If you have COVID-19 and are at a high risk of getting very sick, an oral treatment may help you recover. If needed, SIU Medicine can prescribe that medication for you. This treatment is provided at no cost to you, but patient insurance may be billed.

Schedule a telehealth appointment:
Call 217-545-5100
Monday – Friday, 8 a.m. - 8 p.m.
Saturday and Sunday, 10 a.m. - 5 p.m.

SIU does **not** do testing, they do treatment only.

*Sangamon County Department of Public Health is not an affiliate, associated, authorized, endorsed by, or in any way officially connected to the testing sites listed on this page or its subsidiaries or its affiliates. This list should be used as a reference guide.
