COUNTY BOARD MEMBER: #1 NAME: Harry "Tom" Fraase

DOCKET NUMBER: 2011-060

ADDRESS: 6333 Curran Road, New Berlin, Il. 62670

PETITIONER: Gerald W. Butler

PRESENT ZONING CLASSIFICATION: "A" Agricultural District and "R-1" Single Family Residence District.

REQUESTED ZONING CLASSIFICATION: "R-1" Single Family Residence District with a variance to allow the lot depth to be greater than two and one-half (2 1/2) times the lot width for one (1) parcel.

AMENDED: Petitioner amended on record to remove the request for R-1 zoning as it was his testimony that the subject property would be used only for agricultural uses.

AREA: 43 acres

COMMENTS: None

OBJECTORS: None

PLANNING COMMISSION RECOMMENDATION: Recommend denial of the requested R-1 zoning for the eastern portion of the subject property that is currently zoned Agricultural. This portion of the property is currently in cropland production and the LESA score of 178 indicates the property is deemed acceptable for agricultural development only. In 2010, the County Board denied the request to rezone the majority of this portion of the subject property to R-1. Since it is the opinion of staff that the R-1 zoning is not appropriate, the requested variance is not needed.

SANGAMON COUNTY BOARD OF APPEALS
RECOMMENDATION:

Approval of the variance.

RECOMMENDATION OF THE BOARD OF APPEALS

THIS MATTER, Coming on for a hearing before the Sangamon County Zoning Board of Appeals of Sangamon County, Illinois, and it appearing to said Board that a petition for a **variance** of the Zoning Regulations of said County has been filed herein by the above captioned petitioner (s); that legal publication has been made pursuant to law; and that a public hearing was held on **December 15, 2011** pursuant to law; and that said Board took testimony of witnesses, examined the evidence, and otherwise being fully advised in the premises, therefore finds as follows:

1. That said Board has jurisdiction to consider the petition filed herein.
2. That the above-captioned petitioner(s) is the owner(s) and/or has a beneficial interest in, contract to purchase, or is the County Board Member representing the property commonly known as: **6333 Curran Road, New Berlin, IL.** and more particularly described as:

See Exhibit A

- 3. That the present zoning of said property is "A" Agricultural District and "R-1" Single Family Residence District.
- 4. That the present land use of said property is a single family residence and farmland.
- 5. That the proposed land use of said property is a single family residence and farmland.
- 6. That the requested variance of said property is to allow the lot depth to be greater than two and one-half (2 ½) times the lot width for one (1) parcel.
- 7. That required findings and standards of the Sangamon County Board of Appeals are accurately stated on the attached exhibit (s).
- 8. The evidence adduced at the hearing does support the proposition that the adoption of the proposed variance is in the public interest and is not solely in the interest of the petitioner(s).

IT IS, THEREFORE, the recommendation of the Sangamon County Zoning Board of Appeals to the County Board of Sangamon County that the requested variance be approved.

Case #: 2011-060

Address: 6333 Curran Road, New Berlin, IL. 62670

The Zoning Board of Appeals shall not recommend to the Sangamon County Board that the regulations of this ordinance be varied as authorized in F. (1) hereof, unless it shall make findings of fact based up on the evidence presented to it in each specified case:

- (i) that the property in question cannot be economically used or yield a reasonable return, if permitted to be used only for the conditions allowed by the regulations.

Because the request for rezoning has been withdrawn, the property will remain agricultural and the variance will not effect the property economically.

- (ii) that the plight of the owner is due to circumstances unique to the property and not generally applicable to other property in the area.

The owner wishes to sell off some of the land where there is a natural division of the cropland from the remainder of the parcel. The petitioner stated that the potential buyer will use the land for agricultural purposes.

- (iii) that the variation, if granted, will not alter the essential character of the locality, impair an adequate supply of light and air to adjacent property, increase the congestion of traffic, or diminish or impair property values in the locality.

No negative impact is anticipated.
