

Resolution # 1-1

WHEREAS, County policies and procedures require both the assigned oversight committee and the Finance Committee to approve all requests to apply for grants from Federal and State agencies, as well as grants from all other entities; and,

WHEREAS, County policies and procedures require that the acceptance of grants of \$30,000 or more must be approved by the full County Board;

WHEREAS, the Department of Public Health wishes to apply for and accept an a grant from Illinois Department of Public Health for the Strengthening IL Public Health Administration program in the amount of approximately \$700,000.00; and

WHEREAS, this grant will allow Public Health to provide workforce development activities to support and strengthen public health for our community; and

WHEREAS, as documented by the approval of this resolution, Public Health Committee and the Finance Committee have approved the Public Health Department's request to apply for the Strengthening IL Public Health Administration grant and the committees recommend that the County Board approve the acceptance of this grant, if awarded by Illinois Department of Public Health.

NOW, THEREFORE, BE IT RESOLVED that the Sangamon County Board, in session this 27th day of June, 2023, approves the acceptance of the Strengthening IL Public Health Administration grant, which is detailed above, if the grant is awarded to the County by Illinois Department of Public Health. The County Administrator is authorized to sign required grant documents to execute the agreement for this grant.

SANGAMON COUNTY - GRANT APPROVAL FORM

Requesting Department: Public Health

Grant Program Title: Strengthening IL Public Health Administration (SIPA) - 24

This request is for: a new grant renewal or extension of an existing grant

Grantor: Illinois Department of Public Health

Brief description of the grant program and its benefits to Sangamon County:

Grant funds are being allocated for workforce development activities, including hiring, retention, training, and other incentives to support and sustain the public health workforce. There are no restrictions on the types of positions that can be hired for public health capacity building and departments can utilize the funds to support public health activities as needed in their own communities. Our department will receive \$700,000.00 (\$350,000.00 for Sangamon and \$350,000.00 for Menard) to support workforce development activities. The grant period is July 1, 2023 - November 30, 2027. This funding is federal pass-through monies from the CDC.

Anticipated Grant Revenue Amount: \$700,000.00

Are matching funds required? Yes No

If yes, please state the amount and the source of matching funds:

If this grant is approved, will any new personnel be hired: Yes No

If Yes, please indicate the number and cost of personnel:

We anticipate hiring one to two full time staff members for the 4.3 years of the grant. Decisions regarding the type of staff member hired will be dependent on community needs using the Illinois Project for Local Assessment of Needs (IPLAN).

Are there any *indirect* costs or *legal* requirements associated with this grant (i.e., increased workload on existing staff, requirements to continue specific programs after grant periods, etc.): Yes No

If Yes, please provide details. Include attachment if needed:
