Section 3. Authorization and Payment of Bonds. That for the purpose of financing the cost of said refunding there shall be and there is hereby authorized to be issued by the Issuer its Economic Development Revenue Bonds (The Hope School Project), Series 2010, in the Principal Amount. The Bonds shall be dated as of the date of issuance thereof, and be payable to the order of the Bondholder in the amount and on the dates set forth in the Bond form and shall bear interest on the unpaid principal installments at the rate set forth in the Bond form, said principal and interest payments to be made in monthly installments as follows:

Principal payments shall be made monthly together with accrued interest payments on each Principal Payment Date in amounts calculated in accordance with the formula set forth in the Bond form. The monthly interest payments shall be in arrears, calculated at the applicable interest rate for the actual number of days elapsed, with a 360 day year basis. The Bonds, together with interest thereon, shall be limited obligations of the Issuer secured by, among other things, the Assignment and payable solely from the receipts derived from and as described in the Loan Agreement (except to the extent paid out of moneys attributable to the Bond proceeds or the income from the temporary investment thereof) and shall be a valid claim of the Registered Owners hereof only against moneys required to be applied to the payment of the Bonds and other moneys held by the Assignee and the receipts derived from the Loan Agreement, which receipts shall be used for no other purpose than to pay the principal installments of, and interest on the Bonds, except as may be otherwise expressly authorized in this Bond Resolution. The Bonds and the obligation to pay interest thereon do not now and shall never constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provisions of the State of Illinois, but shall be secured by the Assignment, and payable solely from the receipts from the Loan Agreement. Without limiting the foregoing, the Issuer makes no representation that interest on the Bonds is or will continue to be tax-exempt under the Code, and expressly disclaims any liability for absence or loss of any such tax-exempt status for any reason whatsoever.

Section 4. Bond Form. That the Bonds shall be in substantially the form as shown on attached Exhibit A, with appropriate insertions.

Section 5. Application of Proceeds of Bonds.

The Assignee shall keep and maintain adequate records pertaining to the payments received, and after the Prior Bonds and costs of issuance have been paid as provided in this Section, the Assignee shall deliver copies of such records to the Issuer and the Borrower upon request.

Section 6. Payment of Amounts Under the Loan Agreement. It is the declared intention of the Issuer to authorize the disbursement of the proceeds of the Bonds in order to

finance the refunding of the Prior Bonds pursuant to the Loan Agreement in substantially the form which has been presented to and is hereby approved by the County Board of the Issuer.

The Chairman of the County Board is hereby authorized to execute and acknowledge said Loan Agreement for and on behalf of the Issuer, and the County Clerk is hereby authorized to attest same and to affix thereto the corporate seal of the Issuer.

The Loan Agreement and the Note and the receipts therefrom, including all moneys received under their terms and conditions, are intended to be sufficient to pay the principal installments of and interest on the Bonds hereby authorized and are hereby pledged and ordered paid to the Registered Owners of the Bonds for payment of the Bonds. The Loan Agreement provides that the Borrower shall remit the required payments thereunder directly to the Assignee for payment of the Bonds and such provision for payment is hereby expressly approved.

Section 7. Receipts. Notwithstanding any provision of this Bond Resolution or the Loan Agreement to the contrary, the Bonds and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by the Assignment and are payable by the Issuer solely and only out of the receipts derived from the Loan Agreement and the Note as provided herein and therein.

The Issuer covenants and agrees that should there be a default under the Loan Agreement, the Issuer shall fully cooperate with the Assignee and with the Registered Owners of the Bonds to enforce the obligations of the Borrower under the Loan Agreement and the Note to the end of fully protecting the rights and security of such Registered Owners. Nothing herein shall be construed as requiring the Issuer to use any funds or receipts from any source other than funds and receipts derived from or as described in the Loan Agreement and the Note, or to undertake to perform the obligations of the Borrower under the Loan Agreement and the Note, including without limitation the obligation to complete the Refunding.

Any amounts held by the Assignee, after payment in full of the principal installments of and interest on the Bonds (or provision for payment thereof as provided in this Bond Resolution) shall be paid to the Borrower upon the expiration or sooner termination of the term of the Loan Agreement.

Section 8. Assignment. As security for the due and punctual payment of the principal installments of and interest on the Bonds hereby authorized, the Issuer hereby assigns and pledges to the Assignee, the Loan Agreement and the Note, including all receipts derived by the Issuer pursuant to the Loan Agreement and the Note (except any payment made pursuant to Sections 2.3, 3.4, 6.4, 8.2, 8.3, 8.5, 8.6 and 8.7 of the Loan Agreement relating to reimbursement or indemnification of the Issuer by the Borrower) and all rights and remedies of the Issuer under the Loan Agreement and the Note to enforce payment thereof, including evidence of such assignment and of the agreement of the

Assignee to accept its responsibilities with respect to the moneys to be applied to the payment of the Bonds, the Chairman of the County Board is hereby authorized to execute for and on behalf of the Issuer, and the Chairman of the County Board and County Clerk are authorized and directed to cause the Assignment to be executed by the Assignee, with the Assignment to be in substantially the form which has been presented to and is hereby approved by the County Board of the Issuer.

Section 9. Investments: Arbitrage. Any moneys held for application to payment of the Bonds, may be invested or reinvested on the direction of the Borrower, in accordance with the provisions of the Loan Agreement and this Bond Resolution. Any such investment shall be held by or under control of the Borrower and shall be deemed at all times a part of the account from which such investment was made and the interest accruing thereon and any profit realized from such investments shall be credited to such account, and any loss resulting from such investments shall be charged to such account, which loss shall be an obligation of the Borrower as provided in the Loan Agreement.

With respect to Section 148 of the Code, the Borrower has made certain certifications and representations to the Issuer in Sections 2.2 and 2.3 of the Loan Agreement, which certifications and representations by this reference are incorporated herein and made a part hereof. The Issuer agrees to comply with all provisions of the Code which, if not complied with by the Issuer, would cause the Bonds not to be tax-exempt. The County Board of the Issuer, acting in reliance upon such certifications and representations, in furtherance of the foregoing provisions, but without limiting their generality, agrees that it will not take or authorize the taking of any action which will affect the tax-exempt status of the Bonds under the Code or will cause the Bonds to be classified as an "arbitrage bond" within Section 148 of the Code and regulations or rulings lawfully promulgated thereunder.

The Issuer recognizes that the provisions of Section 148 of the Code require a rebate to the United States government in certain circumstances, and pursuant to the Arbitrage Regulation Agreement creates and orders established with the Borrower, a trust fund in the name of the Issuer to be designated "The County of Sangamon Economic Development Revenue Bonds Rebate Fund (The Hope School Project, Series 2010)" (the "Rebate Fund"), which shall be held, invested, expended and accounted for at the direction of the Borrower and at the Borrower's expense in accordance with the Assignment, the Loan Agreement and the Arbitrage Regulation Agreement. Such Rebate Fund shall not be considered moneys held under the Assignment and shall not constitute part of the Refunding held for the benefit of the Registered Owners, the Issuer, or the Borrower, but shall be held on behalf of the United States government as contemplated by the provisions of the Arbitrage Regulation Agreement and subject to direction by the Borrower as provided in the Arbitrage Regulation Agreement.

Moneys in the Rebate Fund shall be held in trust by the Borrower and, except for those excess amounts which may be transferred to the Assignee as funds to be held and applied under the Assignment, shall be held for future payment at the Borrower's direction

to the United States government as contemplated under the provisions of the Arbitrage Regulation Agreement.

Notwithstanding the foregoing, exemptions to rebate requirements applicable to the Bonds appear at Treasury Regulation 1.148-7. Based upon the certifications of the Borrower, no rebate is required or planned by the Issuer. In support of this conclusion, the Chairman of the County Board and the County Clerk may make such further certifications and covenants as they deem necessary in the Arbitrage Regulation Agreement.

Section 10. General Covenants. The Issuer covenants that it will promptly cause to be paid solely and only from the source mentioned in the Bonds, the principal installments of and interest on the Bonds hereby authorized at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. The Bonds and the obligation to pay interest thereon are limited obligations of the Issuer, secured by, among other things, the Assignment and payable solely out of the receipts derived by the Issuer from the Loan Agreement and the Note and otherwise as provided herein and in the Loan Agreement and the Note. The Bonds and the obligation to pay interest thereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Resolution, in the Bonds and in all proceedings of its County Board pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Act, to issue the Bonds authorized hereby, and to pledge and assign the receipts hereby pledged and assigned in the manner and to the extent herein set forth; and that all action on its part for the issuance of the Bonds has been duly and effectively taken and that the Bonds are and will be a valid and enforceable limited obligation of the Issuer according to the true intent and meaning thereof, except as the enforceability of the same may be subject to bankruptcy, insolvency, reorganization, moratorium and other laws in effect from time to time affecting creditors' rights, and to the exercise of judicial discretion in accordance with general principles of equity.

The Issuer covenants that it will execute, acknowledge and deliver such instruments and other documents as the Registered Owners of the Bonds or the Assignee may reasonably require for the better assuring, granting, pledging and assigning unto the Assignee the interest of the Issuer in the Loan Agreement and the Note, as well as the rights of the Issuer in and to the receipts hereby assigned and pledged to the payment of the principal installment of and interest on the Bonds. The Issuer covenants and agrees that, except as herein and in the Loan Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the receipts derived from the Loan Agreement and the Note or of its rights under the Loan Agreement and the Note.

The Issuer covenants and agrees that all books and documents in its possession relating to the receipts derived from and as described in the Loan Agreement and the Note

shall at all reasonable times be open to inspection by the Registered Owners of the Bonds or such accountants or other agencies as such Registered Owners may from time to time designate.

Section 11. Event of Default and Remedies. If any of the following events occur it is hereby defined as and declared to be and to constitute an "Event of Default":

(a) Default in the due and punctual payment of any interest on the Bonds or of any principal installments of the Bonds, whether at the stated maturity thereof, or upon proceedings for prepayment thereof, and continuance of such default for one (1) Business Day.

(b) Any event of default under Section 8.1 of the Loan Agreement shall have occurred.

Upon the occurrence of an Event of Default and so long as such event is continuing, the Assignee by notice in writing delivered to the Issuer and the Borrower, may declare the principal installments of the Bonds and the interest accrued thereon immediately due and payable, and such principal installments and interest shall thereupon become and be immediately due and payable. Upon any such declaration all payments under the Loan Agreement and the Note from the Borrower immediately shall become due and payable as provided in the Loan Agreement.

While any principal installments of the Bonds or interest are unpaid, the Issuer shall not exercise any of the remedies on default specified in Section 8.2 of the Loan Agreement without prior written consent of the Assignee.

Upon the occurrence of an Event of Default, the Assignee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal installments and interest on the Bonds and to enforce and compel the performance of the duties and obligations of the Issuer as herein set forth and of the Borrower as set forth in the Loan Agreement and the Note.

No remedy by the terms of this Bond Resolution conferred upon or reserved to the Assignee is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Assignee or to the Registered Owner hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of the Loan Agreement (after payments of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Assignee or the Registered Owners of the Bonds) and all moneys in the held by the Assignee at the time of the occurrence of an Event of Default shall be applied to the payment of the principal installments and interest then due and unpaid upon the Bonds to the person entitled thereto.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Assignee as the case may be shall determine, but in any event within fifteen (15) business days after receipt of such moneys by the Assignee as the case may be. The Assignee shall give such notice as it may deem appropriate of the receipt of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Registered Owner of any Bond until such Bond shall be presented for appropriate endorsement or for cancellation if fully paid.

Whenever all principal installments and interest on the Bonds have been paid under the provisions of this Section and all expenses of the Assignee and the Issuer have been paid, any balance remaining with the Assignee shall be paid to the Borrower.

With regard to any default concerning which notice is given to the Borrower under the provisions of this Section, the Issuer hereby grants the Borrower full authority for account of the Issuer to perform or observe any covenant or obligation alleged in said notice not to have been performed or observed, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do in order to remedy such default.

Section 12. Sale of the Bonds; Execution of Bond Purchase Agreement. The sale of the Bonds (the execution and issuance of which is authorized pursuant to Section 13 hereunder) to the Purchaser, at a price of the Principal Amount, plus accrued interest, if any, and payment pursuant to the Bond Purchase Agreement is hereby in all respects authorized, approved and confirmed. The Bond Purchase Agreement in substantially the form which has been presented to this County Board is hereby approved.

From and after the execution and delivery of the Issuer Documents authorized by this Bond Resolution, the officers, agents and employees of the Issuer are hereby further authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out the intent and accomplish the purposes of this resolution and to comply with and make effective the provisions of the instruments as executed.

Section 14. Other Tax Covenants.

A. The Issuer recognizes the provisions of Section 265(b)(3) of the Code which provide that a "qualified tax exempt obligation" as therein defined may be treated by certain financial institutions as if it were acquired on August 7, 1986, for certain purposes. The Issuer hereby designates each of the Bonds as may be from time to time outstanding for purposes of Section 265(b)(3) of the Code as a "qualified tax exempt obligation" as provided herein. In making such designation, the Issuer is relying upon covenants and warranties of the Borrower and continued compliance in connection with Section 501(c)(3) of the Code and the status of the Bonds as "Qualified 501(c)(3) Bonds" under Section 141(e)(1)(G).

In support of such designation, the Issuer certifies, represents and covenants as follow:

1) Including the Bonds, the Issuer (including any entities subordinate thereto) has not and does not reasonably expect to issue in excess of \$30,000,000 in "qualified tax-exempt obligations" during calendar year 2010 for the Borrower.

2) Including the Bonds, not more than \$30,000,000 of obligations issued by the Issuer (including any entities subordinate thereto) during calendar year 2010 have been to date or will be designated by the Issuer for purposes of said Section 265(b)(3) for the Borrower.

B. The Bonds are qualified 501(c)(3) "private activity bonds" as defined in Section 141(e)(1)(G) of the Code. In support of such conclusion, the Issuer certifies, represents and covenants as follows:

1) All property which is to be provided by the net proceeds of the issue is to be owned by a 501(c)(3) organization or a governmental unit.

2) No direct or indirect payments are to be made on any Bonds with respect to any private business use by any person other than the qualified 501(c)(3) organization.

3) None of the proceeds of the Bonds are to be used, directly or indirectly, to make or finance loans to persons other than a qualified 501(c)(3) organization.

ECONOMIC DEVELOPMENT REVENUE BONDS  
(THE HOPE SCHOOL PROJECT)  
SERIES 2010

No. R-1

\$4,700,000.00

(1) KNOW ALL MEN BY THESE PRESENTS that The County of Sangamon, Illinois (the "Issuer"), a county of the State of Illinois, for value received, promises to pay from the source and as hereinafter provided, to the order of JPMORGAN CHASE BANK, N.A., a national banking association, or registered assigns, the principal sum of FOUR MILLION SEVEN HUNDRED THOUSAND DOLLARS (\$4,700,000), in installments of principal as hereinafter provided and to pay interest on the unpaid balance of said principal sum as hereinafter provided, until the principal amount is paid in full.

(2) This Bond shall bear interest at the Tax-Exempt Interest Rate in effect from time to time, provided, however, that from and after any Effective Date of Taxability as defined in the Agreement (as hereinafter defined), this Bond shall bear interest at the Taxable Interest Rate in effect from time to time. The interest rate on this Bond is subject to monthly variation based upon fluctuations in the LIBOR Rate and the Base Rate in effect from time to time. Each change in the rate to be charged on this Bond will become effective without notice on the commencement of each Interest Period based upon the LIBOR Rate or the Base Rate then in effect. Under no circumstances will the interest rate on this Bond be more than the maximum rate allowed by applicable law.

(3) Principal payments on this Bond shall be made monthly on each Principal Payment Date as set forth in the attached principal payment schedule, together with accrued interest payments on each Interest Payment Date. The monthly interest payments shall be in arrears, calculated at the applicable interest rate for the actual number of days elapsed, with a 360 day year basis. All payments of principal and interest shall be due and payable on the Principal Payment Dates and the Interest Payment Dates, respectively, through December 1, 2022, when payment shall be made of all principal then remaining unpaid together with interest thereon. All payments shall be applied first to interest due and the balance to repayment of principal.

(4) As used herein, the terms "Borrower", "Effective Date of Taxability," "Determination of Taxability," and all other defined terms used herein shall have the meanings assigned to them in the Loan Agreement by and among the Issuer and the Borrower dated as of December 1, 2010 (the "Agreement"), including but not limited to the following definitions:

“Base Rate” means the higher of (i) Purchaser’s Prime Rate, (ii) Adjusted One Month LIBOR Rate and (iii) 7.5%. Adjusted One Month LIBOR Rate is defined as the sum of 2.50% plus the rate per annum determined to be the quotient of (a) the LIBOR Rate, divided by (b) 100% minus the reserve percentage prescribed by the Board of Governors of the Federal Reserve System (or any successor) for “Eurocurrency Liabilities” (as defined in Regulation D of the Federal Reserve Board).

“Code” means the Internal Revenue Code of 1986, as now or hereafter amended, and applicable regulations. All references herein to sections of the Code are to the sections thereof as they existed on the date of execution of the Agreement.

“Interest Payment Date” means the monthly payment of interest due on the first (1st) day of each calendar month during the term of the Bond, commencing February 1, 2011.

“Interest Period” means each consecutive one month period (the first of which shall commence on the date of the Bonds) effective as of the first day of each Interest Period and ending on the last day of each Interest Period, provided that if any Interest Period is scheduled to end on a date for which there is no numerical equivalent to the date on which the Interest Period commenced, then it shall end instead on the last day of the calendar month which ends within such Interest Period.

“LIBOR Rate” means, with respect to any Interest Period for the Bonds, the interest rate appearing on Reuters Screen LIBOR01, formerly known as Page 3750 of the Moneyline Telerate Service (or on any successor or substitute page of such Service, or any successor to or substitute for such Service, providing rate quotations comparable to those currently provided on such page of such Service, as determined by the Assignee from time to time as the rate for dollar deposits in the London interbank market) at approximately 11:00 a.m., London time, two London Business Days prior to the commencement of such Interest Period. In the event that such rate is not available at such time for any reason, then the “LIBOR Rate” for such Interest Period shall be the rate at which dollar deposits of \$5,000,000 and for a maturity comparable to such Interest Period are offered by the principal London office of the Assignee in immediately available funds in the London interbank market at approximately 11:00 a.m., London time, two London Business Days prior to the commencement of such Interest Period. “London Business Day” means any day other than a Saturday, Sunday or a day on which banking institutions are generally authorized or obligated by law or executive order to close in the City of London, England.

“Overdue Rate” means the Base Rate plus four percent (4%).

“Purchaser” or “Assignee” means JPMorgan Chase Bank, N.A., a national banking association.

“Principal Payment Date” means an Interest Payment Date occurring on or after February 1, 2011.

“Tax Exempt Interest Rate” means a variable rate of interest per annum in effect for an Interest Period equal to 67% of the sum of (i) the LIBOR Rate in effect from time to time plus (ii) 1.80%.

“Taxable Interest Rate” means a variable rate of interest per annum in effect for an Interest Period equal to the Base Rate from time to time in effect.

(5) Upon maturity of the Bond (whether by acceleration or otherwise), until paid, and during the continuance of an Event of Default under the Loan Agreement, this Bond shall bear interest at a rate per annum equal to the Overdue Rate. In the event any payment is not made when due hereunder, the Issuer shall pay to the owner of this Bond a “late charge” equal to the Overdue Rate, as defined in the Agreement, times the amount of such principal, interest or other charges.

(6) Principal of and interest and premium, if any, on this Bond are payable in lawful money of the United States of America. Payment of principal and interest on this Bond shall be made to the registered owner thereof and shall be paid by direct debit or by check or draft mailed to the registered owner at his address as it appears on the registration books of Issuer or at such other address as is furnished to Issuer and Borrower in writing by such registered owner.

(7) This Bond is the sole and only Bond of an authorized issue of Bonds limited, in aggregate principal amount to \$4,700,000 and issued in one series (the “Bonds”) for the purpose of providing funds to be loaned to The Hope School, an Illinois not-for-profit corporation and 501(c)(3) organization, (the “Borrower”) to refund certain prior bonds of the County originally issued to pay the costs of a project (the “Project”), and to pay all or a portion of the costs of issuance of the Bonds (collectively, the “Refunding”).

(8) The proceeds from the sale of the Bonds have been lent by the Issuer to the Borrower under the terms of the Agreement, under which the Borrower is obligated to pay amounts which are sufficient to pay (1) the principal of, and interest on, the Bonds as the same shall become due in accordance with the the terms and provisions of the Bonds and the Agreement, and (2) certain Additional Payments and expenses of Issuer related to the Project.

(9) The Bonds are secured by an Assignment and Agreement dated as of December 1, 2010, between the Issuer and the Purchaser. Reference is hereby made to the Agreement for a description of the property pledged and assigned, the provisions, among others, with respect to the nature and extent of the security, the rights, duties and obligations of Issuer, and the owner of the Bonds, and the terms upon which the Bonds are issued and secured.

(10) This Bond is transferable by the registered owner hereof in person or by his attorney duly authorized in writing, but only in the manner, subject to the limitations and upon payment of the charges provided in the Agreement, and upon surrender and cancellation of this Bond. Upon such transfer a new registered Bond or Bonds of the same

series and the same maturity and of authorized denomination or denominations for the same aggregate principal amount will be issued to the transferee in exchange therefor. Issuer and any paying agents may deem and treat the registered owner hereof as the absolute owner hereof (whether or not this Bond shall be overdue) for the purpose of receiving payment of or on account of principal hereof and premium, if any, and interest due hereon and for all other purposes, and Issuer shall not be affected by the notice to the contrary.

(11) The Bonds are issuable only as a fully registered Bond without coupons. Subject to the limitations and upon payment of the charges provided in the Agreement, a registered Bond without coupons may be exchanged for a like aggregate principal amount of registered Bonds without coupons of other authorized denominations of the same series and the same maturity.

(12) The principal installments of the Bonds are subject to prepayment at the option of the Borrower at any time, in whole or in part, as set forth in the Agreement.

(13) In the event of prepayment, the Bonds may be redeemed as directed by the Borrower at a prepayment price of par plus accrued interest to the prepayment date upon written notice to the Registered Owners of the Bonds given by the Borrower on behalf of the Issuer, at least five (5) business days prior to the installment payment date which the Borrower shall have designated as the prepayment date.

(14) In the event the Borrower prepays the Bonds in part, the Borrower shall be required to continue to make payments on each subsequent Principal Payment Date until the entire principal balance of the Bonds is paid in full.

(15) Additionally, notwithstanding the foregoing paragraph, the Bonds are subject to redemption in the event the Borrower shall be obligated to prepay the amounts payable under the Agreement as provided in Article V of the Agreement. If called for redemption at any time pursuant to the above, the Bonds shall be subject to redemption by the Issuer on any Interest Payment Date, in whole or in part, as the case may be, at a redemption price of one hundred percent (100%) of the principal amount thereof plus accrued interest to the redemption date. Reference is hereby made to Section 9.1 and Article V of the Agreement for a description of the circumstances under which the Borrower may prepay or be required to prepay the amounts payable under the Agreement.

(16) The Bonds are issued pursuant to and in full compliance with the Industrial Building Revenue Bond Act, 50 ILCS 445/1 *et seq.*, as amended, and by appropriate action duly taken by the County Board of the Issuer which authorizes the execution and delivery of the Agreement. Payments sufficient for the prompt payment, when due, of the principal of and premium, if any, and interest on the Bonds are to be paid by the Borrower to the Purchaser for the account of Issuer and such payments have been duly pledged and assigned for that purpose, and in addition, the rights of Issuer (other than certain indemnification rights and the payment of certain expenses of Issuer related to the Project) under the Agreement have been assigned to the Purchaser to secure payment of such principal and

premium, if any, and interest under the Agreement. The Bonds are issued in part pursuant to the Local Government Debt Reform Act.

(17) THIS BOND DOES NOT CONSTITUTE AN INDEBTEDNESS OF THE ISSUER NOR A LOAN OF THE CREDIT OF THE ISSUER OR THE STATE OF ILLINOIS WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY LIMITATION. NEITHER THE FAITH AND CREDIT OF THE ISSUER NOR THE TAXING POWER OF THE STATE OF ILLINOIS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR INTEREST ON THE BONDS.

(18) The owner of this Bond shall have no right to enforce the Agreement or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Agreement, or to institute, appear in or defend any suit or other proceedings with respect thereto, unless an Event of Default, as defined in the Agreement shall have occurred. In certain events, on the conditions, in the manner and with the effect set forth in the Agreement, the principal of the Bonds and then outstanding may become or may be declared due and payable before the stated maturity thereof, together with interest accrued thereon.

(19) The Agreement permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of Issuer and the rights of the owner of the Bonds at any time by Issuer with the consent of the owner the Bonds. Any such consent or waiver by the owner of the Bonds shall be conclusive and binding upon such owner and upon all future owners of this Bond and of any Bond issued in replacement thereof whether or not notation of such consent or waiver is made upon this Bond. The Agreement also contains provisions permitting waiver of certain past defaults under the Agreement and their consequences.

(20) It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and be performed precedent to and in the execution and delivery of the Agreement and the issuance of this Bond do exist, have happened and have been performed in due time, form and manner as required by law; that the issuance of this Bond and the issue of which it forms a part, together with all other obligations of the Issuer, does not exceed or violate any constitutional or statutory limitation; and that the amounts payable under the Agreement and pledged to the payment of the principal of and premium, if any, and interest on this Bond and the issue of which it forms a part, as the same become due, will be sufficient in amount for that purpose.

(21) The Issuer has designated the Bonds "qualified tax-exempt obligations" under Section 265(b)(3) of the Code.

IN WITNESS WHEREOF, The County of Sangamon, Illinois, has caused this Bond to be executed in its name by the manual signature of its County Chairman and its corporate seal to be hereunto impressed or imprinted hereon and attested by the manual signature of its County Clerk, all as of the December 22, 2010.
