

RESOLUTION NO. 8-1

WHEREAS, Sangamon County's Internet Management System has become outdated and is no longer supported by the vendor;

WHEREAS, the Sangamon County Information Systems Department is proposing to replace the unsupported Internet Management System with current technology which will provide for improved management of our Internet bandwidth and better Internet functionality for all County network users;

THEREFORE, the Sangamon County Information Systems Department has evaluated and selected appropriate replacement equipment and developed a implementation plan for the new Internet Management System.

NOW, THEREFORE, BE IT RESOLVED, that the Members of the Board of Sangamon County, Illinois, in session this 7th day of April, 2014, hereby approve funding for the new Internet Management System at a cost not to exceed \$30,000.
