

Resolution 8-1

Whereas, Sangamon County has determined that the implementation of a Geographic Information System (GIS) is necessary for the effective administration of County functions; and

whereas, it is necessary for the GIS Division of the Sangamon County Information Systems department to acquire new aerial photography every four (4) years as specified in the various intergovernmental agreements that the County has entered into with the city of Springfield and other villages located within Sangamon County; and

Whereas, Sangamon County is partnering with the U.S. Department of Interior, U.S Geological Survey for this project in order to realize substantial savings by having the entire state, except for the Chicago collar counties, acquired at the same time; and

Whereas, it is necessary to enter into a contract with the United States Department of Interior, United States Geological Survey to perform said services in an amount not to exceed One Hundred Forty Nine Thousand Five Hundred Forty Five Dollars (\$149,545.00); and

Paige Dierks
Sangamon County Clerk
