

RESOLUTION NO. 18-1

WHEREAS, Sangamon County's present computer network software and email/calendaring system was implemented in 1998; and,

WHEREAS, it is necessary to either upgrade or replace the current network and email/calendaring software; and,

THEREFORE, the Sangamon County Information Systems Department has prepared a two-year proposal to upgrade the computer network and email/calendaring hardware and software demonstrating costs to complete the project and all necessary training for the Information Systems staff and all system users.

NOW, THEREFORE, BE IT RESOLVED, by the Members of the Board of Sangamon County, Illinois in session this 14th day of August, 2007, that the two year project to upgrade the County computer network and email/calendaring software and hardware is approved and the County Administrator is to continue research funding options with all County departments.
