

RESOLUTION NO. 13

WHEREAS, Sangamon County Information Systems uses a platform called 'Jwalk' for access to custom business applications in the Sangamon County Offices.

WHEREAS, Microsoft recently announced that beginning November 1, 2016 all new Personal Computers will come with Microsoft's new Windows 10 operating system.

WHEREAS, the current 'Jwalk' System used at Sangamon County will need to be upgraded so that it is supported on the new Windows 10 operating system.

THEREFORE, the Sangamon County Information Systems Department has prepared a proposal to upgrade the 'Jwalk' System so that it will be supported on Windows 10 in the amount of \$185,000.

NOW, THEREFORE, BE IT RESOLVED, by the Members of the Board of Sangamon County, Illinois in session this 5th day of April, 2016, that \$185,000 be allocated to upgrade the 'Jwalk' System.
