FREE Residential Sharps Collection

2 Options for Collection

Sharps Container

1. Pick up an empty container (1 quart or 1 gallon)
2. Drop off full containers
3. Repeat with a new container

Loose Sharps Kiosk

- Bring any sharps to deposit in the Sharps Kiosk located in our Reception Area.
- Use caution when handling loose sharps.
- Do not remove sharps from a red collection container.

Both options are available during regular business hours and may be used as often as necessary.
