

Resolution # 6-1

WHEREAS, it is a primary concern of Sangamon County that injured workers receive quality medical care and rehabilitation, as needed, to enable their recovery and expeditious return to the work environment; and

WHEREAS, in 2006 the County implemented a comprehensive medical case management program for workers' compensation which not only has been successful in ensuring that workers who are injured in the performance of their duties receive quality medical care and rehabilitation, but also has proven to be an effective method for managing the County's workers' compensation costs and time lost from work; and

WHEREAS, the County annually receives a grant of approximately \$70,000 per year from the Illinois Public Risk Fund (IPRF) which is used to offset our costs for providing a comprehensive medical case management program; and

WHEREAS, based on the results of a formal RFP process in 2014, Encore Unlimited, LLC (Encore) was awarded a two year contract beginning January 1, 2015, to provide medical case management services to County employees injured in the workplace; and

WHEREAS, the fixed price for Encore's work is \$59,100 per year (\$118,200 for the two year term of the agreement), and the acceptance of Encore's proposal reduced the County's expenses for medical case management services by approximately \$20,000 per year; and

WHEREAS, the contract with Encore gives the County the option to renew this agreement for one additional year under the same terms and conditions as the original contract; and

WHEREAS, the County is very satisfied with the quality of services provided by Encore and would like to extend the agreement with Encore for one additional year as authorized by the original contract.

NOW, THEREFORE, BE IT RESOLVED that the Sangamon County Board, in session this 13th day of September, 2016 hereby authorizes the contract for medical case management services with Encore Unlimited, LLC to be renewed for one additional year under the same terms and conditions as the original contract. The period of this contract renewal shall be January 1, 2017 through December 31, 2017. The amount of the contract shall be \$59,100 per year. The County Administrator is authorized to execute this agreement.
