**CHUBB™ IMPORTANT NOTICE TO POLICYHOLDER
TERRORISM RISK INSURANCE ACT**

You are hereby notified that pursuant to the Terrorism Risk Insurance Act (the "Act") we are making available to you insurance for losses arising out of certain acts of terrorism. Terrorism is defined as any act certified by the Secretary of the Treasury of the United States, to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of an air carrier or vessel or the premises of a United States Mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

You should know that the insurance provided by your policy for losses caused by acts of terrorism is partially reimbursed by the United States of America under the formula set forth in the Act. Under this formula, the United States of America pays 85% of covered terrorism losses that exceed the statutorily established deductible to be paid by the insurance company providing the insurance. Beginning in 2016, the Federal Share will be reduced by 1% per year until it reaches 80%, where it will remain.

However, if aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year, the Treasury shall not make any payment for any portion of the amount of such losses that exceeds \$100 billion.

If aggregate insured losses attributable to terrorist acts certified under the Terrorism Risk Insurance Act exceed \$100 billion in a calendar year and we have met our insurer deductible under the Terrorism Risk Insurance Act, we shall not be liable for the payment of any portion of the amount of such losses that exceeds \$100 billion, and in such case insured losses up to that amount are subject to pro rata allocation in accordance with procedures established by the Secretary of the Treasury.

The portion of your annual premium that is attributable to insurance for such acts of terrorism is: \$ 2,834

If you elect not to purchase coverage for terrorism and your policy provides commercial property insurance in a jurisdiction that has a statutory standard fire policy, the premium shown here for Ensuing Fire is the amount attributable to the insurance provided pursuant to that statutory standard fire policy. This coverage cannot be rejected. That amount is \$ 504
