

RESOLUTION NO. 9-1

WHEREAS, Sangamon County's VPN (virtual private network) remote access system has become outdated and is no longer supported by the vendor;

WHEREAS, the Sangamon County Information Systems Department is proposing to replace the unsupported VPN remote access system with current technology which will provide for improved management of our remote access users and support for current technology, such as Microsoft Windows 8;

THEREFORE, the Sangamon County Information Systems Department has evaluated and selected appropriate replacement equipment and developed an implementation plan for the new VPN remote access system.

NOW, THEREFORE, BE IT RESOLVED, that the Members of the Board of Sangamon County, Illinois, in session this 7th day of April, 2014, hereby approve funding for the new VPN remote access system at a cost not to exceed \$20,000.
