

Resolution 15

Whereas, the Department of Building & Grounds in the Sangamon County Complex is in need of a new Environmental Control System to insure properly functioning heating and cooling equipment; and,

Whereas, the current piece of equipment is over 16 years old and the manufacturer can no longer support the computer or the software; and,

Whereas the equipment can no longer be supported, makes it reasonable to consider replacing the equipment; and,

Whereas, this is a sole source bid as the equipment to match our system can not be provided by anyone other that manufacturer and a price was requested from Johnson Controls Corp.; and,

Whereas, this bid meets the necessary specifications for this piece of equipment; and,

Whereas, having been given approval by the Chairman, and Treasurer on March 02, 2006, the Public Building Commission of Springfield, Sangamon County, Illinois approved using funds from the 1990 Surplus to fund this purchase; and,

Now therefore be it resolved by the County Board of Sangamon County, Illinois, in session on this 14th day of March 2006 that the purchase of an Environmental Control System is hereby approved in the amount of \$32,503.52 and the funding of this purchase coming from the 1990 Surplus Funds of the Public Building Commission of Springfield, Sangamon County, Illinois is authorized.
