

Resolution # 20-1

WHEREAS, County policies and procedures require both the assigned oversight committee and the Finance Committee to approve all requests to apply for grants from Federal and State agencies, as well as grants from all other entities; and,

WHEREAS, County policies and procedures require that the acceptance of grants of \$30,000 or more must be approved by the full County Board;

WHEREAS, the Department of Public Health wishes to apply for and accept an a grant from Illinois Department of Human Services for the WIC Supplemental Grant program in the amount of approximately 585,059.00; and

WHEREAS, this grant will allow Public Health to provide nutrition education and counseling, supplemental foods and information to at risk mothers and children; and

WHEREAS, as documented by the approval of this resolution, Public Health Committee and the Finance Committee have approved the Public Health Department's request to apply for the WIC Supplemental grant and the committees recommend that the County Board approve the acceptance of this grant, if awarded by Illinois Department of Human Services.

NOW, THEREFORE, BE IT RESOLVED that the Sangamon County Board, in session this 8th day of June, 2021, approves the acceptance of the WIC Supplemental grant, which is detailed above, if the grant is awarded to the County by Illinois Department of Human Services. The County Administrator is authorized to sign required grant documents to execute the agreement for this grant.

SANGAMON COUNTY - GRANT APPROVAL FORM

Requesting Department: Public Health

Grant Program Title: Women, Infants, and Children (WIC) Supplemental Grant

This request is for: a new grant renewal or extension of an existing grant

Grantor: Illinois Department of Human Services

Brief description of the grant program and its benefits to Sangamon County:

The Illinois WIC program will focus on: reaching the USDA assigned caseload in order to ensure benefits are available to those most in need; and to achieve breastfeeding goals for improved health of mothers and babies. Program staff assesses for eligibility by providing a health outcome-based WIC nutrition assessment (anthropometric data, biochemical data, clinical data, dietary information, environmental and family information and other adjunct health information). All participants receive nutrition education and counseling (including breastfeeding), supplemental foods and information about other health services based on assessment findings.

Anticipated Grant Revenue Amount: \$585,059.00

Are matching funds required? Yes No

If yes, please state the amount and the source of matching funds:

[Empty box for matching funds details]

If this grant is approved, will any new personnel be hired: Yes No
