Requesting Department: Auditor

Grant Program Title: IPRF Safety Grant

This request is for: a new grant renewal or extension of an existing grant

Grantor: _____

Brief description of the grant program and its benefits to Sangamon County:

Each year, as part of the County's worker's compensation insurance premiums paid, we receive a grant award to be used to reduce the costs associated with worker's compensation claims or enhance and improve employee wellness. For the past several years, the bulk of these funds has been used to offset the cost of maintaining a nurse case manager, contracted through Encore. This case management function has been highly effective in reducing the frequency and severity of worker's compensation claims throughout the County's workforce.
