

RESOLUTION NO. 14-1

WHEREAS, Sangamon County's Sheriff's system was implemented in 1998 and has become outdated;

WHEREAS, Sangamon County's Sheriff's Office current server software, back up solution, and hardware is outdated;

WHEREAS, Sangamon County Sheriff's Office has acquired all needed hardware and software from the State contract;

WHEREAS, Sangamon County Sheriff's Office has reviewed the proposed hardware and software and determined it to fulfill the needs of the department.

THEREFORE, the Sangamon County Sheriff's Information Systems Department has developed a proposal to upgrade the system. The proposal includes a project plan with associated costs to complete the upgrade project. Included in the plan are upgrades to the Sangamon County Sheriff's network servers, software, and a backup system.. It has been determined that this will be paid for with reallocated funds from the Schock grant.

NOW, THEREFORE, BE IT RESOLVED, by the Members of the Board of Sangamon County, Illinois in session this ___ day of December, 2011, that funds be allocated for the Sangamon County Sheriff's Office server and backup system which includes HP hardware and Microsoft Software at a cost of \$ 76,402.54,. The HP hardware and Microsoft software items will be purchased off of the State of Illinois contract; therefore no separate Request for Proposal/bid process is needed.
