

Resolution No. 21-1

Whereas, the Sheriff's Office uses 3 industrial capacity washing machines for all inmate services (clothing, linens, etc.), and

Whereas, all three washing machines have functioned well past their warranties and functional lives, and

Whereas, all three washing machines have had recent drum and motor issues that will require significant repairs or replacement;

Now, therefore be it resolved, that the Members of the Sangamon County Board, in session on this 14th day of August, authorize the Sheriff's Office to replace these 3 industrial washers in an amount not to exceed \$30,000.
