designed, constructed and operated in accordance with the Illinois Department of Public Health Surface Source Water Treatment Code (77 Ill. Adm. Code 930).

C. Cisterns. Cisterns shall not be used for a water supply except where adequate groundwater resources are not available. Cistern water and surface water supplies shall receive treatment in accordance with the Illinois Department of Public Health Surface Source Water Treatment Code (77 Ill. Adm. Code 930).

5.24.060 Water analysis.

Owners of newly constructed wells or other types of water supplies which supply a semi-private water system shall have the water from the semi-private water supply analyzed and approved by either the laboratory of the Illinois Department of Public Health or a laboratory approved by the Illinois Department of Public Health before the well or other water supply is placed into service. A copy of the analysis shall be filed with the health department. The water obtained from a surface supply shall meet the nitrate, turbidity and bacteriological requirements contained in

Sections 900.50, 900.60 and 900.70 of the Illinois Department of Public Health Drinking Water Systems Code (77 Ill. Adm. Code 900), and water obtained from a well shall meet the nitrate and bacteriological requirements of Sections 900.50 and 900.70 of the Drinking Water Systems Code.

A fee of twenty five dollars is required for any water samples analyzed and processed by the Sangamon County Department of Public Health.

5.24.070 Exemptions.

The requirements for permit in this chapter shall not be applicable to wells intended to serve a community public water supply system, and to monitoring wells.

5.24.080 Violations

Any person, partnership or corporation violating any provisions of this chapter, upon conviction, shall be fined not less than one hundred dollars or more than one thousand dollars. Each day the violation continues shall constitute a separate offense. Fines shall be deposited in the county health fund.

5.24.090 Conflict of Ordinance & Separability of Provisions

In any case where a provision of this Ordinance is found to be in conflict with a provision of any other ordinance or code of Sangamon County existing on the effective date of this ordinance, the provisions of this ordinance shall be deemed to prevail, and such other ordinance or codes are hereby declared to be repealed to the extent that they may be found in conflict with this Ordinance.

If any section, subsection, paragraph, sentence, clause or phrase of this Ordinance should be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Ordinance which shall remain in full force and effect and, to this end, the provisions of this Ordinance are hereby declared to be severable.
