will use the graduated sanctions model as described by OJJDP. The graduated sanctions model is based upon the premise that each time a youth commits a crime there should be quick consequences to their behavior. As the seriousness or frequency of the crime increases then the consequences should also be more severe.
- F.The services and programs provided shall be culturally competent and research or evidenced based (EBP) as proven or promising practices. In addition, non-EBP services can be provided to supplement EBP services.
- G.Programs and services shall be consistent with the Illinois Juvenile Court Act of 1987 and with the following purposes and policies: 1)The juvenile justice system should protect the community, 2) impose accountability to victims and communities for violations of law, and 3) equip juvenile offenders with competencies to live responsibly and productively.
- H.Counties will implement Balanced and Restorative Justice Strategies. Services will address one of the three components of Balanced and Restorative Justice: 1) accountability to the victim, 2) developing competencies in the youth, 3) community safety.
- I.The role of local government should be to oversee the provision of Redeploy services while insuring community safety. There should be local responsibility and authority for planning, organizing, and coordinating service resources in the community.
- J.Priority Populations: The Redeploy program must be designed to target those youth who would otherwise be committed to IDJJ were it not for the Redeploy Illinois program and those youth at highest-risk for commitment to IDJJ.
- K.Each county may determine the specific population of juveniles it will serve through

**EXHIBIT B**

**DELIVERABLES**

its Redeploy Illinois project, presuming they meet the Redeploy eligibility criteria: youth under the jurisdiction of the Juvenile Court at risk of IDJJ commitment, and a score of high to medium risk on YASI. Excludes youth charged with murder or a class X forcible felony. Priority populations must be youth meeting this eligibility criterion who are facing commitment to IDJJ.

L. Priority populations will be identified by the County (s) applicant but should be identified and targeted based on a lack of local resources and/or challenges in coordinating services within the community.

M. Statewide data and data from existing sites indicate that there are three populations of juveniles most likely to benefit from and commonly targeted for Redeploy services. These are:  
 Juveniles committed as court evaluations or bring back orders;  
 Nonviolent offenders; and  
 Juveniles dually involved with the juvenile justice system and DCFS

N. Disproportionate Minority Contact: The Illinois Department of Human Services and Redeploy Illinois Oversight Board are committed to reducing the racial and ethnic disparities in the juvenile justice system. It is expected that Redeploy Illinois will further this goal. As counties develop and manage their programs, it will be critical to understand the impact it will have on disproportionate minority contact. This impact must be monitored. In the event that the area to be served and the target population demonstrate the presence of gender, ethnic and/or racial disparity, the Annual plan will describe the programs plan to address and reduce the disparity. This could include the addition of programming that has been informed by research that addresses the unique aspects of gender, race, and/or ethnicity as associated with delinquency behavior.

O. Impact on Secure Detention: Redeploy Illinois services are designed to divert youth from the Illinois Department of Juvenile Justice (IDJJ) without increasing commitments to detention. Reducing reliance on the Department of Juvenile Justice should not directly increase the use of local secure detention placements. It is understood that Illinois currently has excess detention bed capacity. Simply not committing a juvenile to the Department of Juvenile Justice and instead placing him/her in local secure detention is not an acceptable response. Each year, counties will have to demonstrate that the juveniles involved with Redeploy Illinois did not experience excessive secure detention stays. For purposes of this initiative, "excessive secure detention days" will be defined as more than 50% of the average length of stay in secure detention or IDJJ. For example, if current local practices result in juveniles spending 200 days, on average, in IDJJ then secure detention stays greater than 100 days for juveniles involved with the Redeploy Illinois program is considered excessive.

P. YASI & Case Planning: Youth referred to the Redeploy program will receive a Youth Assessment and Screening Instrument (YASI). Each enrolled youth will have an initial YASI (conducted upon referral/enrollment). A closing YASI Reassessment will also be completed for each youth upon their exit of the Redeploy Illinois program.

Each youth enrolled into the Redeploy program will have an individualized case plan developed that is based on the YASI and any additional completed assessments. The services provided to each juvenile shall be individualized and based upon assessed need.

DHS funded youth service providers and juvenile probation departments currently use the YASI. Staff administering the YASI are required to participate in YASI training. These trainings will be made available by IDHS and / or the Administrative Office of the

**EXHIBIT B**  
**DELIVERABLES**

Illinois Courts (A0IC). Both are committed to providing the training within two months of notification.

Q.Logic Model: The Redeploy Illinois Logic Model (Located in the BYIS Program Manual) represents a logical framework that will be used by the Department and the RIOB to evaluate the effectiveness of the identified program model. The Logic Model depicts the intended outcomes expected as a direct result of the Provider successfully implementing the Strategies and associated Activities. Funded, providers will be held accountable for implementing the identified program Strategies. These will be measured and verified through a combination of 1) desk audits; 2) on-site reviews; and through program performance measures (Exhibits E and F).

R.Data Collection: Each site will be required to collect data to measure the following:  
 &#61607;Number of juveniles committed to DJJ by age, gender, race, ethnicity, offense, and length of stay.  
 &#61607;Impact on Detention new admissions, length of stay, and average daily population of secure detention for the total juvenile population as well as the juveniles involved with Redeploy Illinois  
 &#61607;Recidivism - positive outcome data of juveniles in the Redeploy Illinois program while actively involved in the program, six months after discharge from the program and twelve months after discharge. (Examples: school attendance/education level, diploma/GED, employment, and positive family relationships etc.)  
 &#61607;Recidivism - negative system outcome data of juveniles in the Redeploy Illinois program while actively involved in the program, six months after discharge from the program and twelve months after discharge. (Examples: new petitions or information filings, new incidents, commitments etc.)  
 &#61607;Impact on the disproportional use of secure confinement of minority youth in the system (detention, DJJ and other) and other points in the system targeted.  
 &#61607;Use of community-based treatment alternatives  
 &#61607;Number of Redeploy Illinois youth successfully completing probation requirements, during or after completion of Redeploy.  
 &#61607;Initial and Closing YASI data on Redeploy Illinois youth to assess the change in Dynamic Risk and Dynamic Protective Factors

S.Meeting Attendance: Providers must budget for and plan to attend a minimum of two statewide Redeploy Illinois meetings per year in the central part of the state.

T.Use of Funds: Funds will be used to support the Annual Plan and Budget approved by DHS that is intended to meet the goals of Redeploy Illinois. Redeploy Illinois funds may not be used for capital expenditures, renovations or remodeling, or personnel costs for probation. In addition, Redeploy Illinois funds shall not be used to duplicate existing services and programs or supplant existing county funded programs.

U.Program Eligibility: Any youth under the jurisdiction of the juvenile court, not currently in IDJJ, that is facing a possible commitment to IDJJ for a charge other than murder or a Class X forcible felony. Redeploy eligible commitments exclude minors sentenced based upon a finding of guilt of first degree murder or an offense which is a Class X forcible felony as defined in the Criminal Code of 1961.

V.Program Strategies: Each Redeploy site is responsible for implementing the following strategies within their County(s):  
 Put in place a continuum of local, community-based graduated sanctions and treatment alternatives  
 Ensure appropriate risk and needs assessments are utilized.  
 Develop, implement and complete individualized case plans based on identified needs from

**EXHIBIT B**

**DELIVERABLES**

appropriate assessments.  
 Provide community-based services to youth in the least restrictive setting possible  
 Reduce excessive secure detention stays  
 Implement programming that is research or evidence-based as proven or promising  
 Implement non-traditional services and programs that supplement EBP.  
 Promote offender accountability through restorative justice practices  
 Empower communities to take responsibility for the well-being of its members.  
 Increase youth competencies and protective factors  
 Involve the family in the provision of services  
 Implement strategies that foster commitment and involvement of local stakeholders

W.Program Activities: The following activities are commonly utilized by providers to successfully implement the above strategies. This is not to be considered an all-inclusive list.

- Youth Assessment Screening Instrument (YASI)
- Cognitive Education and Treatment
- Community Restorative Boards
- Employment-Related Services
- Global Positioning System Monitoring

X.Each Redeploy Illinois site, when asked, must participate in a program evaluation as prescribed by the Department. The program site may be required to meet with evaluators regularly, submit data and assist the evaluators in having access to juveniles and their families for follow-up surveys.

Y.Penalties: Redeploy Illinois programs have agreed to reduce their juvenile commitments to IDJJ by 25%. The Public Act allows for authorization of a smaller reduction if certain criteria are met. This reduction is figured over a full 12 consecutive month time period. This project period will match either the state fiscal year or a calendar year and will be agreed upon by the sites as part of their application/annual plan. The baseline is pre-determined and will be set for future years of Redeploy implementation. This baseline figure is calculated by averaging the number of Redeploy eligible commitments over a 3-year period. The data used to calculate these rates is data provided by the Illinois

**EXHIBIT B**

**DELIVERABLES**

Department of Juvenile Justice. Project Period, Individual Baseline and any exceptions to the 25% requirement are reflected in Exhibits A and F herein.

The Redeploy Illinois Oversight Board, in accordance with the Redeploy Illinois statute, is required to impose a penalty for each youth committed to IDJJ that exceeds the approved reduction requirement of the sites baseline number. The maximum penalty for each court evaluation/bring back order may not exceed \$2,000 for each commitment. The maximum penalty for each full commitment may not exceed \$4,000. No penalty may be imposed on any site unless they exceed the approved reduction requirement of their baseline in any single 12 consecutive month project period. Each excess commitment will be reviewed to ascertain commitment type. This would be the basis upon which any penalty may be calculated. The data used to calculate commitments for a given project period will be provided by the Illinois Department of Juvenile Justice.

**Reporting Requirements**

**A. Program Reports**

Providers must ensure all youth referred to the Redeploy program are entered into the Departments eCornerstone data system.

**LINGUISTIC AND CULTURAL COMPETENCY GUIDELINES AND ASSURANCE**

These Linguistic and Cultural Competency Guidelines and Assurance (LCC Guidelines) are attached to the Community Services Agreement (Agreement) and incorporated into it. Throughout this attachment, DHS is referred to as the Agency.

**SECTION I**  
**INTRODUCTION**

1.1. Introduction. The purpose of these LCC Guidelines is to improve access to culturally competent programs, services, and activities for Limited English Proficient (LEP) customers, persons who are hard of hearing or Deaf, and persons with low literacy (collectively, the Goal). LEP Customers, as used herein, includes LEP Customers, persons who are hard of hearing or Deaf, and persons with low literacy.

1.2. Linguistic and Cultural Competency Mandate: These LCC Guidelines were developed because the State of Illinois must comply with the Constitution of the United States, Title VI of the Civil Rights Act of 1964, Americans with Disabilities Act of 1990, Americans with Disabilities Act Amendments Act of 2008, Illinois Human Rights Act, the 1970 Constitution of the State of Illinois and any laws, regulations or orders, federal or state, which prohibit discrimination on the grounds of race, sex, color, religion, national origin, age, ancestry, marital status, disability, or the inability to speak or comprehend the English language.

**SECTION II**  
**KEY CONCEPTS**

2.1. Cultural Competence. A set of behaviors, attitudes and policies in a system, agency or among professionals that affect cross-cultural work, evolving over time.

2.2. Individual Cultural Competence. Acquisition of the values, knowledge, skills and attributes that allows an individual to work appropriately in cross-cultural situations.

2.3. Organizational Cultural Competence. Systems and organizations approve, and in some cases mandate, the incorporation of cultural knowledge into policymaking, infrastructure and practice. An example of an LEP practice would include: requiring written material translated, adapted, and or provided in alternative formats based on needs and preferences of the populations served.

2.4. Language Access. Assuring language access means providing language assistance services, including bilingual personnel and interpreter services, at no cost to each LEP customer, at key points of contact, in a timely manner. Interpretation and translation services must comply with all relevant federal, state and local mandates governing language access. Consumers must engage in evaluation of language access and other communication to ensure quality and satisfaction. Importantly, Title VI of the Civil Rights Act of 1964 prohibits

discrimination on the basis of race, color or national origin including actions that *delay, deny, or provide different* quality services to a particular individual or group of individuals. See Civil Rights Act of 1964, Pub. L. 88-352, July 2, 1964, 78 Stat. 241, as amended.

2.5. Meaningful Access. Providers and their subcontractors, providing services subject to 7 CFR §272.4(b) are required to take reasonable steps to ensure meaningful access to their services and programs by LEP Customers. Compliance involves the balancing of four factors: 1) the number and proportion of eligible LEP Customers, 2) the frequency of contact with LEP Customers, 3) the importance or impact of the contact upon the lives of the person(s) served, and 4) the resources available to the organization. This four-factor analysis (LEP Assessment) may be applied to the different types of programs or activities the Provider provides to determine the level of language assistance measures sufficient to assure full compliance or to demonstrate reasonable efforts.

### SECTION III PLAN

3.1. Plan Development. Providers are required to develop a plan (the LCC Plan) to meet the Goal, which must include a description of the customer base served by the Provider and an analysis of the four factors discussed in section 2.5, following the LCC Guidelines contained herein. Appendix A provides the plan elements with corresponding indicators of plan compliance. Appendix B provides a guide for drafting the LCC Plan.

3.2. Language Assistance Services. The LCC Plan should explain how the Provider will meet the needs of LEP Customers, either through direct assistance, use of private interpretation services or use of State-funded or other interpretation programs, via both short-term and long-term strategies. For example, a Provider may solicit, through all reasonable and available means, the services of a subcontractor to provide interpretation, translation or other services to assist the Provider in meeting the Goal.

3.3. Personnel Strategies. The LCC Plan should include a description of how the Provider will promote strategies to increase recruitment, hiring, retention, and promotion of personnel with bilingual and bicultural backgrounds representative of the target population served, such as establishing requirements for specific language skills in job descriptions and compensation for bilingual skills or American Sign Language skills.

3.4. Data-Driven Approach. Providers must incorporate data-driven rationale for the approach in its LCC Plan. Providers should collect customer data on race, ethnicity, and primary spoken language to ensure every effort is made to provide consumers with effective, understandable and respectful services provided in the consumers' preferred language and in a manner sensitive to cultural beliefs and practices. Providers should maintain current demographic and cultural profile of the community to plan for services that respond to the cultural and linguistic characteristics of the service area.

3.5. Additional Information. The LCC Plan should include any additional information that will aid the Agency in assessing the Provider's ability to provide access to services for LEP Customers.

3.6. Contract Inclusion. If applicable based on the Provider's customer base, the LCC Plan will include any executed agreements specifying the terms and conditions of the relationship between the Provider and any entity providing language access support to programs, services, and activities to meet the Goal.

3.7. Plan Submission. The Provider shall submit to the Agency its LCC Plan by June 30, 2015.

3.8. Plan Amendments. The Provider may amend the LCC Plan and provide written notice to the DHS of such amendment. The Provider must ensure that any amendments to the LCC Plan do not result in a reduction in access to programs, services, and activities for LEP Customers.

3.9. Plan Implementation. It is expected that once the initial LCC Plan has been submitted to the Agency, in subsequent years, the Provider will submit an annual report detailing progress toward implementation (LCC Plan Implementation Progress Report) at the time of contract execution, commonly July 1<sup>st</sup>. The LCC Plan Implementation Progress Report shall identify all goals met and describe any efforts made toward meeting additional goals still in progress.

#### **SECTION IV RECORDS AND COMPLIANCE**

4.1. Compliance. Compliance with the LCC Guidelines, as described herein, is an essential part of the Agreement.

4.2. Records. The Provider shall maintain a record of all relevant data with respect to the access of programs, services, and activities by LEP Customers for a period of at least five years after the completion of this Agreement. Complete access to these records, and data reasonably related to a representation by the Provider regarding these LCC Guidelines or the LCC Plan, shall be granted by the Provider upon 48 hours' written notice by the Agency.

4.3. Periodic Review. The Agency may periodically review the Provider's compliance with these LCC Guidelines, its LCC Plan and the terms of its contract. Without limitation, the Provider's failure to cooperate in providing information regarding its compliance with these LCC Guidelines or its LCC Plan, or the provision of false or misleading information or statements concerning compliance, customer base, good faith efforts, or any other material fact or representation shall constitute a material breach of this Agreement and entitle the Agency to declare a default, terminate the contract, or exercise those remedies provided for in the Agreement or at law or in equity.
