

Resolution # 7-1

WHEREAS, County policies and procedures require both the assigned oversight committee and the County Board to approve all requests to procure goods and/or services costing \$30,000 or more; and,

WHEREAS, the Department of Information Systems wishes to procure goods and/or services from Watts Copy Systems, Inc. for the purpose of replacing all the County copiers in the amount of approximately \$56,880+page cost/y; and

WHEREAS, this purchase will allow all County Departments to provide copying and printing; and

WHEREAS, as documented by the approval of this resolution, the Building and Grounds Committee has approved the Information Systems Department's request to procure the items specified and the committee recommends that the County Board approve procurement of the same, and;

NOW, THEREFORE, BE IT RESOLVED that the Sangamon County Board, in session this 10th day of August, 2021, approves the procurement of the goods and/or services detailed above. The Elected Official/Department Head is authorized to sign required documents to execute the provision of this procurement.

Chairman, Sangamon County Board

ATTEST:

County Clerk

2021 MASTER COPIER RENTAL AGREEMENT
SANGAMON COUNTY/WATTS COPY SYSTEMS, INC

The parties to this agreement are:

Lessor: Watts Copy Systems, Inc. 2860 Stanton Ave., Springfield, IL 62703 Tele: 217-529-6697

Lessee: Sangamon County, 200 S. 9th St., Springfield, IL 62703 Tele: 217-753-6650

In consideration of the mutual promises contained in this agreement, the parties agree as follows:

ARTICLE 1 - COPIER EQUIPMENT LEASED

Lessor agrees to lease to Lessee and Lessee agrees to lease from Lessor the types of copier equipment set forth and described on Exhibit A (consisting of __ pages) hereto. All copiers will include security kits to protect data on the copiers' hard drives at no extra cost to Lessee. All copiers must be able to be used as a printer over TCP/IP with Windows 7/8/10 (and other versions of Windows released during the term of this contract) compatible drivers of Lessee's Local Area Network Windows Servers, as well as from an IBM iSystem.

Lessor will assist Lessee's Information Technologies department in determining what copier equipment will best meet each of Lessee's department's needs; this assistance will include, but not be limited to, Lessor meeting with personnel from each of the Lessee's departments. Based on these efforts, on or before August 1, 2021, Lessee shall notify Lessor of the number of each type of copier equipment it desires to lease under this Agreement and the location in which the copier equipment is to be installed in Lessee's premises on or before, October 1, 2021. Thereafter, should Lessee desire to lease additional copier equipment of the same type as that set forth in Exhibit A hereto anytime during the term of this agreement, Lessor shall lease this additional copier equipment to Lessee under this agreement's terms, including, but not limited to, an expiration date equal to this agreement's expiration date.

Lessor shall deliver to Lessee and properly install all equipment leased under this agreement at locations as designated by Lessee, including the installation of the equipment onto Lessee's network with the assistance of Lessee's Information Technologies personnel. The installation of the initial equipment leased shall be conducted in phases over a four-to-six-week period such that, as nearly as practicable, an equal number of copiers and related equipment are installed each week; the parties shall agree upon an exact installation schedule based upon equipment availability, personnel availability, Lessee's copying needs, and other considerations both parties deem pertinent to the scheduling. The installation of the initial equipment leased shall be completed by October 1, 2021.

ARTICLE 2 -- TERM

The term of this agreement is from October 1, 2021, through September 30, 2024. At its sole

discretion, Lessee may extend the term of this agreement through September 30, 2026, by providing Lessor with notice of its intent to do so at least sixty days prior to September 30, 2024.

As to each piece of copy equipment Lessor provides to Lessee, this agreement shall become effective as to it on the date Lessor installs it at Lessee's premises.

ARTICLE 3 - LOCATION OF EQUIPMENT

During the term of this agreement, each piece of leased copier equipment will remain in the premises controlled by Lessee where it is originally installed by Lessor. In no event shall Lessee move the equipment unless it obtains Lessor's written permission to do so. Upon the termination of this agreement, Lessee will relinquish possession of the equipment to Lessor in good repair, ordinary wear and tear excepted, and Lessor shall remove the equipment at Lessor's expense from Lessee's premises.

Lessor may charge a flat fee when Lessee requests that it move a copier from one of Lessee's buildings to another of its buildings. The flat fee may not exceed \$100 per copier to move and reinstall non-networked copiers and may not exceed \$145 per copier to move and reinstall networked copiers. Lessor will move copiers within any of Lessee's buildings at no charge.

ARTICLE 4 -- WARRANTIES

At the time any of the copier equipment is installed, it shall be covered by the equipment manufacturer's standard warranty.

Lessor warrants that it will maintain, service, and repair the copier equipment in accordance with the manufacturer's recommendations and specifications for the equipment.

ARTICLE 5 - MAINTENANCE

Lessor agrees to keep the copier equipment in good operating condition. To satisfy this obligation, Lessor shall provide all service, parts, labor, mileage, toner, color toner, developer, drums, fuser rollers, and preventative maintenance necessary for the proper and efficient operation of the copier equipment.

Lessor shall have service technicians on staff in its Springfield, Illinois, office. Upon receiving a request from Lessee for service to any of the leased copier equipment, Lessor will use its best efforts to ensure that its service technician arrives at the location of the copier equipment at issue to repair it within two hours of Lessor receiving Lessee's request.

If any equipment is inoperable for a period more than two business days, Lessor shall provide Lessee with loaner equipment of a similar speed and with similar capabilities until such time as the equipment being repaired is operating to Lessee's satisfaction.

Lessor agrees to furnish to Lessee substitute equipment at no extra charge for any equipment that does not, in Lessee's sole opinion, function properly after Lessor has attempted to repair it. The substitute equipment shall as nearly as practicable be identical (i.e., an identical model or, if an identical model is not available, a same-brand unit with comparable features and capabilities) to that equipment it replaces. The substitute equipment shall be provided to Lessee in a timely manner and delivered to the location of the equipment it replaces.

ARTICLE 6 -- TRAINING

Throughout the term of this agreement, Lessor shall train Lessee's employees on the proper operating of all copier equipment provided under this agreement. Additionally, at the time the copier equipment is installed, Lessor shall provide Lessee with written manuals regarding the proper operation of that equipment.

ARTICLE 7 -- PAYMENTS BY LESSEE

Lessee agrees to pay Lessor for the copier equipment and related services based upon the rates set forth and described in Exhibit A hereto.

Paper and staples will be billed separately as needed.

Payments are due sixty days after Lessee is invoiced. Payments shall be made at Lessor's place of business or at any other place as Lessor directs.

Lessor currently leases copier equipment to Lessee under a 2016 lease that is to be replaced by the copier equipment being leased pursuant to this agreement (the 2021 lease). The 2016 lease expires on September 30, 2021. The parties envision that the 2016 lease equipment will be replaced by the 2021 lease equipment prior to September 30, 2021. Accordingly, to accommodate a smooth transition from the 2016 lease equipment to the 2021 lease equipment and to avoid Lessor being charged for two sets of equipment serving one location for any time, Lessor agrees that as each piece of 2016 lease equipment is taken out of service Lessor will reduce, pro rata, its charge for the lease of that equipment.

EXAMPLE: If 2016 lease requires Lessee to pay \$900 for 90 days usage (or \$10 per day) of Copier A, but Copier A is taken out of service after 45 days of use and replaced by 2021 lease equipment, Lessor shall charge Lessee \$450 (45 days X \$10).

ARTICLE 8 - METER READINGS

If applicable, Lessee shall provide accurate and timely meter readings at the end of each applicable billing period by means as specified by Lessor. Lessor shall have the right, upon reasonable prior notice to Lessee, and during Lessee's regular business hours, to inspect the equipment and to monitor the meter readings. If Lessee's meter readings are not received in the time as specified by Lessor, the meter readings may be obtained electronically or by other means or may be estimated by Lessor subject to reconciliation when the correct meter reading is received by Lessor.

ARTICLE 9 -- REPORTING REQUIREMENTS

In addition to invoicing Lessee quarterly for charges allowed under this agreement, each quarter Lessor shall also provide Lessee with a statement setting forth any changes to the copier equipment provided hereunder, including listing substitutions, additions, and repairs thereto. In addition, Lessor shall provide Lessee with quarterly reports for chargeback purposes in an electronic format suitable for posting to Lessee's finance system.

ARTICLE 10 - INSURANCE

Lessee will insure the copier equipment against all loss or damage.

ARTICLE 11 - OWNERSHIP AND TITLE TO EQUIPMENT

Lessor is the owner of and has title to all equipment leased under this agreement.

ARTICLE 12 -- LICENSES AND TAXATION

All taxes and license charges levied on or assessed against the copier equipment shall be borne by Lessor.

ARTICLE 13 --PROPERTY DAMAGE

Lessor will reimburse Lessee for any damages to Lessee's property caused by Lessor's installation, maintenance, repair, or removal of the copier equipment.

Except when caused by Lessor's agents, Lessee is responsible for the risk of loss or from any destruction of or damage to the copier equipment, normal wear and tear excepted.

ARTICLE 14 -- ASSIGNMENT

Lessee has no right to assign its rights under this agreement. Upon written notice and consent of Lessee, which consent shall not be unreasonably withheld, Lessor may assign its rights under this agreement, but Lessor shall remain primarily liable to perform all the obligations it has undertaken under this agreement.

ARTICLE 15 -- TERMINATION

Because the term of this agreement spans multiple fiscal years, it obligates the Lessee to pay funds prior to the applicable appropriation for the expenditure, some of which may be contingent upon state or federal funding sources. Accordingly, Lessor agrees that this agreement may be terminated by Lessee if, in any fiscal year, for any reason, sufficient funds are or will no longer be available to satisfy Lessee's payment obligations hereunder providing, however, that Lessee provide Lessor with notice stating that such funds were not appropriated. Lessee will use its best efforts to provide Lessor with at least thirty days' notice of any appropriation problems.

ARTICLE 16 - GENERAL PROVISIONS

This agreement shall be binding on, and inure to, the benefit of the parties and their respective heirs, successors, legal representatives, and assigns, when permitted by this agreement.

All notices, consents, waivers, or other communication, except invoices, required under this agreement shall be sent by certified mail, return receipt requested, and shall be deemed to have been given when mailed to the parties at their respective addresses as set forth above or when mailed to the last address provided in writing to the other party by the addressee.

The failure of one party to enforce at any time any of the provisions or terms of this Agreement shall not be construed to be a waiver by such party to enforce such term provision or any other term or provision of this agreement. Whenever possible, each provision of this agreement will be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this agreement or the application thereof to any person, entity, or circumstances shall be invalid, illegal, or unenforceable to

any extent, the remainder of this agreement and the application thereof shall not be affected and shall be enforceable to the fullest extent permitted by law.

A facsimile or electronic copy of this agreement bearing authorized signatures shall be treated as an original.

This agreement shall be subject to and governed by Illinois law. Any action or proceeding arising out of or related to this agreement shall be commenced and maintained only in courts located in Sangamon County, Illinois, which courts shall have exclusive personal and subject matter jurisdictions. Each party, by their respective execution of this Agreement, consents and submits to the personal jurisdiction of any state or federal court located within Sangamon County, Illinois.

The headings and subheadings in this agreement are inserted merely for the purpose of convenience and do not express or imply any limitation, definition, or extension of the specific terms of this agreement.

This agreement may be modified only by a writing signed by both parties.
