It is the declared intention of the Issuer to authorize the disbursement of the proceeds of the Bonds in order to finance or refinance the acquisition, construction, equipping and improvement of the Project pursuant to the Loan Agreement in substantially the form which has been presented to and is hereby approved by the County Board of the Issuer.

The Chairman of the County Board is hereby authorized to execute and acknowledge said Loan Agreement for and on behalf of the Issuer, and the County Clerk is hereby authorized to attest same and to affix thereto the corporate seal of the Issuer.

The Loan Agreement and the Note and the receipts therefrom, including all moneys received under their terms and conditions, are intended to be sufficient to pay the principal installments of and interest on the Bonds hereby authorized and are hereby pledged and ordered paid to the Registered Owners of the Bonds for payment of the Bonds. The Loan Agreement provides that the Borrower shall remit the required payments thereunder directly to the Assignee for deposit in the Bond Fund for payment of the Bonds and such provision for payment is hereby expressly approved.

Section 7. Receipts. Notwithstanding any provision of this Bond Resolution or the Loan Agreement to the contrary, the Bonds and all payments required of the Issuer hereunder are not general obligations of the Issuer but are special and limited obligations secured by the Assignment and are payable by the Issuer solely and only out of the receipts derived from the Loan Agreement and the Note as provided herein and therein.

There shall be deposited in the Bond Fund and applied to the payment of the Bonds, as and when received, (a) a sum equal to the accrued interest paid by the purchaser of the Bonds, if any; (b) all prepayments specified in the Loan Agreement; and (c) all other moneys required to be deposited under and pursuant to any of the provisions of the Loan Agreement and the Note. The Assignee is authorized and directed to transfer amounts available therefor to the Paying Agent for the payment when due of the principal of and interest on the Bonds.

The Issuer covenants and agrees that should there be a default under the Loan Agreement, the Issuer shall fully cooperate with the Assignee and with the Registered Owners of the Bonds to enforce the obligations of the Borrower under the Loan Agreement and the Note to the end of fully protecting the rights and security of such Registered Owners. Nothing herein shall be construed as requiring the Issuer to use any funds or receipts from any source other than funds and receipts derived from or as described in the Loan Agreement and the Note, or to undertake to perform the obligations of the Borrower under the Loan Agreement and the Note, including without limitation the obligation to complete the Project.

Any amounts held by the Assignee, after payment in full of the principal installments of and interest on the Bonds (or provision for payment thereof as provided in this Bond Resolution) and the charges and expenses of the Bond Registrar and Paying Agent, shall be paid to the Borrower upon the expiration or sooner termination of the term of the Loan Agreement.

Section 8. Assignment. As security for the due and punctual payment of the principal installments of and interest on the Bonds hereby authorized, the Issuer hereby assigns and pledges to the Assignee, the Loan Agreement and the Note, including all receipts derived by the Issuer pursuant to the Loan Agreement and the Note (except any payment made pursuant to Sections 2.3, 3.4, 6.4, 8.2, 8.3, 8.5, 8.6 and 8.7 of the Loan Agreement relating to reimbursement or indemnification of the Issuer by the Borrower) and all rights and remedies of the Issuer under the Loan Agreement and the Note to enforce payment thereof, including evidence of such assignment and of the agreement of the Assignee to accept its responsibilities with respect to the moneys to be applied to the payment of the Bonds, the Chairman of the County Board is hereby authorized to execute for and on behalf of the Issuer, and the Chairman of the County Board and County Clerk are authorized and directed to cause the Assignment to be executed by the Assignee, with the Assignment to be in substantially the form which has been presented to and is hereby approved by the County Board of the Issuer.

Section 9. Investments: Arbitrage. Any moneys held as part of the Project Fund created pursuant to Section 5 hereof or held by the Assignee for application to payment of the Bonds, may be invested or reinvested on the direction of the Borrower, in accordance with the provisions of the Loan Agreement and this Bond Resolution. Any such investment shall be held by or under control of the Assignee or Bond Registrar and shall be deemed at all times a part of the account from which such investment was made and the interest accruing thereon and any profit realized from such investments shall be credited to such account, and any loss resulting from such investments shall be charged to such account, which loss shall be an obligation of the Borrower as provided in the Loan Agreement.

As and when any amount invested pursuant to this Section may be needed for disbursement, the Borrower may direct the Assignee to cause a sufficient amount of the investments to be sold and reduced to cash to the credit of such accounts regardless of the loss on such liquidation which loss shall be the obligation of the Borrower to restore to the affected fund as described in the Loan Agreement.

With respect to Section 148 of the Code, the Borrower has made certain certifications and representations to the Issuer in Sections 2.2 and 2.3 of the Loan Agreement, which certifications and representations by this reference are incorporated herein and made a part hereof. The Issuer agrees to comply with all provisions of the Code which, if not complied with by the Issuer, would cause the Bonds not to be tax-exempt. The County Board of the Issuer, acting in reliance upon such certifications and representations, in furtherance of the foregoing provisions, but without limiting their

generality, agrees that it will not take or authorize the taking of any action which will affect the tax-exempt status of the Bonds under the Code or will cause the Bonds to be classified as an "arbitrage bond" within Section 148 of the Code and regulations or rulings lawfully promulgated thereunder.

The Issuer recognizes that the provisions of Section 148 of the Code require a rebate to the United States government in certain circumstances, and pursuant to the Arbitrage Regulation Agreement creates and orders established with the Assignee, a trust fund in the name of the Issuer to be designated "The County of Sangamon Economic Development Revenue Bonds Rebate Fund (Springfield Urban League Project, Series 2006)" (the "Rebate Fund"), which shall be held, invested, expended and accounted for at the direction of the Borrower and at the Borrower's expense in accordance with the Assignment, the Loan Agreement and the Arbitrage Regulation Agreement. Such Rebate Fund shall not be considered moneys held under the Assignment and shall not constitute part of the Project held for the benefit of the Registered Owners, the Issuer, or the Borrower, but shall be held on behalf of the United States government as contemplated by the provisions of the Arbitrage Regulation Agreement and subject to direction by the Borrower as provided in the Arbitrage Regulation Agreement.

Moneys in the Rebate Fund shall be held in trust by the Assignee and, except for those excess amounts which may be transferred to the Assignee as funds to be held and applied under the Assignment, shall be held for future payment at the Borrower's direction to the United States government as contemplated under the provisions of the Arbitrage Regulation Agreement.

Notwithstanding the foregoing, exemptions to rebate requirements applicable to the Bonds appear at Section 148(f)(4)(C) of the Code and Treasury Regulation 1.148-7(d). Based upon the certifications of the Borrower, no rebate is required or planned by the Issuer. In support of this conclusion, the Chairman of the County Board and the County Clerk may make such further certifications and covenants as they deem necessary in the Arbitrage Regulation Agreement.

Section 10. General Covenants. The Issuer covenants that it will promptly cause to be paid solely and only from the source mentioned in the Bonds, the principal installments of and interest on the Bonds hereby authorized at the place, on the dates and in the manner provided herein and in the Bonds according to the true intent and meaning thereof. The Bonds and the obligation to pay interest thereon are limited obligations of the Issuer, secured by, among other things, the Assignment and payable solely out of the receipts derived by the Issuer from the Loan Agreement and the Note and otherwise as provided herein and in the Loan Agreement and the Note. The Bonds and the obligation to pay interest thereon shall not be deemed to constitute an indebtedness or a loan of credit of the Issuer, the State of Illinois or any political subdivision thereof, or a charge against their general taxing powers, within the meaning of any constitutional or statutory provision of the State of Illinois. The Issuer covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Bond Resolution, in

the Bonds and in all proceedings of its County Board pertaining thereto. The Issuer covenants that it is duly authorized under the Constitution and laws of the State of Illinois, including particularly and without limitation the Act, to issue the Bonds authorized hereby, and to pledge and assign the receipts hereby pledged and assigned in the manner and to the extent herein set forth; and that all action on its part for the issuance of the Bonds has been duly and effectively taken and that the Bonds are and will be a valid and enforceable limited obligation of the Issuer according to the true intent and meaning thereof, except as the enforceability of the same may be subject to bankruptcy, insolvency, reorganization, moratorium and other laws in effect from time to time affecting creditors' rights, and to the exercise of judicial discretion in accordance with general principles of equity.

The Issuer covenants that it will execute, acknowledge and deliver such instruments and other documents as the Registered Owners of the Bonds or the Assignee may reasonably require for the better assuring, granting, pledging and assigning unto the Assignee the interest of the Issuer in the Loan Agreement and the Note, as well as the rights of the Issuer in and to the receipts hereby assigned and pledged to the payment of the principal installment of and interest on the Bonds. The Issuer covenants and agrees that, except as herein and in the Loan Agreement provided, it will not sell, convey, mortgage, encumber or otherwise dispose of any part of the receipts derived from the Loan Agreement and the Note or of its rights under the Loan Agreement and the Note.

The Issuer covenants and agrees that all books and documents in its possession relating to the receipts derived from and as described in the Loan Agreement and the Note shall at all reasonable times be open to inspection by the Registered Owners of the Bonds or such accountants or other agencies as such Registered Owners may from time to time designate.

Section 11. Event of Default And Remedies. If any of the following events occur it is hereby defined as and declared to be and to constitute an "Event of Default":

(a) Default in the due and punctual payment of any interest on the Bonds or of any principal installments of the Bonds, whether at the stated maturity thereof, or upon proceedings for prepayment thereof.

Upon the occurrence of an Event of Default and so long as such event is continuing, the Assignee by notice in writing delivered to the Issuer and the Borrower, may declare the principal installments of the Bonds and the interest accrued thereon immediately due and payable, and such principal installments and interest shall thereupon become and be immediately due and payable. Upon any such declaration all payments under the Loan Agreement and the Note from the Borrower immediately shall become due and payable as provided in the Loan Agreement.

While any principal installments of the Bonds or interest are unpaid, the Issuer shall not exercise any of the remedies on default specified in Section 8.2 of the Loan Agreement without prior written consent of the Assignee.

Upon the occurrence of an Event of Default, the Assignee may pursue any available remedy at law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the principal installments and interest on the Bonds and to enforce and compel the performance of the duties and obligations of the Issuer as herein set forth and of the Borrower as set forth in the Loan Agreement and the Note.

No remedy by the terms of this Bond Resolution conferred upon or reserved to the Assignee is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to any other remedy given to the Assignee or to the Registered Owner hereunder or now or hereafter existing at law or in equity or by statute.

No delay or omission to exercise any right, power or remedy accruing upon any Event of Default shall impair any such right, power or remedy or shall be construed to be a waiver of any such Event of Default or acquiescence therein; and every such right, power or remedy may be exercised from time to time as often as may be deemed expedient.

All moneys received pursuant to any right given or action taken under the provisions of this Section or under the provisions of the Loan Agreement (after payments of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Assignee or the Registered Owners of the Bonds) and all moneys in the Bond Fund or Project Fund at the time of the occurrence of an Event of Default shall be applied to the payment of the principal installments and interest then due and unpaid upon the Bonds to the person entitled thereto.

Whenever moneys are to be applied pursuant to the provisions of this Section, such moneys shall be applied at such times, and from time to time, as the Paying Agent or the Assignee as the case may be shall determine, but in any event within fifteen (15) business days after receipt of such moneys by the Paying Agent or the Assignee as the case may be. The Paying Agent shall give such notice as it may deem appropriate of the receipt of any such moneys and of the fixing of any such date, and shall not be required to make payment to the Registered Owner of any Bond until such Bond shall be presented to the Paying Agent for appropriate endorsement or for cancellation if fully paid.

Whenever all principal installments and interest on the Bonds have been paid under the provisions of this Section and all expenses of the Assignee, Paying Agent, Bond Registrar and the Issuer have been paid, any balance remaining with the Assignee shall be paid to the Borrower.

With regard to any default concerning which notice is given to the Borrower under the provisions of this Section, the Issuer hereby grants the Borrower full authority for account of the Issuer to perform or observe any covenant or obligation alleged in said notice not to have been performed or observed, in the name and stead of the Issuer with full power to do any and all things and acts to the same extent that the Issuer could do in order to remedy such default.

The Chairman of the County Board and County Clerk be, and they are hereby, further authorized and directed for and on behalf of the Issuer, to execute all papers, documents, certificates and other instruments that may be required for the carrying out of the authority conferred by this Bond Resolution or to evidence said authority and to exercise and otherwise take all necessary action to the full realization of the rights, accomplishments and purposes of the Issuer under the Loan Agreement, the Assignment, the Bond Purchase Agreement, the Arbitrage Regulation Agreement and the Bond Registrar and Paying Agent Agreement and to discharge all of the obligations of the Issuer thereunder. From and after the execution and delivery of the Issuer Documents authorized by this Bond Resolution, the officers, agents and employees of the Issuer are hereby further authorized, empowered and directed to do all such acts and things and to execute all such documents as may be necessary to carry out the intent and accomplish the purposes of this resolution and to comply with and make effective the provisions of the instruments as executed.

Section 14. Other Tax Covenants.

A. The Issuer recognizes the provisions of Section 265(b)(3) of the Code which provide that a "qualified tax exempt obligation" as therein defined may be treated by certain financial institutions as if it were acquired on August 7, 1986, for certain purposes. The Issuer hereby designates each of the Bonds as may be from time to time outstanding for purposes of Section 265(b)(3) of the Code as a "qualified tax exempt obligation" as provided herein. In making such designation, the Issuer is relying upon covenants and warranties of the Borrower and continued compliance in connection with Section 501(c)(3) of the Code and the status of the Bonds as "Qualified 501(c)(3) Bonds" under Section 141(e)(1)(G).

In support of such designation, the Issuer certifies, represents and covenants as follow:

1) Including the Bonds, the Issuer (including any entities subordinate thereto) has not and does not reasonably expect to issue in excess of \$10,000,000 in "qualified tax-exempt obligations" during calendar year 2006.

2) Including the Bonds, not more than \$10,000,000 of obligations issued by the Issuer (including any entities subordinate thereto) during calendar year 2006 have been to date or will be designated by the Issuer for purposes of said Section 265(b)(3).

B. The Bonds are qualified 501(c)(3) "private activity bonds" as defined in Section 141(e)(1)(G) of the Code. In support of such conclusion, the Issuer certifies, represents and covenants as follows:

1) All property which is to be provided by the net proceeds of the issue is to be owned by a 501(c)(3) organization or a governmental unit.

2) No direct or indirect payments are to be made on any Bonds with respect to any private business use by any person other than the qualified 501(c)(3) organization.

3) None of the proceeds of the Bonds are to be used, directly or indirectly, to make or finance loans to persons other than a qualified 501(c)(3) organization.

C. The Issuer recognizes that Section 149 of the Code requires the Bonds to be issued and to remain in fully registered form in order to be and remain tax-exempt. In this connection, the Issuer agrees that it will not take any action to permit the Bonds to be issued in, or converted into, bearer or coupon form.

Section 15. Notices. It shall be sufficient service of any notice or other paper on the Issuer if the same shall be duly mailed to the Issuer by registered or certified mail, postage prepaid, return receipt requested, addressed to the Issuer at The County of Sangamon, Room 201, Sangamon County Court House, 200 South Ninth Street, Springfield, Illinois 62701, Attention: County Board Chairman, or to such other address as the Issuer may from time to time file with the Assignee and the Borrower. The provisions of this Bond Resolution shall constitute a contract between the Issuer and the Registered Owner or Registered Owners of the Bonds hereby authorized; and after the issuance of the Bonds no modification, alteration, or amendment or supplement to the provisions of this Bond Resolution shall be made in any manner except with the written consent of the Registered Owner or Registered Owners of the Bonds until such time as all principal installments of, and interest on the Bonds shall have been paid in full.

Section 17. Satisfaction And Discharge. All rights and obligations of the Issuer and the Borrower under the Loan Agreement, the Note, the Assignment, the Bonds, the Bond Purchase Agreement and this Bond Resolution shall terminate and such instruments shall cease to be of further effect and the Assignee and Paying Agent shall cancel the Bonds, deliver them to the Issuer, and deliver a copy of the canceled Bonds to the Borrower, and shall assign and deliver to the Borrower any moneys held by the Assignee and Paying Agent required to be paid to the Borrower under Section 7 hereof (except moneys held by the Paying Agent for the payment of principal of or interest on the Bonds) when:

- (b) the Issuer and the Borrower shall have performed all of their covenants and promises in the Loan Agreement, the Note, the Assignment, the Bonds, the Bond Purchase Agreement and in this Resolution; and
